CERTIFICATION

I, B. E. Gehrman, Highway Commission Secretary, do hereby certify the attached is a true and exact copy of an Order adopted and approved by the Commission on June 3, 1969.

B. E. Gehrman
Highway Commission Secretary

Dated at Madison, Wisconsin,

this 3rd day of June, 1969

ORDER OF THE STATE HIGHWAY COMMISSION
AMENDING RULES

Pursuant to authority vested in it by Sections 348.25, 348.26 and 348.27, Wisconsin Statutes, the Commission hereby repeals, amends, and adopts portions of Chapter Hy 30, Wisconsin Administrative Code, as follows:

Section Hy 30.01(3)(e)7 is amended as follows:

A load being transported under a permit may extend beyond the front or left fender line of the transporting vehicle or more than 6 inches beyond the right fender line of the transporting vehicle, provided that such overhang shall be reduced to the practicable minimum by suitable positioning of the load upon the vehicle subject to compliance with the requirements of subsection (3)(e)5. The wheels on one side of the transporting vehicle shall not carry more than 60% of the total gross load.

Section Hy 30.01(3)(e)16 is amended to read:

Permits shall not be valid during the hours of darkness nor during periods when adverse weather or road conditions such as fog, smoke, heavy rain, snow or ice, or the velocity of the wind impair the safety of a movement under the permit, nor during the period beginning at twelve noon on the day preceding and continuing until sunrise on the day following every Sunday and holiday as defined herein. Permits shall not be valid on Saturday morning from May 15 to September 15, inclusive, each year. Vehicles exceeding statutory size or weight limitations shall not be operated on the highway, whether loaded or empty, during those times when the permit is not valid.

- a. "Holiday" means January 1, May 30, July 4, December 25, the first Monday in September, and the fourth Thursday of November or the day appointed by the Governor as a day of public Thanksgiving each year.
- b. "Hours of darkness" are as defined in Section 340.01(23), Wis. Statutes.

Section Hy 30.01(3)(e)17 is amended to read:

A permit will not be issued for a vehicle and load exceeding 100 feet in overall length when the rear supporting axle or axles are at or near the rear of the load unless that rear support is steerable and steered.

Section Hy 30.01(3)(e)18 is amended to read:

A permit is valid only for the vehicle described upon the face of the application and permit, except that on single trip permits for certain types of towed vehicles such as office trailers, art galleries, and banks, and on mobile home single trip permits, the towing vehicle need not be specifically identified, but the application shall state that the towing unit meets the requirements of the condition which states that "the towing vehicle shall be a truck of not less than 1 1/2 tons manufacturer's rated capacity and shall be equipped with dual wheels on the drive axle."

✓ Section Hy 30.01(3)(e)13 is repealed.

Section Hy 30.01(3)(e)14 is renumbered as follows: Hy 30.01(3)(e)13.
