of Uniform Classification of Accounts         )  
for Common Motor Carriers                    )        MC-1022

ORDER REPEALING RULES

According to section 227.01(5)(s), created by Chapter 426, Laws of 1957, an administrative code "rule" does not include or mean action which "prescribes or relates to a uniform system of accounts for persons, including municipalities, regulated by the Public Service Commission."

The Commission will continue, under jurisdiction stated in section 194.30, Statutes, to require common motor carriers of property and of passengers to keep their accounts as prescribed by it. However, the procedure under said section 194.30 and the above-entitled docket need not now be stated as part of the Wisconsin Administrative Code.

In conformity with the new statute, section 227.01(5)(s), Chapter PSC 10 should be repealed.

Order

THE COMMISSION THEREFORE ORDERS:

1. That Chapter PSC 10, Wisconsin Administrative Code, be and it hereby is repealed.
2. That it is not herein intended in any way to repeal or affect any order heretofore issued by the Commission prescribing a uniform system of accounts for anyone subject to its jurisdiction. This order is designed simply to accomplish the administrative act of removing from the Wisconsin Administrative Code material which does not now fall within the definition of a rule (section 227.01(5)(s), Statutes).

3. That certified copies of this order be sent to the Revisor of Statutes and the Secretary of State, as required by section 227.023, Statutes.

Dated at Madison, Wisconsin, this 27<sup>th</sup> day of March 1958.

By the Commission.
