Coverage in such instances shall be effective as of the beginning of the next calendar month commencing after such waiver deadline.

(2) For persons covered initially who have not been state employes for the full previous calendar year the earnings shall be a projection on an annual basis of the compensation at the time of coverage, which shall continue until there is coverage for a full calendar year. Whenever an eligible employe previously covered who did not receive state compensation for all of the entire preceding calendar year resumes state service or returns to active service after an interruption without pay extending 3 consecutive months or more, then the departmental representative designated by rule shall estimate the compensation to be received during the ensuing 12 months and such shall be the annual basis of compensation for purposes of coverage until coverage has continued for a full calendar year, provided that for regular seasonal employes the projection shall not continue after such status has continued for a full calendar year.

(3) Changes in amount of insurance, except as provided by section 66.919 (6) (b), (c) and (d), Wis. Stats., shall be made on January 1 in each calendar year if the amount is increased, or on February 1 if the amount is decreased.

Grp 2.21 Coverage during employment gaps. (1) Any insured employe may continue to be insured during any period of not to exceed 2 years while such employe receives no earnings from the state, including layoffs not due to the misconduct of the employe.

(2) Coverage may be continued during such period if the employe has authorized a payroll deduction prior to such interruption of his earnings in amount sufficient to pay his contribution for the lesser of: (a) the entire period of interruption of earnings or (b) 6 months, or if the employe remits the full payment to his department within 30 days after the beginning of such period.

(3) Seasonal employes who are not entitled to earnings on January 1, 1958, but who are otherwise eligible to be insured, shall be insured as of January 1, 1958 if within 30 days thereafter the employing department receives a remittance in full payment for the employe contribution for the entire period of absence from the payroll after December 31, 1957.

(4) Employes who are not entitled to earnings on January 1, 1958 shall be entitled to become insured upon return to active service in accordance with Grp 3.01.

(6) Coverage may not be continued for more than 60 days during leave to serve in the military forces of any nation at war, declared or undeclared. The fact of war shall be determined by the board. The right to convert the insurance to insurance under an individual policy shall exist during the 31 days following the end of the 60 day leave.

Grp 2.23 Coverage during disability. (1) If an insured employe is totally disabled before age 65 as a result of bodily injury or disease so as to be wholly prevented from performing any work or engaging in any occupation for remuneration or profit, and appears to the head of his employing department likely to remain so disabled for an indefinite period of time, the employe and state contributions for the insurance may be discontinued for nine months, or until any earlier time that the employe is able to return to work. The insurance shall remain in force while such contributions are discontinued. After contributions have been discontinued for 9 months, upon request of the company proof of disability shall be submitted to the insurance company. If the proof is approved, the insurance will remain in force as long as the disability continues, subject to new proof of disability being submitted each year if required by the insurance company. The amount of insurance will reduce at attainment of age 65 according to the schedule in section 66.919 (6) (b), Wis. Stats.

(2) Cessation of premiums during such disability shall be in effect under the following conditions:

(a) Such cessation shall not begin while any earnings are being received, except that when a disability annuity applies the cessation of premiums shall become effective as of the first day of the month in which the disability annuity begins to accrue.

(b) The department may certify to such cessation while earnings are being received, to be effective when the earnings cease.

(c) If the person had not ceased to be an insured employe at the time earnings stopped the cessation of premiums may apply 90 days retroactively from the date the certification of cessation of premiums is received, if there is good cause for such delay.

(d) The certification of cessation can be accepted from the department within 31 days after the termination of employment provided that this disability was the cause of the termination and no other employment has intervened. Failure to give the certification within 31 days will not invalidate a certification if it is established that such was given as soon as reasonably possible, and the certification is made within 90 days.

Such form shall be filed in duplicate and one copy shall be transmitted forthwith to the director.
