In most cases the tests will be administered through the student counseling center of the university of Wisconsin and whenever possible will be conducted under the direction of local high schools. In special cases other arrangements will be made. Tests will be returned to the university for scoring, and the results will be submitted to the department of public instruction. The fee to be charged should be determined by the local testing center.

**History:** Cr. Register, March, 1960, No. 51, eff. 4-1-60.

**PI 5.05 Certificate.** Applicants meeting all of the requirements may be issued a high school equivalency certificate. There will be no charge for the certificate, and it will be mailed directly to the applicant.

**History:** Cr. Register, March, 1960, No. 51, eff. 4-1-60.
