(2) All stockholders of a service corporation registered to practice in Wisconsin must also be registered to practice as individuals.

(3) Service corporations registered to practice must be in compliance with section 180.99 Wis. Stats. This includes proper registration with the secretary of state and the register of deeds for the county in which the firm is located or has its principal office, and the filing of the required annual report.

(4) The corporate name of a service corporation cannot be misleading by including a designation such as "and Company" or "and Associates" when there is only one stockholder.

(2) Late registration fees shall be charged automatically and on an annual basis. For example, a practicing certified public accountant or public accountant who was required to register but did not register for a period covering 3 different years would be charged a late registration fee of \$20 for each of the 3 years, a total of \$60.

(3) Responsibility for timely registration is with the individual or firm practicing or holding out services and is not dependent on notification by the board. If not practicing or holding out services in any complete calendar year, or to the time of registration in the year, no late registration fee or penalty is applicable, as registration is not required.

(4) Penalties provided by section 442.11, Wis. Stats., may be applicable in addition to the provision of Accy 4.11.
