ORDER OF THE REGENTS OF THE UNIVERSITY OF WISCONSIN
REPEALING, AMENDING AND CREATING RULES

Pursuant to authority vested in The Regents of the University of Wisconsin by Sections 36.02, 36.03, 36.06(3) and 36.06(8) Wisconsin Statutes, The Regents of the University of Wisconsin hereby repeals, amends and creates rules as follows:

Sections U.W. 1.07(4) and 1.07(9) of the WISCONSIN ADMINISTRATIVE CODE are amended to read:

UW 1.07(4) The use of university union buildings and union grounds is restricted to members of the union, university faculty, university staff, and to invited guests as defined by the Union Council or Union Policy Board, except on occasions when the Union Council or Union Policy Board may invite the general public to open events. The university reserves the right to require evidence of qualification for such use of anyone using its union buildings and union grounds and to deny such use to anyone who is not a member of the union, on the university staff, or on the university faculty. Any persons not qualifying for use of union buildings and union grounds as herein provided may be removed from the premises and any person violating this section of the Code shall be liable to a forfeiture of not more than one hundred dollars.

UW 1.07(9) Sound Amplifying Equipment.

As a measure to permit the use of sound amplifying equipment for the dissemination of ideas and to prevent the use of sound amplifying equipment from interfering with University functions which inherently require quiet, it is enacted that:

(a) The words "sound amplifying equipment" as used herein shall mean any machine or device for the amplification of the human voice, music or any other sound, including all of its speakers. "Sound amplifying equipment" as used herein shall not be construed as including standard automobile radios when used and heard only by occupants of the vehicle in which installed or warning devices on authorized emergency vehicles or horns or other warning devices on other vehicles used only for traffic safety purposes.

(b) It is permitted to use any sound amplifying equipment between the hours of 8:00 a.m. and 10:00 p.m. on all property owned or leased by the University of Wisconsin so long as the sound amplifying equipment is at least 175 feet removed from any building owned or leased by the University of Wisconsin or any University research project or posted event.

(c) It is prohibited to use any sound amplifying equipment closer than 175 feet or inside of any building owned or leased by the University of Wisconsin, or any University research project or posted event, except that the chancellors or deans of the various campuses and the University officials in charge of arboretums, experiment stations, and other University areas are

authorized upon written request to permit the use of such equipment in rooms or areas designated by them. Such request must be submitted in writing to one of the aforementioned officials at least 24 hours prior to the intended use of said sound amplifying equipment and shall state the proposed hours and location where the said equipment will be used; a description of the proposed equipment which includes the manufacturer, model number and wattage; and the name of the owner of the sound amplifying equipment and the person responsible for its operation. Permission shall be granted without discrimination or censorship, but volume of amplification shall be restricted so that the maximum volume of sound emanating from the sound amplifying equipment will not unreasonably interfere with the instructional, research, and administrative functions of the University.

(d) The prohibitions of Section (b) do not apply to any sound amplifying equipment which is used primarily for University of Wisconsin classes or University of Wisconsin sponsored academic, recreational, or athletic activities.

Sections UW 1.07(18) and UW 1.07(19) of the WISCONSIN ADMINISTRATIVE CODE are created to read:

UW 1.07(18) Except as specifically provided by this code, the Chancellors or Deans of the respective campuses, and other University officials having charge thereof, may establish closing hours and closed periods for University buildings, facilities and areas. Such closing hours and closed periods shall be posted in at least one convenient place on each of the campuses. Closing hours remain in force and effect until modified by 5 days notice, posted as required above, except that the Chancellors, Deans or other University officials having charge of such buildings, facilities, or areas, may, without notice, extend closing hours, or when the safety of persons or property requires it, restrict such hours, until further notice.

It is unlawful for any person, except those assigned to work or authorized to be present during closed periods, to enter or remain in any University building, facility or area or portion thereof during closed periods fixed pursuant to this section. Any person violating this section shall be liable to a forfeiture of not more than one hundred dollars.

UW 1.07(19) In order to prevent activities which physically obstruct access to University functions or facilities and which prevent the University from carrying on its instructional, research, public service and administrative functions, and to preserve order which is necessary for the enjoyment of freedom by each and every member of the University community, the following conduct is prohibited and any person doing any of the following shall be liable to a forfeiture of not more than one hundred dollars:

1. Intentionally physically blocking entrances to and exits from offices, classrooms or other University facilities with intent to deny to others their right of ingress to, egress from or use of such offices, classrooms or other University facilities;
2. Intentionally physically denying to others ingress to or egress from, or the use of University offices, classrooms or other University facilities with intent to deny to others their right of ingress to, egress from or the use of such offices, classrooms or other University facilities;

3. Intentionally physically restraining others from ingress to or egress from, or from the use of University offices, classrooms or other University facilities with intent to deny to others their right of ingress to, egress from, or the use of such offices, classrooms or other University facilities.

The amendments to rules and the created rules contained herein shall take effect as provided in section 227.026(1), Wisconsin Statutes.
