(e) Muskrats Taken in Beaver Traps. 1. Any person duly licensed pursuant to section 29.132, Wis. Stats., may salvage not to exceed eight muskrats which are taken in beaver traps during the open season for beaver and incidental to the licensee's beaver trapping operations.

2. All such muskrat pelts shall be tagged with a metal tag immediately when the animal is taken; such tags to be furnished by the Conservation Commission upon request. Any unused tags so furnished shall be returned to the Commission at the time the licensee makes his beaver trapping report pursuant to section 29.132 (4), Wis. Stats.

3. All muskrat pelts taken pursuant to this section shall be exhibited for inspection, together with any beaver pelts taken, in the same manner as is provided for presenting beaver by section 29.132 (3) (a), Wis. Stats.

(f) Tagging of Otter Pelt and Carcass. The pelt and carcass of all otter taken by any trapper shall be exhibited to a conservation warden by the trapper within 5 days after the close of the otter trapping season. The conservation warden shall thereupon attach and lock to each such pelt a metal tag and it shall be unlawful for any person to have in possession or under control any otter pelt taken during such open season without such tag attached as provided herein. For each such otter carcass surrendered to the conservation warden, the State Conservation Commission will pay to the trapper the sum of \$2. Such pelts and carcasses taken during the aforesaid open season for trapping otter beginning on March 27 and extending through April 10 shall be exhibited and tagged as provided herein in the county where trapped.

Section WCD 10.02 (1) of the Wisconsin Administrative Code is amended to read:

WCD 10.02 WILD ANIMALS PROTECTED AT ALL TIMES. (1) There shall be no open season on Canada lynx, timber wolf, badger, woodchuck, moose, elk, white deer (albino), marten, fisher, wolverine, white squirrel (albino), or flying squirrel.

Section WCD 10.04 (1) of the Wisconsin Administrative Code is amended to read:

WCD 10.04 UNPROTECTED WILD ANIMALS. (1) There shall be no closed season on coyotes, wildcats, any species of foxes and mutations thereof, opossum, skunk, weasel, and all other wild mammals not specifically mentioned in this chapter.

Section WCD 10.05 of the Wisconsin Administrative Code is amended to read:

WCD 10.05 HIGHWAYS. (1) There shall be a closed season from November 16 to November 24 inclusive, for hunting all species of wild animals and birds within a distance of 200 feet from the center line of any lettered state forest road, and of any federal, state, or county highway in those counties or parts of counties where an open season for hunting deer with firearms has been established,

(2) There shall be a closed season from September 21 to November 12 inclusive, for hunting all species of wild animals and birds with bow and arrow within a distance of 200 feet from the center line of any lettered state forest road, and of any federal, state, or county highway in those counties or parts of counties where an open season for hunting deer with bow and arrow only has been established.

Section WCD 10.06 (2m) of the Wisconsin Administrative Code is amended to read:

-WCD 10.06 (2m) The hunting hours for migratory waterfowl and shorebirds shall be from one-half hour before sunrise as listed in the following table to 4:00 p.m., except as otherwise provided in WCD 10.01 (1) (b) and it shall be unlawful for any person to hunt or shoot such waterfowl and shorebirds on any day during the open season before the time listed in the a.m. column or after the closing hour.

Section WCD 10.07 (2) of the Wisconsin Administrative Code is amended to read:

WCD 10.07 (2) No person shall place, spread, or set any net, pitfall, snare, spring gun, pivot gun, swivel gun, or other similar contrivance for the purpose of catching or which might catch, take or ensnare game; nor with the aid of an airplane, including the use of an airplane to spot, rally, or drive game for hunters on the ground, except that foxes and coyotes may be spotted, but not shot, from aircraft from January 1 through March 31.

Section WCD 10.09 (3) (4) (5) and (6) of the Wisconsin Administrative Code are amended to read:

WCD 10.09 (3) No person shall have in possession any rifle in territory wherein there is an open season for hunting deer with shotgun only during such open season unless such rifle is unloaded and enclosed within a carrying case, except that smooth-bore muzzle-loading muskets of not less than .45 caliber may be possessed and used for the hunting of deer during such open season.

(4) No person shall have in possession any firearm in territory wherein there is an open season for deer with firearms for a period of 3 days prior to the opening date for deer hunting unless the firearm is unloaded and enclosed within a carrying case, except that waterfowl hunters shall be permitted to hunt waterfowl continually during the open season with shotguns only, except .410 bore, and shot not larger than No. BB.

(5) It shall be unlawful for any person to carry in any manner or have in possession or under control any .22 rim-fire rifle, .410 bore shotgun or shot larger than No. BB from 3 days prior to the opening of a deer season with firearms in areas or counties where there is an open season for deer through the close of such season while in, on or traversing any field or forest lands in the counties or parts of counties where an open season for hunting deer with guns has been established unless such firearm is unloaded and enclosed within a carrying case.

(6) The provisions of s. 29.24, Wis. Stats., and subs. (4) and (5) of this section prohibiting the possession of firearms and ammunition do not apply to Brown, Calumet, Columbia, Crawford, Dane, Dodge, Fond du Lac, Grant, Iowa, Jefferson, Kewaunee, La Crosse, Lafayette, Manitowoc, Ozaukee, Richland, Sauk, Sheboygan, Trempealeau, Vernon, Washington, Waukesha and Winnebago counties and in those counties it shall be lawful to hunt all species of wild animals throughout the open season. While hunting small game under the authority of this subsection, in the above-named counties, except Columbia, Crawford, Iowa, Richland, Sauk and Vernon counties, it shall be unlawful for any person to use or have in possession or under control any rifle other than a .22 rim-fire; and in such hunting in all of the above named counties, it shall be unlawful for any person to use or have in possession in the night-time any shotgun ammunition loaded with shot larger than No. BB or with single slug or ball. This subsection shall not be construed to permit the hunting of deer or bear with a .22 rim-fire rifle or any .410 bore shotgun.

Section WCD 10.15 of the Wisconsin Administrative Code is amended to read:

WCD 10.15 HORICON NATIONAL WILDLIFE REFUGE. (1) Horicon Managed Bow and Arrow Deer Hunt. (a) Deer of any age and either sex and foxes may be taken with bow and arrow only within the Horicon National Wildlife Refuge (except posted closed areas), subject to provisions of this section, beginning on December 14 and ending on December 15.

(b) Hunting on the Horicon National Wildlife Refuge is permitted under permit (arm band) only, as authorized by the U. S. Fish and Wildlife Service. The number of permits issued at any one time shall not exceed 1,000, and a permit shall be valid for one day only. Daily hunting hours shall be from 8:00 a.m. to 4:00 p.m.

(c) Hunters must form a line to apply for permits, and trailers and busses will not be permitted in line. Automobiles in the line must be occupied at all times by persons desiring to apply for permits.

(d) Hunters must apply in person for permits (arm bands) and must submit their hunting licenses and corresponding deer tag for inspection. Permits to hunt on the refuge are non-transferable.

(e) A service fee of \$1.00 per person per trip shall be paid by each person.

(f) When finished hunting, each hunter must surrender in person his numbered arm band at the checking station through which he entered, and then submit for examination such game as he may have bagged, not later than 5:30 p.m.

(2) Horicon Managed Gun Deer Hunt. (a) Deer of any age and either sex and foxes may be taken with smooth-bore muzzle-loading muskets of not less than .45 caliber and shotguns loaded with single slug or ball within the Horicon National Wildlife Refuge (except posted closed areas), subject to provisions of this section, beginning on December 21 and continuing until the U. S. Fish and Wildlife Service determines that the harvest of deer is such that to kill additional deer would be detrimental to and would endanger the breeding stock and future supply of deer; but not after December 22.

(b) Hunting on the Horicon National Wildlife Refuge is permitted under permit (arm band) only, as authorized by the U. S. Fish and Wildlife Service. The number of permits issued at any one time shall not exceed 250, and a permit shall be valid for one day only. In order to assure better hunter distribution, entry to the refuge shall be at designated access points only. Daily hunting hours shall be from 8:00 a.m. to 4:00 p.m.

(c) Reservations. Reservations for hunting in the Horicon National Wildlife Refuge may be obtained under the following conditions.

Reservation requests by mail only on official application forms will be accepted at the Wisconsin Conservation Department, Madison. Such requests may be postmarked no earlier than 12:00 noon, Tuesday, November 5, and no later than 12:00 noon, Saturday, November 9.

Selection of mailed requests will be made by the earliest post marks.

A reservation will entitle the applicant to bring not more than one (1) guest with him, and will not be transferable.

Not more than one reservation per season may be obtained; however, hunters having made one trip may be permitted to hunt providing no other hunters are waiting in line to apply. Hunting licenses shall be marked for each trip.

After the opening date of the managed deer hunt, applications for permits may be made in person or by phone at the managed hunt check stations.

All reservations must be exercised by 8:00 a.m.

(d) Hunters must register in person for permits (arm bands) at hunter check stations, and must submit their hunting licenses and corresponding deer tag for inspection. Arm bands to hunt on the refuge are non-transferable.

(e) Unreserved permits will be issued on a first come - first served basis.

(f) A service fee of \$1.00 per person per trip shall be paid by each person.

(g) When finished hunting, each hunter must surrender in person his numbered arm band at the checking station through which he entered, and then exhibit for examination such game as he may have bagged, not later than 5:30 p.m.

(4) Horicon Managed Goose Hunt. (a) An open season is established for hunting geese on the Horicon National Wildlife Refuge in Dodge and Fond du Lac Counties, as limited herein and so provided in Section WCD 10.01 (1) (b).

The open season for hunting geese on the Horicon National Wildlife Refuge established by this section and the open season for hunting geese in Dodge and Fond du Lac Counties established in Section WCD 10.01 (1) (b) shall close on an earlier date when the U. S. Fish and Wildlife Service and the Wisconsin Conservation Commission determine that the harvest of the Canada goose population in Dodge and Fond du Lac Counties is such that to kill additional Canada geese would be detrimental to and would endanger the breeding stock and the future supply of Canada geese or that the Canada goose population has migrated from the refuge to such an extent that operation of the managed hunting unit is no longer in the public interest and such closing shall take precedence over the provisions of said sections WCD 10.01 (1) (b).

(b) Hunting on the Horicon National Wildlife Refuge is permitted under permit only as authorized by the U. S. Fish and Wildlife Service.

(c) Hunting on such refuge shall be done only under the following conditions:

The Horicon National Wildlife Refuge is divided into two units as follows:

1. Managed Hunting Unit. The managed hunting unit varies in width, but is not more than 440 yards wide as marked by single strand of wire, or as posted by the Wisconsin Conservation Department. A single row of blinds spaced approximately 200 yards apart shall be provided by the Wisconsin Conservation Department to accommodate not more than three hunters per blind.

2. Refuge Unit. The refuge unit shall include all land in the Horicon National Wildlife Refuge not designated above as the managed hunting unit. Within this unit, it shall be unlawful to hunt in any manner at any time.

3. Reservations. Reservations for hunting in the managed hunting unit may be obtained under the following conditions:

a. Reservation requests by mail only on official application forms will be accepted at the Wisconsin Conservation Department, Madison. Such requests may be postmarked no earlier than 12:00 noon, Tuesday, August 27, and no later than 12:00 noon, Sunday, September 1.

b. Selection of mailed requests will be made by the earliest postmarks.

c. A reservation obtained by mail will be good for the applicant and not more than two (2) guests and will not be transferable.

d. Not more than three reservations per season may be obtained by mail by any one applicant, however, hunters having made three trips may be permitted to hunt providing no other hunters are waiting in line to apply. Hunting licenses shall be marked for each trip.

e. After opening date of the waterfowl season, reservations will be accepted in person or by phone at the managed hunting unit check stations. These reservations are also non-transferable.

f. All reservations for any one day will be valid only up to one-half hour before the daily shooting time.

4. Managed Hunting Unit Prohibitions. Within the managed hunting unit it shall be unlawful to:

a. Enter without first having obtained the necessary permit (arm band) in person at one of the checking stations. Such permit shall be valid for only one day.

b. Leave the immediate vicinity of the managed hunting unit without first surrendering the permit in person at the checking station where it was obtained. The immediate vicinity of the managed hunting unit is defined as the area which is bounded by the following recognized roads:

WEST SIDE OF MARSH:

Dodge County: by county highway "I" from its junction with state highway 26, northerly to its junction with state highway 49.

Fond du Lac County: by the town road lying east of the west branch of the Rock River, which connects state highway 49 and county highway "D".

NORTH END OF MARSH:

Fond du Lac County: County highway "D" from its junction with the above mentioned town road lying east of the west branch of the Rock River, easterly to the junction with county highway "B".

EAST SIDE OF MARSH:

Fond du Lac County: County highway "B" from its junction with county highway "D" southerly to and along county highway "Z" which is in Dodge County.

Dodge County: County highway "Z" southerly to its junction with the north-south road in section 3, township 12 north, range 16 east, and southerly on said town road for a distance of one mile.

5. Blinds will be issued to hunters in numerical sequence in the order in which reservations are filled. Reservation confirmations will contain assigned blind number. Vacant blinds will be issued on a first come - first served basis.

6. Hunters without reservations must form a line to apply for blinds, and trailers and busses will not be permitted in the line. Automobiles must be occupied at all times by persons without reservations desiring to register for blinds.

7. Hunters must register in person for blinds, and must submit their hunting licenses for inspection.

8. Arm bands to hunt on the unit are non-transferable and no permittee shall occupy or shoot from any other than his assigned blind.

9. Hunters may use their own decoys.

10. A service fee of three dollars per blind per trip shall be paid by each party. A party consists of from 1 to 3 hunters.

11. When going to and from blinds, hunters must keep their guns unloaded and enclosed in a carrying case.

12. Dogs are not allowed on the managed hunting unit.

13. No permittee shall deposit any refuse in any blind or in the managed hunting unit, and immediately upon terminating his hunting trip shall deposit all refuse in containers provided at managed hunting unit access points.

14. When finished hunting, each hunter must surrender, in person, his numbered arm band at the checking station through which he entered, and there submit for examination such game as he may have bagged, not later than 3:30 p.m.

(5) Except as provided in section WCD 10.15 (1) (2) (3) (4) and (6), no person shall take, catch, kill, hunt, trap, or pursue in any manner any species of wild animals or birds at any time or have in possession or under control any firearm unless the same is unloaded and enclosed within a carrying case or any bow and arrow unless the same is unstrung or enclosed within a carrying case upon that area known as the Horicon National Wildlife Refuge.

(6) Hunting and Trapping. (a) In the discretion of the Fish and Wildlife Service an open season for trapping muskrat, mink, and raccoon within the Horicon National Wildlife Refuge may be declared under written permit from the Fish and Wildlife Service or its authorized representative, and with the approval of the conservation director, between the dates of October 25, 1957 and April 15, 1958. Open seasons for hunting or trapping all other fur-bearing animals within the Horicon National Wildlife Refuge may be declared in the same manner at any time during the state season on such fur-bearing animals. Such permits shall be subject to all of the rules and regulations governing hunting and trapping set forth in this chapter except that the use of not more than 125 traps and the use of wet or dry sets may be authorized by such permits.

(b) All other fur-bearing animal seasons on Horicon Marsh on both federal and state-owned areas will concur with the state season on these fur-bearers and hunting and trapping will be permitted only under permit.

(c) It shall be unlawful for any person trapping under permit as provided in subs. (2) (a) and (b) to have in his possession or under his control while exercising the privileges of his permit any migratory waterfowl or game bird unless such waterfowl or bird shall have attached and locked through a slit in either wing thereof a metal tag furnished by the conservation commission for that purpose.

(d) It shall be unlawful for any person trapping under permit to remove any migratory waterfowl or game bird from the federal and state-owned areas of Horicon Marsh except as follows: migratory waterfowl and game birds taken as the result of normal trapping operation shall be delivered by the permittee to the proper federal or state agents on Horicon Marsh and such waterfowl and birds properly tagged as provided in par. (a) may be transported by the permittee for the purpose of making delivery in all townships in Dodge and Fond du Lac counties in which federal or state-owned areas of Horicon Marsh are situated.

Section WCD 10.16 of the Wisconsin Administrative Code is amended to read:

WCD 10.16 NECEDAH NATIONAL WILDLIFE REFUGE, JUNEAU COUNTY. Except as provided in subs. (1) and (2) of this section, it shall be unlawful for any person to take, catch, kill, hunt, trap, or pursue any species of wild animal or bird at any time, or have in possession or under control any firearm unless the same is unloaded and enclosed within a carrying case or any bow and arrow unless the same is unstrung or enclosed within a carrying case upon that area known as the Necedah National Wildlife Refuge in Juneau county, Wisconsin.

(1) Within the discretion of the Fish and Wildlife Service an open season for muskrats, mink, and raccoon with no bag limit and on beaver with a bag limit of 20 per season may be declared within the Necedah National Wildlife Refuge under written permit from the Fish and Wildlife Service and with the approval of the conservation director between the dates of October 25, 1957, and April 15, 1958. All other fur-bearing animal seasons on the Necedah National Wildlife Refuge, except for otter on which there shall be a closed season, shall concur with the state season on these fur-bearers and trapping shall be authorized only under permit issued by the Fish and Wildlife Service with the approval of the conservation director.

(2) There shall be an open season for deer hunting with bow and arrow only from September 21 to November 12, 1957, inclusive, and from December 14, 1957, to January 12, 1958, inclusive, one deer per season of either sex and any age, on the Necedah National Wildlife Refuge (except posted closed areas). No special permits shall be required, but hunting license and regulation deer tag as required by statutes are necessary.

Section WCD 10.20 of the Wisconsin Administrative Code is amended to read:

WCD 10.26 RECORDING OF DEER AND BEAR, (1) Gun Seasons. (a) Each person who has killed a deer or bear during the open season for hunting such animals with guns shall exhibit such deer with his deer tag attached as required by s. 29.40 (1), Wis. Stats., or such bear, to a conservation warden or other authorized conservation department personnel in the county in which such deer or bear was killed or in the adjoining county not later than 10:00 p.m. of the second day following the close of such season. Such deer or bear shall be wholly intact except that it may be field-dressed. Upon approval of the officer, such officer shall attach a special tag to such deer or bear indicating that it has been inspected and recorded and such tag shall remain attached to such deer or bear until such carcass is finally consumed. Such deer or bear shall not be removed beyond the limits of the county adjoining that in which it was killed unless it has been so exhibited and tagged.

(b) Any deer so taken in any county wherein there is an open season for hunting deer of any age, either sex, shall be exhibited and tagged as provided in par. (1) (a) in the county in which the deer was killed not later than 10:00 p.m. of the last day of such season in such county, and such deer shall not be removed from said county unless it has been so exhibited and tagged.

(c) Any deer taken on any of the islands in the outlying waters of Lake Superior in Ashland and Bayfield counties shall be exhibited and tagged not later than 10:00 p.m. of the second day following the close of such season in such county, at the registration station in the city of Bayfield.

(d) Any deer taken in that part of Bayfield county lying north of U. S. highway "2" and east of county highway "A" shall be exhibited and tagged as provided in par. (1) (a) not later than 10:00 p.m. of the second day following the close of such season in that part of Bayfield county described herein and shall not be removed from such area unless it has been so exhibited and tagged.

(2) Recording of Deer and Bear Taken During the Bow and Arrow Only Season. Each person who has killed a deer or bear during the open season for hunting such animals with bow and arrow only shall exhibit and register such deer or bear as provided in subsection 1, except that the carcass of such deer or bear shall be exhibited within 24 hours after the taking or killing thereof.
