ORDER OF THE STATE CONSERVATION COMMISSION OF WISCONSIN ADOPTING, AMENDING  
OR REPEALING RULES

Pursuant to authority vested in the State Conservation Commission of Wisconsin by sections 29.085 and 29.174, Wis. Stats., the State Conservation Commission of Wisconsin hereby adopts, amends and repeals rules as follows:

Section WCD 22.01 of the Wisconsin Administrative Code is amended to read:

WCD 22.01 MISSISSIPPI RIVER BOUNDARY WATER DEFINED. For the purpose of hook and line fishing in the Mississippi river interstate boundary waters to apply to residents of Wisconsin and nonresident hook and line fishermen properly licensed under sections 29.09 and 29.14, Wis. Stats., all waters from the Chicago, Burlington and Quincy railroad tracks on the east side of the Mississippi river and extending west from said railroad tracks to that part of the river following the boundaries between the states of Wisconsin and Iowa shall be defined as interstate boundary waters.

Section WCD 22.03 of the Wisconsin Administrative Code is repealed and recreated to read:

WCD 22.03 HOOK AND LINE FISHING. The following seasons, bag limits and other rules and regulations for hook and line fishing are established. The possession limit for each species shall be the same as the bag limit.

WCD 22.06 HOOK AND LINE FISHING. (1) It shall be unlawful for any person to use or operate more than 2 lines or 2 poles with one line attached to each pole, and with one bait to each line, except that fly fishermen may use 2 flies to one line, or with any fish line or lines unattended in any of the boundary waters as described in section WCD 22.02 (1). Five lines with one bait to each line may be used for fishing through the ice. It shall be unlawful for any person to take game fish of any variety by any means other than with hook and line, except as provided in this chapter, or by snagging or by fouling with any hook or by means other than angling or trolling except as otherwise provided in this chapter.

(3) All varieties of rough fish may be taken with a hook and line throughout the year with no size or bag limit, but no fish shall be taken by use of firearms.

Section WCD 22.07 (1) of the Wisconsin Administrative Code is amended to read:

WCD 22.07 SET LINES (TROT LINES). (1) It shall be unlawful for any person to set or operate more than 8 set lines (trot lines) with not to exceed a total of 50 hooks to each line or 400 hooks in the aggregate attached thereto, for the taking, catching, killing or fishing

for catfish 13 inches or over in length, hackleback sturgeon 25 inches or over in length, bullheads, rough fish and eel only; size limits shall conform to the provisions of section WCD 22.11 (3); in such fishing it shall be unlawful to use any game fish or frog, either dead or alive, as bait.

Section WCD 22.09 (1) of the Wisconsin Administrative Code is amended to read:

WCD 22.09 SET OR BANK POLES (SET HOOKS). (1) Set or bank poles (set hooks) may be used for the taking, catching, killing or fishing for catfish 13 inches or over, hackleback sturgeon 25 inches or over in length, bullheads, rough fish and eel only, during the period of time extending from May 1 to the next succeeding October 31; size limits shall conform to the provisions of section WCD 22.11 (3). In such fishing it shall be unlawful to use any game fish or frog, either dead or alive, as bait.

Section WCD 22.10 of the Wisconsin Administrative Code is amended to read:

WCD 22.10 USE OF SPEARS. It shall be unlawful for any person to use a spear or bow and arrow in any manner at any time for the purpose of taking, catching, or killing any game fish of any variety, or to have in possession or under control any fish spear or bow and arrow in a fish house (shanty). Rough fish may be taken by means of spears or bow and arrow in the daytime only.

Section WCD 22.11 of the Wisconsin Administrative Code is repealed and recreated to read:

WCD 22.11 USE OF NETS. (1) All commercial fishermen conducting fishing operations shall comply with the provisions of 29.34, 29.37 or 29.343, Wis. Stats., whichever applies. It shall be lawful for any person properly licensed to use the following type nets for the taking of all species of fish as listed under paragraph (3).

(4) Gill nets with a mesh of seven inches stretch measure may be used at all times for the taking of rough fish and catfish 13 inches or over. Such measurements shall apply to net meshes when in use and no allowance shall be made for shrinkage due to any cause. All gill nets shall be lifted and emptied of fish at least once in every 48-hour period when set in open water and at least once in every 96-hour period when set under the ice, unless a longer period is granted by the Wisconsin Conservation Commission or its agents.

(5) No net or nets may be used or operated in any waters within 900 feet below any dam on the Mississippi river.

Order No. F-893

7.

(6) The Wisconsin Conservation Commission may at its discretion require supervision of commercial fishing operations and said Commission may require the operators of such nets to pay for supervision individually or in groups in the manner they deem advisable, and said Commission shall fix the amount to be paid each supervising warden. The State Conservation Commission may also allow at any time one supervising warden for as many seine, hoop net, frame net (wing net), fyke net or gill net operations as it deems advisable.

(7) The State Conservation Commission or its agents may also require at any time any operator of any seine, gill net, buffalo net, frame net, bait net and basket trap (slat net) to cease the fishing operations of such net or nets when said commission finds these operations are proving destructive to game fish or for any other good or valid reason.

(8) The use or operation of all other nets excepting those mentioned in this chapter is prohibited in these waters at all times.

(9) Basket traps (slat nets) not more than 6 feet in length and not more than 72 inches in circumference, overall dimensions, and with one end thereof closed with webbing of a mesh not less than one and one-fourth inches bar or square measure may be used for the taking of rough fish, bullhead 9 inches or over and catfish 13 inches or over during that period of time extending from May 1 to the next succeeding October 31 and shall be equipped with a metal tag as prescribed in section 29.343, Wis. Stats. Such webbing shall be attached in such manner that the length, depth or width of each mesh is not decreased. Licenses for such basket traps (slat nets) shall be obtained pursuant to section 29.343, Wis. Stats. All such nets mentioned above must be lifted at least once in every 48-hour period, unless a longer period is granted by the Wisconsin Conservation Commission or its agents.

(10) It shall be lawful for any person licensed pursuant to section 29.343 (3), Wis. Stats., to use a trammel net not more than 300 feet in length and with a mesh of any size for the taking of fish as set forth in section WCD 22.11 (3). Such trammel nets may be used in that part of the Mississippi river between the states of Iowa and Wisconsin under the jurisdiction of the state of Wisconsin which lies within the navigation channel as established by the United States War Department; in Twelve Mile (Cassville) slough, State Line slough and Hurricane Chute in Grant county. Such trammel nets may be used in a drifting manner only. It shall be unlawful for any person to use or operate any trammel net in any manner except as provided in this section.

(11) No net or nets or setlines of any kind shall be lifted, hauled or drawn in any manner between one-half hour after sunset and one hour before sunrise of the following morning, except for the purpose of completing a seine haul with the permission of the supervisor nor shall any net, except a trammel net be used in a drifting manner.

(12) All fishermen licensed under the provisions of sections 29.34, 29.37 and 29.343, Wis. Stats., shall report to the Conservation Commission on blanks to be furnished by the Commission, detailed information regarding their activities which shall include the number of pounds and varieties of fish taken, amounts returned to the water and any other information pertaining to commercial fishing activities required by the Conservation Commission.

(13) No licensed commercial fisherman or any member of his crew or any person in his boat shall have in his possession any panfish or game fish or sport angling equipment while operating licensed commercial gear, including set lines, or while traveling to or from the operation of such gear.

Section WCD 22.13 of the Wisconsin Administrative Code is created to read:

WCD 22.13 RECIPROCITY, HOOK AND LINE FISHING. All residents of Wisconsin and Iowa holding a resident hook and line fishing license from their respective states, or residents of states other than Wisconsin and Iowa holding a hook and line fishing license issued by either state may fish in any of the waters lying between the Chicago, Milwaukee and St. Paul railway tracks on the Iowa side of the river and the Chicago, Burlington and Quincy railway tracks lying on the Wisconsin side of the river during the open season for hook and line fishing. This reciprocity does not apply to clambers or commercial gear operators.
