ORDER OF THE GROUP INSURANCE BOARD
ADOPTING RULES

Pursuant to authority vested in the Group Insurance Board by section 66.919 (3) (a) Wis. Stats., and in conformity with Chapter 227 Wis. Stats., the board hereby adopts rules as follows:

Grp 10.015 (1) Successor School Districts

(a) Whenever any successor school district qualifies pursuant to section 66.919 (15) (cc) of the statutes such school district shall be included as of the date the school district comes into existence.

(b) Any person covered pursuant to section 66.919 (15) on the day preceding the date of creation of the successor school district shall continue to be covered upon the same basis.

(c) If any person as an employe or official of a covered predecessor school district, including cities under the city school plan, shall have filed a waiver, such waiver shall continue to be in effect, subject to the provisions of s. 66.919 (5) (b) of the statutes.

(d) Any person who is an employe or official of such a successor school district who is immediately eligible for coverage and who has not previously had an opportunity to waive shall be insured in accordance with this paragraph unless such waiver is received by the board as follows:

1. Within 30 days after the creation of the school district if such creation occurs more than 30 days prior to the end of the school term.
2. Within 30 days after the resumption of active employment or service in the next succeeding school term if the creation of the school district occurs between the end of one school term and the beginning of the next school term, or if the creation of the school district occurs less than 30 days prior to the end of the school term.

Coverage shall be effective as of the beginning of the next calendar month commencing after such waiver

deadline. The amount of such coverage shall be based upon the aggregate compensation paid by the predecessor school district in the previous calendar year if such employment or service was continued during all of such year without a gap of more than three months, except for normal summer vacation periods.

(e) In determining the coverage for the calendar year subsequent to that in which such successor school district comes into existence, the amount of insurance shall be based upon the aggregate compensation paid by both the predecessor and successor school district in the previous calendar year if such employment or service was continued during all of such year without a gap of more than three months, except for normal summer vacation periods.

The rule contained herein shall take effect pursuant to authority granted by section 227.026 (1) Wis. Stats.
