ORDER OF THE
STATE ELECTIONS BOARD
ADOPTING RULES

Pursuant to the authority vested in the State Elections Board by section 227.014, Wis. Stats., the State Elections Board hereby adopts rules as follows:

Sections ElBd. 1.02 (1), (2) and (3), 1.04, 1.05, and 1.13 of the Wisconsin Administrative Code are adopted to read:

1.02 Multiple Candidacies. (1) Any candidate seeking election to an office other than that indicated on his registration statement or that of his personal campaign committee must file an amended registration statement with the appropriate filing officer or officers indicating such change. Financial disclosure reports filed subsequent to such change must be filed with the filing officer for the office designated on the amended registration statement.

(2) When a candidate is simultaneously seeking election to more than one office, he shall file duplicate consolidated registration statements indicating all offices sought and duplicate consolidated financial disclosure reports with the appropriate filing officers. The personal campaign committee of such a candidate is responsible for ensuring compliance with the contribution limitation applicable to each office sought.

(3) Regardless of the number of offices sought, a candidate may not have more than one committee, treasurer and campaign depository account.

1.04 Debt Retirement. Contributions received for the purpose of retiring debts incurred in a prior campaign should be counted against the contributor's contribution limit for said campaign. Contributions received in excess of the amount needed to retire such debt shall be counted against the contributor's contribution limits applicable to the next campaign on a first-in first-out basis with the contributions received first applied to debt retirement.

1.05 Reporting of Disbursements. Every withdrawal of funds except for internal transfers for investment purposes from the campaign depository account must be reported in accordance with secs. 11.06 and 11.20, Stats.

1.13 Spring Primary Reports. When no spring primary is held, all candidates in the spring election and all political committees supporting or opposing said candidates and all political groups supporting or opposing referenda to be voted on at the spring election must file pre and post primary reports in accordance with sec. 11.20 (3), Wis. Stats. This requirement, however, does not apply to registrants exempted from filing requirements under sec. 11.05 (2r), Wis. Stats.

The rules contained herein shall take effect on the first day of the month following their publication in the Wisconsin Administrative Register as prescribed in sec. 227.026 (1), Wis. Stats.
