(2) Project priority. Projects shall be rated for priority for grants in descending order of the sum of the points (maximum possible points: 30). In case of a tie in the priority ranking, the project with final detailed approvable construction plans received at the earlier date shall be given the higher rating.

SECTION 2 - Section NR 125.11 (3) is renumbered to be section NR 125.11 (4).

SECTION 3 - Section NR 125.11 (3) is created to read:

(3) Grant offer condition. All grant offers made after July 1, 1976 are subject to the special condition that percentages of state grant involvement are conditional upon the availability of funds. Allocation and payments of available funds shall be determined by the order in which projects are placed under construction.

The foregoing rules were approved and adopted by the State of Wisconsin Natural Resources Board on June 17, 1976.

The rules contained herein shall take effect upon publication.
