(1) Counties may receive up to 100% reimbursement of monies spent on the enforcement of chapter 350, Wis. Stats.

(2) Claim forms shall be filed with the bureau of law enforcement, department of natural resources, on or before February 1 of the year following the year for which the claim is made. Claims are to be made for the calendar year immediately preceding the filing date.

(3) The following forms will be used in the snowmobile enforcement aid program:

(a) Form 8700-59 -- Notice of intent to patrol. In order to be eligible for the state aids, a snowmobile patrol must function as an enforcement unit and file an intent to patrol form with the department of natural resources

(b) Form 8700-89 -- Daily log. This form is to be used in compiling a summary of the snowmobile patrol's daily activities and expenses. It is not to be filed with the department, but is to be used for assembling information necessary to complete form 8700-90. This form must be kept on file by the snowmobile patrol to augment its records and must be available in chronological order for periodic checks by representatives of the department during normal business hours and at the time of the annual audit.

Claims which are received by the department after this date cannot and will not be processed for payment.
