

Chapter H 11

BEAUTY AND ELECTROLYSIS SALONS AND SCHOOLS OF COSMETOLOGY

H 11.01	Premises	H 11.07	Powder and fluid dispensers
H 11.02	Water	H 11.08	Astringents
H 11.03	Laundered articles	H 11.09	Disinfecting; disposal of waste material
H 11.04	Personal cleanliness	H 11.10	Beauty salon ownership
H 11.05	Skin protectors	H 11.11	Licensure requirements
H 11.06	Permanent wave equipment		

H 11.01 Premises. No part of any premises shall be licensed unless properly equipped for use as a beauty or electrolysis salon or school of cosmetology and maintained in a sanitary condition, free from all health hazards, to provide the cosmetology services offered to the public. No salon or school shall be used as a living or sleeping room. Access to such salon or school shall be by means of a separate entrance. Every salon or school shall make toilet facilities available. Cosmetology shall not be practiced outside of a licensed salon excepting for sick or infirm persons in homes or hospitals.

H 11.02 Water. Salons or schools must supply clean hot and cold water in such quantities as may be necessary.

H 11.03 Laundered articles. Every person giving cosmetology services in a salon or school shall use a separate and clean towel for each customer, and after a towel has been used once it shall immediately be placed in a receptacle provided for soiled towels, and shall not again be used until it has been properly disinfected and laundered. All clean laundered articles shall be kept in a closed cabinet provided for that purpose.

H 11.04 Personal cleanliness. Every person giving cosmetology services in a salon or school shall be clean, both as to person and dress, and while so employed must wear washable outer uniform or coat. Such person must thoroughly wash his hands with soap and water immediately before serving each patron.

H 11.05 Skin protectors. Persons giving cosmetology services in a salon or school shall not permit the use of the head rest of any operating chair unless the head rest is protected by a disposable cover. At no time shall a hair cloth come in contact with the neck of the patron. Any protective covering to protect the skin must be disposable or washable in soap and water or any other disinfecting agent.

H 11.06 Permanent wave equipment. Permanent waving pads shall be used only once and must be discarded or destroyed as soon as they are removed from the rods. All permanent wave equipment must be kept clean at all times.
