IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the official seal of the department at the Capitol, in the city of Madison, this 11th day of April , A.D., 1966.

Executive Secretary

Pursuant to authority vested in the Industrial Commission by section 101.01 - 101.29 Wis. Stats., the Industrial Commission hereby amends rules as follows:

Section Ind 59.20(1) of the WISCONSIN ADMINISTRATIVE CODE is amended to read:

"Ind 59.20 Drawings, specifications and data. (1) DESIGN AND PREPARATION OF DRAWINGS. All drawings and data for the installation of heating, ventilating and air conditioning equipment shall be designed and prepared to satisfy the requirements of this code.

Note: See section 101.31 Wis. Stats. the provision of which regulates the practice of engineering and architecture in Wisconsin.

Designers are hereby notified that beginning on August 1, 1967, all drawings and design data to be submitted for review and approval under the provision of this code for buildings greater than fifty thousand (50,000) cubic feet shall be sealed or stamped by an engineer or architect registered in accordance with the laws of Wisconsin."

The amendments shall become effective on the first day of the month following its publication in the Wisconsin Administrative Code as provided in Section 227.
