ORDER OF THE STATE OF WISCONSIN NATURAL RESOURCES BOARD

AMENDING RULES

.....  
 IN THE MATTER of amending section NR 26.17 .  
 of the Wisconsin Administrative Code .  
 pertaining to a fish refuge on the Rock . F-33-79  
 River .  
 .....

Analysis Prepared by Department of Natural Resources

From February 15 to and including April 15 there is a fish refuge on a portion of the Rock River below the Hustisford Dam, Dodge County. During recent years northern pike and walleye concentrate in the area throughout April leaving these fish susceptible to illegal snagging and spearing. To provide better fishery protection, the Department of Natural Resources proposes to extend the refuge period to, but not including, the first Saturday in May.

Pursuant to the authority vested in the State of Wisconsin Natural Resources Board by sections 23.09, 23.11, 227.014 and 227.02(1)(e), Wisconsin Statutes, the State of Wisconsin Natural Resources Board hereby amends rules as follows:

SECTION 1 - Section NR 26.17 is amended to read:

NR 26.17 Fish refuges. The following described areas are hereby created and established as fish refuges, and it shall be unlawful for any person to take, disturb, catch, capture, kill or fish for fish in any manner from February 15 to April 15 of each year to the date immediately preceding the opening date of the general fishing season, both dates inclusive in, on or along the following described water areas:

(14) Dodge county. (a) Rock river (Hustisford dam). That part of the Rock river beginning at the Hustisford dam, in the village of Hustisford, and extending downstream for a distance of 725 feet.

The foregoing rules were approved and adopted by the State of Wisconsin Natural Resources Board on May 24, 1979.

The rules contained herein shall take effect upon publication as provided  
in section 227.026, Stats.
