

Ag 10

STATE OF WISCONSIN            )  
  ) SS  
DEPARTMENT OF AGRICULTURE )

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETING:

I, Donald E. Wilkinson, Secretary of Agriculture, and custodian of the official records of the State of Wisconsin Department of Agriculture, do hereby certify that the annexed order repealing and recreating sections Ag 10.04 (1) and (2) of the rules relating to animal health, Wis. Adm. Code chapter Ag 10, was duly adopted by this department on July 1, 1971.

I further certify that said copy has been compared by me with the original on file in this department and that the same is a true copy thereof, and of the whole of such original.

IN WITNESS WHEREOF, I have hereunto set my hand at Madison, Wisconsin, this 1st day of July, 1971.

  
Secretary of Agriculture

Docket No. 943.

ORDER OF THE DEPARTMENT OF AGRICULTURE  
REPEALING AND RECREATING RULES

Pursuant to authority vested in the Department of Agriculture by sections 93.07 (1) and (10) and chapter 95, Wis. Stats., the Department of Agriculture repeals and recreates rules as follows:

Sections Ag 10.04 (1) and (2) of the Wisconsin administrative code are repealed and recreated to read:

Ag 10.04 Swine, import. (1) Health certificates; permits.

(a) No person shall import any swine into this state without first obtaining a permit from the department. Permits may be granted only for the importation of swine not known to be affected with or exposed to hog cholera or other contagious or infectious disease, and which are identified by an ear tag, or other permanent identification approved by the department, and accompanied by an interstate health certificate.

(b) Health certificates shall include thereon a report of official serum prophylaxis for hog cholera in all cases where serum treatment is required as a condition of entry under sub. (2). The report shall specify the kind of treatment administered as required under sub. (2) and the date of such treatment.

(c) Swine fed raw commercial garbage may not be imported into this state. Swine fed cooked commercial garbage may be imported into this state for slaughter only under a special permit from the department.

(2) Official serum prophylaxis; exemption. (a) Swine may be admitted on an official interstate health certificate only if not

known to be affected with or exposed to hog cholera or other contagious or infectious disease and if treated not more than 5 days prior to arrival at destination in this state with the minimum dosage of anti-hog cholera serum or antibody concentrate according to the following table:

<u>Weight</u>	<u>Anti-hog cholera serum minimum dose (c.c.)</u>	<u>Antibody concentrate minimum dose (c.c.)</u>
Suckling pigs . . . . .	20	10
Pigs 20 to 40 lbs. . . . .	30	15
Pigs 40 to 90 lbs. . . . .	35	17.5
Pigs 90 to 120 lbs. . . . .	45	22.5
Hogs 120 to 150 lbs. . . . .	55	27.5
Hogs 150 to 180 lbs. . . . .	65	32.5
Hogs 180 lbs. and over . . . . .	75	37.5

(b) Swine treated as required under paragraph (a) shall be identified by an orange-colored swine ear tag or other identification approved by the department.

(c) Serum treatment shall not be required for the importation of swine originating from states designated as phase III, phase IV or hog cholera free states by the federal bureau under the national hog cholera eradication program, except that the exemption for swine from phase III states shall be applicable only to swine moving directly from a farm in a phase III state to a farm in Wisconsin.

The rules contained herein shall take effect as provided in section 227.026, Wis. Stats.

Dated: July 1, 1971.

STATE OF WISCONSIN  
DEPARTMENT OF AGRICULTURE
