ORDER OF THE STATE OF WISCONSIN NATURAL RESOURCES BOARD

AMENDING, REPEALING AND RECREATING, AND CREATING RULES

.....  
 IN THE MATTER of amending s. NR 45.10(1); .  
 repealing and recreating s. NR 45.20; and .  
 creating s. NR 45.17(3)(z) of the Wisconsin . PR-24-81  
 Administrative Code pertaining to state .  
 parks and forests use regulations .  
 .....

Analysis Prepared by Department of Natural Resources

The proposed rules would provide for the use of horses to remove forest products from state parks and southern forests by permit, waive the admission sticker at the Potawatomi State Park ski hill during the winter and allow special events to be conducted by the State Historical Society on Department lands at historic sites operated by the Society.

The proposed rules are needed to help facilitate the management and operation of state parks and southern forests. The use of horses is presently restricted to marked trails in state parks and southern forests by rule. Private individuals have requested permission to use horses to remove fuelwood. The proposal would permit such use of horses by permit.

The Potawatomi ski hill is now operated by a private non-profit corporation under a long-term lease. Ski lift ticket prices will be adjusted to help compensate for the sticker waiver.

The State Historical Society has requested permission to hold special events that simulate historical activities on Department lands.
