STATE OF WISCONSIN

DEPARTMENT OF PUBLIC INSTRUCTION

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETINGS:

I, William C. Kahl, State Superintendent of the State Department of Public Instruction, and custodian of the official records of the State Department of Public Instruction, do hereby certify that the annexed rules and amendments to rules, relating to apportionment of driver education aid and driver education classes and behind-the-wheel training, were duly approved and adopted by me on September 23, 1971.

I further certify that said copy has been compared by me with the original on file in the State Department of Public Instruction and that the same is a true copy thereof, and of the whole of such original.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the official seal of the department at Wisconsin Hall, 126 Langdon Street, in the city of Madison, this 23rd day of September, A.D. 1971.

ORDER OF THE DEPARTMENT OF PUBLIC INSTRUCTION

Adopting, Amending, or Repealing Rules

Pursuant to authority vested in the State Superintendent of Public Instruction by section 121.15, subsection 20.255 (1) (v) and Chapter 227, Wisconsin Statutes, he hereby repeals, amends, and adopts rules as follows:

PI 3.20 (7), intro par., is repealed and recreated to read:

PI 3.20 (7) DRIVER EDUCATION AID. Pursuant to section 121.15 and subsection 20.255 (1) (v), Wisconsin Statutes, the state superintendent of public instruction establishes a plan for the apportionment of financial aids to approved public high school programs.

PI 3.20 (7) (a), intro par., is repealed and recreated to read:

PI 3.20 (7) (a) Aids shall be paid to public school districts for eligible students as defined in paragraph 5 below, who are residents of Wisconsin and who, during the preceding year, successfully concluded a complete driver education course. As used herein, "successfully concluded" means that the student has participated in the minimum required number of hours of instruction in accordance with paragraph 1 below.

PI 3.20 (7) (a) 1., intro par., is repealed and recreated to read:

PI 3.20 (7) (a) 1. Such course shall include a minimum of 30 clock hours of instruction in the classroom course program and a minimum of 6 clock hours of observation instruction and 6 clock hours of actual behind-the-wheel instruction in the on-street driving program. Multiple-vehicle driving range instruction shall be approved according to a time ratio of 2:1 (2 clock hours is equivalent to one clock hour of on-street vehicle instruction). A maximum of 4 of the minimum 6 clock hours of on-street instruction can be substituted by this instructional method. Simulation instruction shall be approved with a time ratio of 4:1 (4 clock hours is equivalent to one clock hour of on-street vehicle instruction). A maximum of 3 of the minimum 6 clock hours of on-street vehicle instruction can be substituted by this laboratory instructional method. A minimum of 2 clock hours must be on-the-street driving when both simulation and range laboratory instruction is given in a program.

PI 3.20 (7) (a) 1. a. is repealed and recreated to read:

PI 3.20 (7) (a) 1. a. During the regular school year, the classroom course shall extend over a minimum of 6 weeks for each student. During a summer school program, the classroom course shall extend over a minimum of 3 weeks for each student.

PI 3.20 (7) (a) 1. b. is repealed and recreated to read:

PI 3.20 (7) (a) 1. b. The on-street vehicle laboratory driving shall extend over a minimum of 3 weeks for each student with no more than 60 minutes of actual behind-the-wheel driving instruction, exclusive of observation instruction per day.

PI 3.20 (7) (a) 1. c. is repealed and recreated to read:

PI 3.20 (7) (a) 1. c. The interval between completion of the classroom instruction and commencement of the on-street vehicle laboratory driving instruction should not exceed one school year. If the time interval is greater, a minimum 30 clock hour course of classroom instruction is required (must repeat).

PI 3.20 (7) (a) 2. is repealed and recreated to read:

PI 3.20 (7) (a) 2. High schools shall have their plans for teaching driver education approved by the state department of public instruction prior to beginning the course in the regular school year or in a summer school course. The plans shall be reported in a manner and using such Driver Education Program Approval forms as may be required to ascertain that the course meets at least the minimum standards. Changes to be made in a course by the local school district which has already been approved shall be re-submitted (amended) to the department of public instruction for approval.

PI 3.20 (7) (a) 3. is repealed and recreated to read:

PI 3.20 (7) (a) 3. The teacher of the classroom course, simulation laboratory, multiple-vehicle range and/or on-street vehicle laboratory driving shall possess a valid Wisconsin driver education certificate issued by the department of public instruction.

PI 3.20 (7) (a) 4. is repealed and recreated to read:

PI 3.20 (7) (a) 4. The maximum materials fee that may be charged for books, workbooks, and related materials in an approved course is \$5.

PI 3.20 (7) (a) 5. a. is repealed and recreated to read:

PI 3.20 (7) (a) 5. a. During the school year, students of high school age enrolled in a high school.

PI 3.20 (7) (a) 5. b. is repealed and recreated to read:

PI 3.20 (7) (a) 5. b. During a summer program, any person not over 19 years of age.

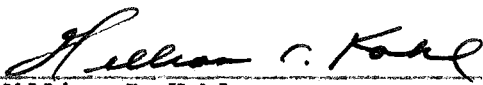

PI 3.20 (7) (a) 5. c. is created to read:

PI 3.20 (7) (a) 5. c. During a cooperative program between a public and a non-public high school in which the non-public high school offers either the classroom or laboratory phase of the total program and the public high school offers the other instructional phase of the total instructional program. The aids shall be paid to the public school district.

PI 3.20 (7) (a) 6., ~~intro=par=~~, is repealed and recreated to read:

PI 3.20 (7) (a) 6. School districts applying for this aid shall report annually the number of students successfully completing the complete driver education course and such other detailed information relative to the names and qualifications of teachers and expenditures for salaries, equipment, and supplies for the course as may be required on the Annual Report of School District.

Dated September 23, 1971.
