Department of Health and Social Services

ORDER OF THE DEPARTMENT OF HEALTH AND SOCIAL SERVICES
TO REPEAL AND RECREATE CHAPTER H 64, WISCONSIN ADMINISTRATIVE CODE

Chapter H 64, Wisconsin Administrative Code, relates to the examination and certification of soil testers.

Analysis prepared by the Department of Health and Social Services:

The changes in the chapter are being made for the primary purpose of achieving clarification of the rules as initially prepared. In addition the composition of the examining council is revised to include two citizen members; the need for the department representative not being a certified soil tester has been eliminated since such requirement is no longer appropriate; fee schedule has been revised; and enforcement and disciplinary actions recommended by department legal staff included. The proposed revised and recreated chapter has been submitted to the presiding officers of each house of the legislature.

NOTICE IS HEREBY GIVEN That pursuant to s. 145.045, Stats., and interpreting such section, and according to the procedure set forth in s. 227.02 (1) (e), Stats., the Department of Health and Social Services hereby adopts the following repealed and recreated administrative code chapter as follows:

Such notice and application shall be sent by the department by first class mail to the address given on the latest renewal application on file unless written notice of another address has been given. Code, are not postmarked by July 1 of the appropriate certification period, the certificate shall be revoked automatically. Within 24 months after revocation, the department shall reinstate a revoked certificate upon receipt of a completed certification renewal application and payment of the appropriate renewal fee under s H 64.05 (3), Wis.
