ORDER OF THE PUBLIC SERVICE COMMISSION
AMENDING RULES

Pursuant to authority vested in the Public Service Commission of Wisconsin by sections 227.014, 196.745, and Ch. 196, Wis. Stats., the Public Service Commission hereby repeals, adopts, and amends rules as follows:

Section PSC 134.10(3), Wis. Adm. Code is amended to read:

- (3) (a) Each utility shall adopt and file with this Commission a policy for inspection of customer's appliances. The filed rule need not include the inspection and adjustment of special industrial equipment, which should be checked by persons more familiar with the equipment. The filed rule shall provide that customers having such equipment are to be notified.
- (b) Each gas utility shall establish an educational and inspection program designed to inform customers and assist the general public in the proper and efficient operation and maintenance of gas burning equipment. Such program shall advise customers to have heating equipment checked annually and offer energy saving suggestions to customers.
- (c) Whenever a gas utility is required to enter a customer's premises to re-establish service to relight appliances due to a non-emergency interruption of service, an inspection of the burner ignition and flame appearance shall be made on each appliance which is relit to check for safety and efficient operation. The utility will be prepared to advise the customer relative to the safety and efficiency of connected appliances.

The amendments to sec. PSC 135.09, Wis. Adm. Code created herein shall take effect on the first day of the month following their publication in the Wisconsin Administrative Register as provided in section 227.026(1), Wisconsin Statutes.

Dated at Madison, Wisconsin, December 30, 1976

By the Commission.
