

muskrats can be taken alive and removed to other localities deemed advisable by the state conservation commission.

(5) Any such cranberry marsh areas where muskrats are being controlled as provided in this section shall be open to the inspection of the state conservation commission or its authorized agents at any time.

WCD 19.04 Wolves and coyotes. (1) It shall be unlawful for any person or persons other than public, state, city or county parks or zoos, to have in their possession or under their control at any time or place in the state of Wisconsin any live wolf or coyote of any variety or description unless a duly authorized permit has been issued them by the state conservation commission of Wisconsin, or its designated agent or agents.

(2) All persons applying for permits to keep live wolves of any description in their possession or under their control as hereinbefore provided in this section, shall comply with any and all regulations required by the state conservation commission of Wisconsin, its designated agent or agents.

WCD 19.05 Release of exotic species. (1) It shall be unlawful for any person, persons, firm or corporation to introduce or release or cause to be introduced or released in any manner into the inland or outlying waters, forests or fields of this state any variety or species of wild animal, hybrid of a wild animal, and any bird or fish or the eggs or spawn thereof, that are not native to the state without first applying for and receiving a permit from the state conservation commission of Wisconsin or its duly authorized agents. Such permit shall be granted only after a thorough investigation by the conservation commission, its agents, conservation wardens or forest rangers concerning the conditions under which such wild animals, hybrids of wild animals, or birds or fish, or the eggs or spawn thereof, are to be introduced or released and to establish to a certainty that such introduction or release will not be detrimental in any manner to the conservation of the natural resources of the state.

(2) It shall be unlawful for any person or persons to introduce, place, plant, or release, or cause to be introduced, placed, planted, or released in any manner in the publicly owned or controlled inland waters of the state of Wisconsin any fish, fish fingerlings, fish fry, or fish spawn unless such release or plantings are supervised and authorized or permitted by written permit by the state conservation commission of Wisconsin, its duly authorized agents or representatives.

(3) Nothing in the provisions of this section shall be applicable to the state conservation commission, or the state conservation department, or its duly authorized agents wherein after investigation they deem it advisable or necessary to cause the release of any animals, birds or fish of any variety or species.

WCD 19.06 Fish nets and traps. (1) It shall be unlawful for any person or persons to take, catch or kill fish or fish for fish of any species when such fish are being held in any fish net, fish holding net, fish trap, fish pond, either artificial or natural, or any structure or net placed in any of the waters of the state by the Wisconsin conservation commission or under its authority for the purpose of taking or holding fish therein at any time, or for any person or persons to lift,

molest, cut or destroy any fish net, fish holding net, fish trap, fish pond, or any structure or net placed in any of the waters of the state by the Wisconsin conservation commission or under its authority for the purpose of taking or holding fish therein.

(2) It shall be unlawful for any person or persons to take, catch, capture or kill fish or pursue fish in any fishing operations within 500 feet above or 500 feet below any net, dam or weir wherein the state of Wisconsin is fishing or holding fish for commercial, scientific, or biological purposes, when the area is properly posted by the Wisconsin conservation commission.

(3) No provisions in this section shall prohibit the state conservation commission or department of Wisconsin, its agents, deputy conservation wardens or representatives of the fisheries division of such commission or department from taking any of the fish mentioned in any of the sections of this order at any time or from lifting, setting, or transferring any nets or structures used in holding or capturing fish, wherein they deem it advisable and necessary to promote the general conservation program.
