10.01 (4) (b) There shall be an additional open season for trapping muskrats concurrent with the beaver season and with no bag limit in the portions of the State open to beaver trapping as described in WCD 10.01 (4) (c).

Section 5. WCD 10.01 (4) (f) of the Wisconsin Administrative Code is repealed.

Section 6. WCD 10.115 (1) (5) and (6) of the Wisconsin Administrative Code are amended to read:

WCD 10.115 (1) The Natural Resources Board finds, pursuant to section 29.107, Wisconsin Statutes, that the population of deer is such that an additional harvest is reasonably necessary to manage the deer herd properly in the state in balance with the available range and natural food supply, and there shall be open seasons for deer hunting by deer hunting parties of not less than 4 persons, pursuant to section 29.107, Wisconsin Statutes, as established by Wisconsin Administrative Code section WCD 10.01 (3) (e) 1 and designated as quota areas.

(5) Except as provided otherwise, the Secretary of the Department of Natural Resources shall distribute for issuance 50 percent of the total available permits to the county clerk for each county within the quota area described under Wisconsin Administrative Code section WCD 10.01 (3) (e) 1. 75 percent of the available permits in that part of said quota area described as deer management unit Numbers 33, 59, 62, 63, 64, 65, 66, 67, 68, 70, 72, 80 and 81 will be distributed to the county clerk of each county within such area for issuance. The number allocated for each county clerk for issuance shall be determined by the Secretary of the Department of Natural Resources and will be the ratio of the land area of each county in the quota area to the total land area of the quota area. Such permits shall be issued on a first-come, first-served basis from the office of such county clerk to any member of the deer hunting party appearing in person beginning at 1:00 p.m. on the last Thursday in September. The county clerk shall return all permits not issued by him to the Secretary of the Department of Natural Resources when requested to do so.

(6) Permits shall be issued by the Department of Natural Resources to persons duly applying by mailed applications which must be postmarked no later than the third Friday of October. Validation of such mail applications will be made by random selection from all eligible applications received from each quota area.

Section 7. WCD 10.14 (4) of the Wisconsin Administrative Code is created to read:

WCD 10.14 (4) It shall be unlawful for any person to set, place, or operate except as a waterset any killer type trap of the conibear type that is larger than 7" x 7".

Section 8. WCD 10.15 (2) (a) and (c), (5), and (6) (a) of the Wisconsin Administrative Code are amended to read:

WCD 10.15 (2) (a) Deer of either sex and fox may be taken with smooth-bore, muzzle-loading muskets of not less than .45 caliber, rifled muzzle-loading muskets of not less than .40 caliber, and shotguns loaded with single slug or ball within the Horicon National Wildlife Refuge (except posted closed areas) on November 22 and 23, subject to provisions of this section.

(c) Permits must be applied for in person and will be issued at the Horicon Marsh Wildlife Area Headquarters commencing on November 1 on a first-come, first-served basis. Permits will be issued between 8:00 a.m. and 8:00 p.m. until 600 permits have been allotted. Only one permit per person may be obtained, and hunting licenses shall be marked to show a permit has been issued.

(5) Except as provided in subsections (2) (6) and (7), it shall be unlawful for any person to take, catch, kill, hunt, trap, or pursue any species of wild animal or bird at any time, or have in possession or under control any firearm unless the same is unloaded and enclosed within a carrying case or any bow and arrow unless the same is unstrung or enclosed in a carrying case, upon that area known as the Horicon National Wildlife Refuge. Nothing in this section shall prohibit, prevent, or interfere with the Bureau of Sport Fisheries and Wildlife, its deputies, agents, or employes in the destruction of unprotected wild animals as listed in Wisconsin Administrative Code Section WCD 10.04.

(6) (a) With the written approval of the Secretary of the Department of Natural Resources, an open season may be declared for trapping muskrat, mink and raccoon within the Horicon National Wildlife Refuge. Such permits for trapping shall be issued by the Bureau of Sport Fisheries and Wildlife, and shall be subject to all other rules covering hunting and trapping set forth in this chapter, except that the use of wet or dry sets, the number of traps, and the trapping of muskrats in or on muskrat houses or feeder houses, may be authorized by such permit.

Section 9. WCD 10.22 (2) of the Wisconsin Administrative Code is repealed and recreated to read:

WCD 10.22 (2) Daily hunting permits shall be issued to hunters at established check stations on a first-come, first-served basis as follows: for every day of the open season, on the day for which the permit is to be issued. Such permits shall be issued without charge for the purpose of conducting research on hunting methods and success. It shall be unlawful to hunt on such area without a permit. Permits shall be subject to the following limitation:

(a) Permits for hunting waterfowl and squirrels only shall be issued in 1969. Waterfowl hunting will be permitted only from the opening day of the general duck season through the Sunday preceding the start of the deer gun season with bag limits the same as those that apply in the remainder of Wood County. Squirrel hunting will be permitted only during the same period open for waterfowl hunting.

- (b) Daily hunting permits shall be limited to allow not more than 5 squirrel hunters per square mile of open hunting area at any one time. Daily hunting permits for waterfowl shall be limited to 102 or less depending on seasonal water conditions.
- (c) Permits shall be issued for and the permittee limited to hunting in a single designated hunting compartment.
- (d) Permits shall be issued only to persons possessing a valid Wisconsin hunting license.
- (e) All permits shall be valid only for the date issued and such permit or any other identification issued shall be turned in at a checking station upon leaving the area.
- (f) All game taken pursuant to this section shall be exhibited to the Department of Natural Resources or its agents at a checking station for examination, identification and marking before leaving the area.
- (g) Hunters waiting to apply for permits must form a single line. Each vehicle in the line may contain no more than 5 applicants and must be occupied at all times by all persons desiring to apply for permits that day.

Section 10. WCD 10.23 of the Wisconsin Administrative Code is repealed.

Section 11. WCD 10.24 of the Wisconsin Administrative Code is repealed and recreated to read:

WCD 10.24 (1) Deer management units are established as designated on the following map entitled "Deer Management Units" (revised 1969).

Section 12. WCD 10.27 of the Wisconsin Administrative Code is created to read:

WCD 10.27 Deer Hunting in State Parks. Open seasons for deer are established on state-owned lands in the following state parks as hereinafter set forth pursuant to section 29.57 (4), Wisconsin Statutes, in accordance with the open season established by WCD 10.01 (3) (e) in the respective season zone in which each such park is located, except for areas closed to deer hunting on Hartman Creek State Park, Mirror Lake State Park Recreation Area and Devil's Lake State Park.
