ORDER OF THE STATE OF WISCONSIN
DEPARTMENT OF AGRICULTURE, TRADE & CONSUMER PROTECTION
AMENDING AND ADOPTING RULES

Pursuant to the authority vested in the State of Wisconsin Department of Agriculture, Trade and Consumer Protection by sections 97.07(10) and 95.20, Wis. Stats., the State of Wisconsin Department of Agriculture, Trade and Consumer Protection hereby amends and adopts rules as follows:

1. Section Ag 10.04(1)(b)2 of the Wisconsin Administrative Code is amended to read:

Ag 10.04(1)(b)2 A statement that "to the best of my knowledge, pseudorabies vaccine has not been used and that transmissible gastroenteritis, pseudorabies or swine dysentery have not been diagnosed in the herd of origin in the past 60 days."

2. Section Ag 10.04(1)(b)5 of the Wisconsin Administrative Code is amended to read:

Ag 10.04(1)(b)5 A record of negative serum neutralization (SN), or other test approved by the department for pseudorabies conducted within 30 days of entry at a state or federal laboratory.

3. Section Ag 10.04(1)(d) of the Wisconsin Administrative Code is created to read:

Ag 10.04(1)(d) No person shall import any swine into this state which have been vaccinated for pseudorabies.

4. Section Ag 10.04(2) of the Wisconsin Administrative Code is amended to read:

Ag 10.04(2) QUARANTINE AND RETEST. All swine imported into this state shall be segregated and quarantined separate and apart from all other swine on the premises for a period of 30 days after arrival. A retest for pseudorabies shall be conducted, at the owner's expense, not less than 15 nor more than 30 days after arrival. The department may inspect all such swine and if evidence of hog cholera is disclosed, all infected and exposed swine shall be condemned and destroyed.

5. Section Ag 10.04(3)(a)(intro.) of the Wisconsin Administrative Code is amended to read:

Ag 10.04(3)(a) The provisions of subsections (1)(a), (b), and (d), and (2) shall not apply to healthy swine not infected or exposed to hog cholera provided:

6. Section Ag 10.04(3)(a)3 of the Wisconsin Administrative Code is repealed.

7. Section Ag 10.045 of the Wisconsin Administrative Code is created to read:

Ag 10.045 Swine pseudorabies; vaccination and vaccine control. (1) No person shall vaccinate swine for pseudorabies without first obtaining a permit from the department. Permits may be granted only to veterinarians licensed in this state and then only for the vaccination of swine in infected or high risk herds. Infected or high risk herds are herds which have been determined by the department to have been infected with or exposed to swine pseudorabies.

(2) No person shall sell, furnish, give away or supply any pseudorabies vaccine for use in this state unless:

(a) The label on the container thereof states the name and address of the manufacturer;

(b) The vendor reports to the department within 15 days of delivery, the name and address of the recipient, the date and amount of pseudorabies vaccine delivered; and

(c) Such vaccine is sold or delivered only to veterinarians licensed in this state and who are authorized under permit of the department to vaccinate swine for pseudorabies. Doses of vaccine supplied by the vendor shall be limited to the number of doses specified in the permit.

The rules contained herein shall take effect as provided in section 227.026, Wis. Stats.

Dated October 14, 1977.
