ORDER OF
DEPARTMENT OF INDUSTRY, LABOR AND HUMAN RELATIONS

Pursuant to authority vested in the Department of Industry, Labor and Human Relations by sections 101.01 to 101.20, Wis. Stats., the Department of Industry, Labor and Human Relations hereby repeals and recreates and adopts the following rule of Wisconsin Administrative Code Chapters Ind 50-64--- Building and Heating, Ventilating and Air Conditioning Code.

The following rule shall become effective on the first day of the month following publication in the Wisconsin Administrative Code as provided in chapter 227, Wis. Stats.

Subsection Ind 51.02 (16) (b) to be repealed and recreated to read:

- (b) A building may exceed the requirements of (a) above, provided the designer can demonstrate additional innovative building or system designs that will achieve energy savings which equal the additional energy being used because the requirements of (a) are exceeded.

Note #1: The intent of the department is to develop data to implement a total connected energy budget concept as soon as possible. The department requests voluntary participation from designers in establishing realistic energy allotment values for the state of Wisconsin.

Note #2: Copies of the recommended code for the energy budget concept, as outlined in Appendix A of the Report of the Special Study Committee to Review Thermal Performance Standards, may be obtained from the Department of Industry, Labor and Human Relations, Division of Safety and Buildings, P. O. Box 7398, Madison, Wisconsin 53707.
