

Chapter H 42

REPATRIATION OF WAR DEAD

H 42.01 Authority for interment

H 42.01 Authority for interment. Any document furnished by the War Department in connection with the shipment to this state of a body of any deceased pursuant to any act of Congress for the repatriation of bodies of persons who died overseas, showing the identity of the body so shipped and the basic health permit number shall be deemed a certificate of removal and sufficient authority for interment under sections 69.47 and 69.48, Wis. Stats.
