ORDER OF THE DEPARTMENT OF PUBLIC INSTRUCTION

Pursuant to authority vested in the State Superintendent of Public Instruction by section 43.03 and section 43.09, Wisconsin Statutes (Chapter 152, Laws of 1971), he hereby repeals, amends, and adopts rules as follows:

Chapter FLC 2, section 2.01 and section 2.02, of the WISCONSIN ADMINISTRATIVE CODE, volume 2, is repealed.

Emergency Rules PI 6.03 and PI 6.05 of the WISCONSIN ADMINISTRATIVE CODE are repealed.

Section 6.03 of the WISCONSIN ADMINISTRATIVE CODE is adopted to read:

PI 6.03 Public librarian certification.

(1) Any librarian employed in a public library system or any municipal public library, except in a city of the first class, supported in whole or in part by public funds, shall hold certification, as provided in subs. (3-7) below. Certificates already granted shall remain in effect.

(2) Applications for librarian certificates under this section shall be made in writing to the division, and with each application shall be paid a fee of \$1.00.

(3) The following minimum standards are established:

(a) Grade 1. Requiring a bachelor's degree from a college or university approved by an accrediting association of more than statewide standing, and in addition a fifth-year degree from a library school program accredited by the American Library Association, followed by not less than four (4) years of successful experience in a library of recognized standing. At least one (1) of these years shall have been in a public library.

(b) Grade 2. Requiring a bachelor's degree from a college or university approved by an accrediting association of more than statewide standing, appropriate course work in librarianship, and not less than two (2) years of successful experience in a library of recognized standing (one (1) year of which shall have been in a public library). Either of the following will meet the requirements for appropriate course work in librarianship:

1. the directed home-study course, A-50, Basic Library Management for Public Librarians, offered by University of Wisconsin Extension; or
2. at least eight (8) college or university credits in the subject areas of library administration, selection of materials, reference and cataloging and classification.

(c) Grade 3. Requiring high school graduation, appropriate course work in librarianship, and one (1) year's successful experience in a public library. The course work requirement may be fulfilled by either the directed home-study course, A-50, Basic Library Management for Public Librarians, offered by University of Wisconsin Extension, or by graduation from an approved two (2)-year library technical assistant training program.

(4) Whenever any applicant for a librarian certificate does not have the academic and library school training prescribed in sub. (3), the division may issue to said applicant a certificate of any grade if satisfied by examination or otherwise that the applicant has attainments substantially the equivalent of such prescribed education and training and that all other conditions are met.

(5) The division may issue to any person who has the required academic and library training qualifications, but lacks the required experience, a license to engage in library work for not to exceed one (1) year. If, at the end of the year for which the license is issued, the division is satisfied that the person has done successful library work during the year, it may renew the license from year to year for such additional time as is required to qualify for the library certificate required.

(6) The library board governing any public library system established under sections 43.17-43.21, Wis. Stats., shall not employ as head librarian any person who is not qualified to hold a first grade certificate. The library board or other governing body of any municipal public library in a county or a city of 8,000 population or over, except in a city of the first class, shall not employ to fill a vacancy or in a new position created as librarian in charge of such library any person not eligible for or holding a first grade certificate; and when such municipal public library is located in a county or a city of not less than 4,000 and not more than 8,000 population, the library board or other governing body shall not employ as such librarian to fill a vacancy or in a new position any person not eligible for or holding a second-grade certificate. (7) If the division is of the opinion that any such library board or other governing body is unable to secure a librarian who holds the requisite certificate, the division may grant to the library board a permit to employ a person without the required certificate for a period not exceeding one (1) year and such permit, in case of emergency, may be once renewed for a period of one (1) year.
