EMERGENCY RULE-STATE TEACHERS RETIREMENT BOARD

Present policy of the State Teachers Retirement System, with respect to the first effective date of an annuity, will cause some members to lose group insurance coverage since they are unaware of the requirements. Therefore, because several hundred annuity applications will be received in June and July, 1960, adoption of this rule is necessary to protect these members and to preserve the general welfare.

Section TR 6.03 is repealed and recreated to read "an annuity cannot become effective prior to the first day of the month following the last day of teaching service, nor prior to the first day of the month in which a written application therefor is received in the office of the State Teachers Retirement System. An annuity shall be effective only on the first day of the month."

This rule became effective June 25, 1960.

By Ray L. Lillywhite
Executive Secretary
State Teachers Retirement
System
