ORDER OF THE EMPLOYE TRUST FUNDS BOARD ADOPTING RULE

Pursuant to authority vested in the Employe Trust Funds Board by sections 15.05 (1) (b) and 42.78 (1) (a), Wis. Stats. and Chapter 280, Laws of 1975, and according to the procedures set forth in Chapter 227, Wis. Stats., the Board hereby adopts the following:

Section ETF 1.01 (4)(a) of the WISCONSIN ADMINISTRATIVE CODE is created to read:

(a) Creditable service under the Milwaukee Teachers Retirement Fund shall be granted after the effective date of this paragraph for teaching service performed for governmental agencies other than the city of Milwaukee pursuant to s. 42.70 (2) (s), 42.78 (1) (a), 42.81 and 42.91 only if:

1. The teacher was a member of the Milwaukee Teachers Retirement Fund on August 31, 1958, has not received a separation benefit since that date and the teaching service for which creditable service is requested was prior to September 1, 1958.

2. The member has 10 or more years of teaching service in the city of Milwaukee and the outside teaching credit granted, when added to the member's separate, combined and formula teaching service in the city of Milwaukee, does not exceed 35 years for benefit computation purposes.

a. If at the time of a benefit computation the total service exceeds 35 years, any payment made previously for outside teaching service which cannot be used shall be transferred to the additional contributions of such member.

3. The member applies in writing for such credit giving pertinent details on when, where and for whom such teaching service was performed.

4. Such service is verified by the school, successor school district or public retirement plan.

5. The applicable public retirement plan certifies to the fund that the member is not entitled to any benefit, absolute, contingent or otherwise, from such plan as a result of such service.

6. The member makes the contributions which would have been required if the service to be credited had been subject to s. 42.80 at the time the teacher became a member of the Milwaukee Teachers Retirement Fund, or if later, at the time the teacher returned to covered Milwaukee teaching after such period of outside teaching. The amount due shall be increased by the interest such contributions would have earned had they been paid at such time and had been transferred to the retirement deposit fund on September 1, 1959.
