VE 2, 3

State of Wisconsin )

Veterinary Examining Board )

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETINGS:

I, John A. Wilson, Chairman of the Veterinary Examining Board, and custodian of the official records of said board, do hereby certify that the annexed amendments to rules and regulations, relating to the practice of Veterinary medicine, were duly approved and adopted by this board on October 14, 1971 .

I further certify that said copy has been compared by me with the original on file in this board and that the same is a true copy thereof, and of the whole of such original.

IN TESTIMONY WHEREOF, I have hereunto set my hand at Madison, Wisconsin, this 14th day of October A.D. 1971.

STATE OF WISCONSIN  
VETERINARY EXAMINING BOARD

By John A. Wilson  
Chairman

PURSUANT to authority vested in the Veterinary Examining Board by section 15.08(5), Wis. Stats., the Board hereby amends and adopts rules as follows:

VE 2.03 is amended to read:

VE 2.03 EDUCATIONAL QUALIFICATIONS. Applicants for license shall submit proof of graduation from a school of Veterinary Medicine. Schools in the United States and Canada, approved by the American Veterinary Medical Association are approved by the Board. Graduates of schools outside the United States and Canada are required to pass the E.C.F.V.G. test of the American Veterinary Medical Association as a pre-requisite to eligibility for examination; and to have the school from which the applicant is graduated furnish to the Board a copy of its curriculum in English. The curriculum must be equal to American Veterinary Medical Association standards; determination to be made by the Board. Temporary permits may be issued by the Board, but only to graduates of schools in the United States and Canada.

VE 2.04 is amended to read:

Application for license shall be made on forms prescribed by the Board and shall be accompanied by:

(1) The examination fee. After notification that the application has been accepted, failure to appear at the examinations shall render the applicant ineligible for examination except upon reapplication accompanied by additional fees.

(2) Scores of the National Board Examination, furnished by the Interstate Reporting Service. The National Board examination may be given by the Wisconsin Veterinary Examining Board to the applicants as a convenience on a cost basis.

(3) The fee for the original license.

VE 3.01 is renum. (1);

VE 3.01(2), (3) and (4) are created to read:

(2) A Veterinary Student - A person enrolled in a United States or Canadian Veterinary School.

(3) Para-Veterinary Medical Employee - An employee, other than a licensed veterinarian who may assist the veterinarian in his practice of veterinary medicine.

(4) Direct Supervision - A licensed veterinarian must order all work and assume full responsibility for all work performed by para-medical veterinarian assistants and students. Further, the veterinarian must be available to give direct, personal care to animal patients.

VE 3.02(8) is amended to read:

(8) Conviction of or cash compromise of a charge of violation of U.S. Public Law 91-513 (Controlled Substances Act of 1970) and/or parallel Wisconsin Statutes. The record of such a conviction or compromise is conclusive.

VE 3.02 (13), (14), (15), (16) are created to read:

(13) Failure of a licensee to notify the Board within 30 days from the date of employing a student who is enrolled in the professional veterinary curriculum of an approved United States or Canadian Veterinary College.

(14) Failure of a licensed veterinarian to give the veterinary student the required direct supervision.

(15) Permitting a para-veterinary medical employee to perform procedures not specified in VE 3.04.

(16) Failure to notify annually the Veterinary Examining Board of the number of para-veterinary medical employees granted duties enumerated in VE 3.04.

VE 3.04 is created to read:

VE 3.04 A para-veterinary medical employee may be employed to aid in:

(1) Obtaining and recording of information about cases, including the taking of body temperature.

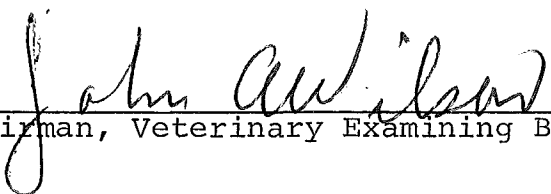

(2) Preparation of patients, instruments, equipment, and medicaments for surgery and performing clean-up procedures following surgery.

(3) Collecting of specimens and performing certain laboratory procedures.

(4) Assisting the veterinarian in diagnostic, medical, radiological and surgical procedures.

(5) Administer medicaments and biologicals, under direct supervision of the licensed veterinarian employer.

Dates this 14th day of October A.D. 1971.
