(1) Any librarian employed in a public library system or any municipal public library, except in a city of the first class, supported in whole or in part by public funds, shall hold certification, as provided in subsections (3) to (7) below. Certificates already granted shall remain in effect.

(2) Applications for librarian certificates under this section shall be made in writing to the division, and with each application for a grade 1 certificate, as provided in subsection (3) (a) below, shall be paid a fee of \$5, and with each application for a grade 2 and a grade 3 certificate, as provided in subsections (3) (b) and (3) (c) below, shall be paid a fee of \$3.

(3) The following minimum standards are established:

At least one of these years shall have been in a public library.

(b) *Grade 2.* Requiring a bachelor's degree from a college or university approved by an accrediting association of more than statewide standing, appropriate course work in librarianship, and not less than 2 years of successful experience in a library of recognized standing (one year of which shall have been in a public library). Either of the following will meet the requirements for appropriate course work in librarianship:

(5) The division may issue to any person who has the required academic and library training qualifications, but lacks the required experience, a license to engage in library work for not to exceed one year. If, at the end of the year for which the license is issued, the division is satisfied that the person has done successful library work during the year, it may renew the license from year to year for such additional time as is required to qualify for the library certificate required.

(6) The library board governing any public library system established under sections 43.17-43.21, Wis.
