

**Chapter Aer 2****DISPLAY OF REGISTRATION CERTIFICATE****Aer 2.01 Display of registration certificate**

**Aer 2.01 Display of registration certificate.** The certificate of registration for aircraft and the evidence of registration as provided for by section 114.20 (1), Wis. Stats., shall be displayed as follows:

(1) The certificate of registration being a prenumbered certification by the director of the commission, containing all the information necessary for registration by the commission, shall be carried at all times in said aircraft and made available for examination upon reasonable request.

(2) The evidence of registration shall be a decalcomania sticker showing the registration years and shall be affixed to the right side of the upper portion of the vertical stabilizer of the tail surface of said aircraft, where practical, or with the approval of the commission, to any other surface thereof.
