Pursuant to authority vested in the State of Wisconsin Natural Resources Board by sections 23.09, 29.085, 29.174 and 227.02, Wisconsin Statutes, the State of Wisconsin Natural Resources Board hereby amends and repeals and recreates rules as follows:

SECTION 1 - NR 16.02 (2) (d) is amended to read:

(d) Variation in fence construction other than specified shall be submitted to the department of natural resources and may be approved by the department if found to comply with the intent and purpose of these rules. In cases where pens are licensed in lieu of the fence requirement, all pens will meet the specifications for the particular species in NR 16.10(11) and all requirements of NR 16.10(10).

SECTION 2 - NR 16.02 (3) is repealed and recreated to read:

(3) Tagging hand-reared game. All mallard ducks possessed in captivity, without a permit, shall have been physically marked by at least one of the following methods prior to 6 weeks of age and all such ducks hatched, reared and retained in captivity thereafter shall be so marked prior to reaching 6 weeks of age.

(a) Removal of the hind toe from the right foot.

(b) Pinioning of a wing: Provided that this method shall be the removal of the metacarpal bones of one wing or a portion of the metacarpal bones which renders the bird permanently incapable of flight.

(c) Banding of one metatarsus with a seamless metal band.

(d) Tatooing of a readily discernible number or letter or combination thereof on the web of one foot.

(e) When so marked, such live birds may be disposed of to, or acquired from, any person and possessed and transferred in any number at any time or place: provided that all such birds shall be physically marked prior to sale or disposal regardless of whether or not they have attained 6 weeks of age.

The foregoing rules were approved and adopted by the Natural Resources Board on November 20, 1975.

The rules contained herein shall take effect upon publication.
