STATE OF WISCONSIN)
) SS
DEPT. OF INDUSTRY,)
LABOR & HUMAN RELATIONS)

Revisor of Statutes
Bureau

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETINGS:

I, James J. Gosling, Secretary of the Department of Industry, Labor and Human Relations, and custodian of the official records of said department, do hereby certify that the annexed rule(s) relating to Fee Schedule were duly approved and adopted by this department on June 2, 1982.

I further certify that said copy has been compared by me with the original on file in this department and that the same is a true copy thereof, and of the whole of such original.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the official seal of the department at 4:00 p.m. in the city of Madison, this 2nd day of June A.D. 1982.

James J. Gosling
Secretary

ORDER OF ADOPTION

Pursuant to authority vested in the Department of Industry, Labor and Human Relations by section(s) noted below, Stats., the Department of Industry, Labor and Human Relations hereby creates; amends; repeals and recreates; and repeals and adopts rules of Wisconsin Administrative Code chapter(s):

Ind. 69 Fee Schedule
(Number) (Title)

The attached rules shall take effect on the first day of the month following publication in the Wisconsin Administrative Register, pursuant to section 227.026, Stats.

Adopted at Madison, Wisconsin, this 2nd
day of June, A.D., 1982.

DEPARTMENT OF INDUSTRY, LABOR AND HUMAN RELATIONS

James J. Goshen
Secretary

Authority sections: ss. 101.12 (5) (d), 101.19, 101.63 (9), 101.73 (12), 101.82 (4), 101.94 (6), 145.02 (3) (g), 145.08, 145.19 and 168.12

RULES in FINAL DRAFT FORM

Rule: W.A.C. Chapter Ind 69
Relating to: Fee Schedule

Administrative rules to repeal and recreate ss. Ind 69.001 through 69.06, 69.08 through 69.17, Ind 69.19 (1) and (2), Ind 69.20 through 69.21; H62.25 (3), H63.08 (3) and H65.08; and create ss. Ind 69.22, and Ind 69.23, relating to fees.

ANALYSIS OF PROPOSED RULES

Sections 101.12 (5) (d), 101.19, 101.63 (9), 101.73 (12), 101.82 (4), 101.94 (6), 145.02 (3) (g), 145.08, 145.19 and 168.12, Stats., grant the authority for the Division of Safety and Buildings to fix and collect fees that as closely as possible will equal the cost of providing its services. All of the fees in chapter Ind 69 have been increased for the rate of inflation of 8% for fiscal year 1981 and 8% for fiscal year 1982, plus a 7% increase to cover the administrative overhead costs charged to the division. The division has received a \$375,000 loan from the Joint Finance Committee. The fees comprising the division's PR 121 fund have been increased by an additional 8.1% in order to repay this loan by June 30, 1983.

The proposed rules also include new sections to cover the fees collected by the Plumbing Bureau for chapters H62, H63 and H65. The fees in these sections have been increased to offset administrative overhead costs.

Pursuant to the authority vested in the state of Wisconsin's Department of Industry, Labor and Human Relations by ss. 101.12 (5) (d), 101.19, 101.94 (6), 101.73 (12), 101.63 (9), 101.82 (4), 145.02 (3) (g), 145.08, 145.19 and 168.12, Stats., the department proposes to repeal and recreate rules interpreting ss. 101.12 (5) (d), 101.19, 101.94 (6), 101.73 (12), 101.63 (9), 101.82 (4), 145.02 (3) (g), 145.08, 145.19 and 168.12, Stats., as follows:

SECTION 1. Repeal and recreate ss. Ind 69.001 through 69.06, 69.08 through 69.17, 69.19 (1) and (2), 69.20 through 69.21.

Ind 69.001 SCOPE. The fees established in the following sections of this chapter shall be paid to the department of industry, labor and human relations for providing those services authorized in the Wisconsin Statutes.

Note: All checks or money orders are to be made payable to Wisconsin Department of Industry, Labor and Human Relations.

Ind 69.002 SAVING AND SEVERABLE CLAUSES. If, for any reason, any one or more sections, sentences, clauses or parts of this chapter are held invalid, such invalidity shall not affect, impair or invalidate the remaining provisions.

Ind 69.01 FEE ADJUSTMENT. (1) The fees, as specified in this chapter, shall be charged from the effective date of this chapter through June 30, 1983.

(2) Effective July 1, 1983, and thereafter, the fees specified in this chapter shall be adjusted by the same percentage amounts, and on the same effective dates, as changes occur in the payrate of employes of the state of Wisconsin.

Ind 69.02 HANDLING, COPYING AND MISCELLANEOUS FEES. (1) HANDLING FEES. The department may charge a \$13.00 handling fee to offset administrative costs.

(2) PHOTOCOPYING FEES. A photocopying fee of \$.15 per page may be charged.

(3) PLAN REPRODUCTIONS FEES. A fee of \$5.00 per sheet will be charged for plan reproduction.

(4) MICROFILM FEES. Microfilm prints of approved plans for the years 1967-1972 are available at the cost of reproduction.

Ind 69.03 BOILERS, PRESSURE VESSELS AND WISCONSIN SPECIAL VESSELS. (1) BOILER INSPECTION FEES. Inspection fees for boilers shall be determined in accordance with Table 69.03-1.

Table 69.03-1

Type of Boiler	Heating Surface Area (S.F.)	Type of Inspection	
		Internal	External
Miniature	0 - 20	\$ 11.00	\$ 11.00
Power	21 - 250	\$ 27.00	\$ 27.00
	251 - 1000	\$ 65.00	\$ 43.00
	1001 - 10,000	\$ 92.00	\$ 65.00
	Over 10,000	\$238.00	\$108.00
Heating - With Manhole - Without Manhole - Multiple Boilers at one location	N/A	\$ 54.00	\$ 38.00
		\$ 49.00	\$ 38.00
		Not more than \$108.00	

(2) PRESSURE VESSEL FEES. Inspection fees for pressure vessels shall be determined in accordance with Table 69.03-2.

Table 69.03-2

Volume of Pressure Vessels (Cubic Ft.)	Operating Pressure (psig)	Type of Inspection	
		Internal	External
All sizes	Less than 15	No Fee	No Fee
1 thru 11	15 or more	No Fee	No Fee
12 thru 200	15 or more	\$ 38.00	\$ 38.00
201 thru 500	15 or more	\$ 54.00	\$ 54.00
Over 500	15 or more	\$ 65.00	\$ 65.00

(3) WISCONSIN SPECIAL VESSEL PLAN EXAMINATION. Plan examination fees for Wisconsin special vessels shall be determined in accordance with Table 69.03-3.

Table 69.03-3

Volume in cubic feet	Fee per vessel
1 thru 25	\$ 27.00
26 thru 50	\$ 43.00
Over 50	\$ 54.00

(4) REINSPECTION FEE. A fee of \$27.00 shall be assessed for inspections made by the department to gain compliance with the rules of chs. Ind 41-42, Wis. Adm. Code, after orders have been issued by the department.

(5) REGISTRATION FEE. The installing contractor of a new or secondhand boiler or pressure vessel shall register the installation with the department before the equipment is placed in operation. The registration fee shall be \$16.00.

(6) POWER PIPING REGISTRATION FEE. The installing contractor shall register the power piping installation with the department and pay a fee of \$11.00 before the system is placed in operation.

(7) ALTERATION AND REPAIR FEES. An owner, manufacturer or contractor reporting alteration or repair to a boiler or pressure vessel, as required by the provisions of ch. Ind 42, Wis. Adm. Code, shall pay a fee of \$16.00 with each alteration or repair report.

(8) CERTIFICATE OF OPERATION. The certificate of operation fee shall be determined in accordance with Table 69.03-4.

Table 69.03-4

Inspection Performed By	Fee Per Certificate
Authorized inspector employed by the department	\$16.00
Certified inspector employed by an insurance company or agency	\$16.00

(9) FEE FOR FAILURE TO HAVE BOILER OR PRESSURE VESSEL READY FOR INSPECTION. The owner shall pay a fee equal to 50% of the applicable inspection fee for failure to have the boiler or pressure vessel ready for inspection on the date specified unless the owner notifies the department, in writing, 7 days prior to the specified inspection date.

Ind 69.035 WELDER CERTIFICATION FEE. Persons desiring to be certified as a structural welder shall submit with the proper form a fee of \$22.00.

Ind 69.04 MECHANICAL REFRIGERATION SYSTEMS. (1) INSPECTION FEES. The inspection fees, based on the aggregate tonnage of the mechanical refrigeration system, shall be determined in accordance with Table 69.04.

Table 69.04

Capacity in Tons	Inspection Fee
Less than 3	No fee
3 thru 25	\$ 22.00
26 thru 100	\$ 38.00
101 thru 250	\$ 49.00
251 thru 500	\$ 81.00
501 thru 750	\$108.00
751 thru 1000	\$130.00
Over 1000	\$151.00

Note: For the purpose of assessing the inspection fee, the capacity of a mechanical refrigeration system will be determined in tons. One ton of refrigeration capacity is considered to be the equivalent of abstracting heat at the rate of 12,000 Btu per hour.

(2) CERTIFICATE OF OPERATION. The department shall issue a certificate of operation upon receipt of a \$16.00 fee for each mechanical refrigeration system and the inspection report indicating the equipment satisfies the minimum operating standards specified in ch. Ind 45, Wis. Adm. Code.

(3) REGISTRATION FEE. The installing contractor of a mechanical refrigeration system shall register the equipment with the department before the equipment is put in operation. The registration fee shall be \$16.00.

Ind 69.05 ANHYDROUS AMMONIA SYSTEMS. (1) PLAN EXAMINATION FEE. The owner or user shall submit a fee of \$54.00 for plan examination of each new anhydrous ammonia handling or storage facility.

(2) INSPECTION FEE. A fee of \$54.00 for the external inspection of each new anhydrous ammonia tank and system shall be submitted at the time of plan approval. Anhydrous ammonia systems shall not be put into operation until the inspection has been conducted by the department.

Ind 69.06 ELEVATORS, POWER DUMBWAITERS, ESCALATORS, MOVING WALKS AND RAMPS, PERSONNEL HOISTS, LIFTS FOR THE PHYSICALLY DISABLED AND MATERIAL LIFTS.

(1) PLAN EXAMINATION AND APPLICATION FEES. Fees for the examination of plans or application or both submitted in accordance with the requirements of ch. Ind 4, Wis. Adm. Code, shall be determined at the rate of 1% of the cost to the purchaser, excluding building construction. The minimum fee shall be \$35.00.

(2) INSPECTION FEES. Inspection fees for new installations, periodic inspections, and reinspections shall be determined in accordance with Table 69.06-1.

Table 69.06-1

TYPE OF INSPECTION	FEE
Initial Inspection of New Installation	
Class 1, 2, 3, 6 and 7 (4 landings or less)	\$70.00
Each additional landing	\$ 5.00
Each unit with phase I emergency recall operation . . .	\$38.00
Class 2A and 5	\$38.00
Class 4 and 8 (see fees for special inspections specified in s. Ind 69.14.)	
Reinspections of New Installations to Determine Compliance	
Class 1, 2, 3, 4, 6, 7 and 8	\$38.00
Class 2A and 5	\$22.00
Periodic Inspection	
Class 1, 2, 3, 6 and 7 (4 landings or less)	\$27.00
Each additional landing	\$ 5.00
Class 2A and 5	\$22.00
Class 4 and 8 (see fees for special inspections specified in s. Ind 69.14.)	
Reinspection of Periodic Inspections to Determine Compliance	\$22.00

Note #1: The following is an identification of the various classes used in Table 69.06-1.

- Class 1 - Freight elevators (single belt, double belt and cable controlled elevators) sidewalk elevators, sidewalk type elevators and grade level elevators;
- Class 2 - Passenger and all other freight elevators not in Class 1;
- Class 2A - Lifting devices used by the physically disabled;
- Class 3 - Material lifts;
- Class 4 - Personnel hoists;
- Class 5 - Hand power elevators;
- Class 6 - Dumbwaiters (power);
- Class 7 - Escalators, moving walks and moving ramps per unit. A single section having a travel of one floor defines an escalator unit;
- Class 8 - Special purpose personnel elevators.

Note #2: Any elevator or dumbwaiter classification may be identified by number of landings. Example: A 6-landing passenger elevator would be classified as class 2-6.

(3) CERTIFICATE OF OPERATION. The certificate fee shall be determined in accordance with Table 69.06-2.

Table 69.06-2

Inspection Performed by	Fee per Certificate
Authorized inspector employed by the department	\$16.00
Certified inspector employed by an insurance company or agency	\$22.00

Ind 69.08 CERTIFICATES OF COMPETENCY AND INSURANCE COMPANY ASSESSMENTS.

(1) CERTIFICATES OF COMPETENCY. Insurance company employes eligible to be examined for competency as a boiler or elevator inspector shall submit with the proper application form, an examination fee of \$70.00.

(a) Boiler inspectors receiving a reciprocal certificate of competency by qualifying as a member of the National Board of Boiler and Pressure Vessel Inspectors shall submit with their application form a fee of \$54.00.

(b) An applicant who fails the scheduled examination need not submit an additional examination fee when the application for reexamination is filed within 12 months from the date of the previous examination.

(c) The annual renewal fee for certificates of competency is \$27.00.

(2) INSURANCE COMPANY INSPECTION ASSESSMENTS. The department may inspect any installation which is also inspected by a certified inspector employed by an insurance company or agency. When the department inspection confirms that the insurance inspection report is incomplete, invalid or unacceptable, the department will assess the insurance company or agency a fee in accordance with s. Ind 69.03 or Ind 69.06 (2).

Ind 69.09 BUILDINGS, STRUCTURES, HEATING AND VENTILATING. (1) PLAN EXAMINATION. Fees for the examination and approval of all plans submitted in accordance with the requirements of chs. Ind 50 to 64, Wis. Adm. Code, shall be determined in accordance with the following:

(a) Building, Heating and Ventilating. Fees for the examination and approval of all building and heating and ventilating plans shall be computed on the basis of the total volume of the building and shall be determined in accordance with Table 69.09-1.

Note: See s. Ind 51.01 (139a) for the definition of the term "Volume".

Table 69.09-1

Total Volume	Building Plans	Heat & Vent Plans	Illumination Plans
0-1,000,000 cubic feet	\$1.08 per 1000 cubic feet Minimum fee - \$70.00 per plan	\$0.81 per 1000 cubic feet Minimum fee - \$70.00 per plan	\$16.00 when submitted with building or heating and ventilating plans
Over 1,000,000 cubic feet	\$1,081 plus \$.81 per 1000 cubic feet in excess of 1,000,000 cubic feet	\$811.00 plus \$.49 per 1000 cubic feet in excess of 1,000,000 cubic feet	\$49.00 when submitted separate

1. Exceptions. a. Warehouses. The fees for plan examination and approval of warehouses shall be determined in accordance with par. (a) (intro.) except that the fee may be reduced by 30%. The minimum fee shall be \$70.00.

b. Replacement of heating equipment. The fee for the approval of the replacement of a furnace in an existing heating system with no alterations to the heating system shall be \$27.00. See s. Ind 69.03 (5) for registration fee for boilers and pressure vessels.

(b) Permit to Start Construction. The fee for a permit to start construction shall be \$81.00 per permit

(c) Building Alterations. The examination fees for alteration plans of existing buildings and structures undergoing remodeling shall be computed on the basis of 2 cents per gross square foot of the floor areas, roof areas and external wall surfaces undergoing remodeling. The minimum fee shall be \$70.00.

1. The fee specified in par. (c) (intro.) shall be based on the actual gross square footage of the area being remodeled. When the remodeling of an individual building element affects the compliance of the code for the entire area, the examination fee shall be computed on the basis of the total square footage of the affected area.

2. Where the total plan examination fee calculated under par. (c) (intro.) exceeds that determined under par. (a), the examination fee may be determined under the requirements specified in par. (a).

3. Where heating, ventilating and air conditioning alterations are submitted with the building alteration plans, no separate examination fee shall be required for the heating, ventilating and air conditioning plan remodeling.

4. Where heating, ventilating and air conditioning alteration plans are submitted separately from the building alteration plans, the examination fees shall be computed on the basis of \$3.24 per \$1,000 cost of the alteration. The minimum fee shall be \$70.00.

(d) Revisions. The fee for revisions to previously examined plans is \$65.00 per plan. This paragraph applies when plans are revised for reasons other than those that were requested by the department.

(e) Footing and Foundation Plans. The fee for a footing and foundation plan submitted separately is \$108.00 per plan.

(f) Structural Plans. The fees for the examination and approval of structural plans shall be determined in accordance with Table 69.09-2. Trusses, pre-cast concrete, laminated wood beams, and other structural elements, when submitted separately and not included with general building plans, shall comply with this paragraph.

TABLE 69.09-2

Number of Buildings	One Structural Element	Two or More Individual Structural Elements
One Building	\$32.00	\$49.00
Two or More Buildings/Same Site/Submitted Simultaneously	\$49.00	\$59.00

(g) Fire Escapes. The fee for fire escapes is \$49.00 per plan.

(h) Stadia, Grandstands and Bleachers. The fee for stadia, grandstands and bleachers is \$19.00 per 1000 seats or fraction of 1000 seats, with a minimum fee of \$49.00.

(i) Industrial Exhaust Systems for Dusts, Fumes, Vapors and Gases (Government Owned Only). The fee for industrial exhaust systems for dusts, fumes, vapors and gases is \$49.00 per plan.

(j) Spray Booth Plans (Government Owned Only). The fee for spray booth plans is \$49.00 per plan.

(k) Miscellaneous Plans. The fee for miscellaneous plans such as canopies, a building's structure for "fast track" construction, and approval requests for structures cited in s. Ind 50.12 (1) (a) 1., Wis. Adm. Code, is \$70.00 per plan.

(2) MATERIAL APPROVALS. The fee for approval numbers issued by the department for the approval of materials, equipment and devices, shall be determined in accordance with Table 69.09-3.

Table 69.09-3

TYPE OF APPROVAL	FEE PER APPROVAL
(a) New approval	\$540.00
(b) Renewal of approval	\$270.00

(3) INSPECTION FEES. Field inspection fees shall be submitted for each building or structure in accordance with the following schedules:

(a) General Building, Heating and Ventilating Inspection Fees. When plans for the building and the heating and ventilating system are submitted together, inspection fees shall be determined in accordance with Table 69.09-4.

Table 69.09-4

New building construction (cubic feet)	FEE
Up to 25,000	\$ 70.00
25,001 to 50,000	\$103.00
50,001 to 100,000	\$151.00
100,001 to 500,000	\$189.00
500,001 to 1,000,000	\$238.00
1,000,001 to 2,000,000	\$341.00*
2,000,001 to 4,000,000	\$540.00*
Over 4,000,000	\$811.00*

*Building with no interior partitions (e.g., factory, warehouse) maximum \$341.00.

(b) Heating and Ventilating Inspection Fees. The heating and ventilating inspection fee, when plans are submitted separately from building plans, is \$70.00

(c) Inspection Fees for Alterations to Existing Buildings. Inspection fees for alterations to existing buildings shall be determined in accordance with Table 69.09-5.

Table 69.09-5

ALTERATION (Gross Area in Sq. Ft.)	FEE
0 to 2,500	\$65.00
2,501 to 5,000	\$97.00
5,001 to 10,000	\$141.00
10,001 to 50,000	\$178.00
50,001 to 100,000	\$222.00
100,001 to 200,000	\$324.00*
200,001 to 400,000	\$503.00*
over 400,000	\$757.00*

*Building with no interior partitions (e.g., factory, warehouse) maximum \$324.00.

(d) Miscellaneous Inspection Fees. The fee for miscellaneous inspections, such as inspections for fire escapes, stadia and grandstands, exhaust systems, spray booths, heating and ventilating alterations, revisions to previously examined plans and other structures for which plan submission is required shall be \$70.00.

(4) MANUFACTURED MULTI-FAMILY DWELLING FEES. (a) Approvals and Inspections. Fees related to plan examination, in-plant and field inspections, Wisconsin insignias, and materials approval shall be determined in accordance with Table 69.09-6.

Table 69.09-6

In-plant inspections by department . .	\$22.00 per hour plus travel expenses
Materials approval	\$540.00 per model

(b) Inspection Certification. Fees related to inspection certification shall be determined in accordance with Table 69.09-7.

Table 69.09-7

TYPE OF INSPECTION	FEE
Independent inspection	
- Initial examination	\$38.00
- Training course and examination	\$103.00
- Annual recertification	\$103.00
- Third party certification	\$135.00 initially \$135.00 annually, thereafter. No charge, if pre- viously certified by the department
Inspections done by municipalities (as a third party inspector)	\$135.00 initially \$135.00 annually, thereafter. No charge, if pre- viously certified by the department

(5) COLLECTION OF FEES. All fees shall be remitted at the time the plans are submitted. No plan examinations, approvals or inspections will be made until the fees are received.

(6) PRIORITY PLAN REVIEW. An appointment may be made with the department to facilitate the examination of plans in less than the normal processing time. The plans shall comply with the provisions of s. Ind 50.12, Wis. Adm. Code. The fee for this type of plan examination shall be determined at twice the normal rate, based on the appropriate category of plan specified under this section.

(7) INSPECTION AND COPYING OF PLANS AND SPECIFICATIONS. The department shall allow inspection and copying of all plans, specifications and related materials filed with the department, except as follows:

(a) The department may restrict on a case by case basis, the right of inspection or copying of plans, specifications and related materials where the possible harm to the public interest outweighs the benefits of inspection or copying. The department will restrict inspection or copying of plans, specifications and related materials for the following types of buildings:

1. Banks, savings and loans, credit unions, securities dealers and other types or parts of buildings where large sums of money, negotiable securities or valuables are stored in secured areas;
2. Jails and other correctional institutions;
3. Public facilities regularly used for the storage or evaluation of evidence in criminal proceedings;
4. Armories;
5. Public broadcasting facilities;
6. Power generating facilities; and
7. Museums and libraries.

(b) The department shall allow inspection or copying of plans, specifications and related materials of all buildings in response to lawful subpoena, or in response to written requests from law enforcement agencies.

(c) Prior to any inspection or copying of plans, specifications and related materials, a written, signed application shall be obtained from the person requesting the inspection or copying. The application shall contain a general description of the premises for which inspection or copying is requested and the full name and address of the requester. The written request shall contain a statement that any information obtained from the inspection or copying shall not be used for any unlawful purpose or unfair competitive practice, and that the information set out therein is true and correct. The department will consider the information supplied in the request in conjunction with the type of buildings noted in par. (a) in determining whether the request for inspection or copying shall be granted. The department shall promptly transmit a copy of this statement to the owner and submitter of the documents being inspected or copied.

(c) The department may charge a reasonable amount to defray its costs in providing copies.

Ind 69.10 STORAGE TANKS: FLAMMABLE AND COMBUSTIBLE LIQUIDS, LIQUEFIED PETROLEUM GAS AND LIQUEFIED NATURAL GAS. Fees for the examination of plans and site inspections for tanks used for the storage of flammable and combustible liquids, liquefied petroleum gas and liquefied natural gas shall be determined in accordance with Table 69.10.

Table 69.10

TYPE OF EXAMINATION OR INSPECTION	FEE
FLAMMABLE LIQUID TANKS OR COMBUSTIBLE LIQUID TANKS OR BOTH.	
Under 5,000 gallons	(no <u>State</u> examination or inspection fee required; local Fire Department approval required)
5,000 to 100,000 gallons	
Plan examination fee	\$32.00 per tank
Site inspection fee	\$43.00 per tank
Over 100,000 gallons	
Plan examination fee	\$43.00 per tank

Fiber and wire rope tows	\$ 81.00

Note: Surface tows include T-bar, platter, and similar devices.

(3) LOAD TEST FEE. The fee for certifying a load test shall be \$135.00.

(4) CERTIFICATE OF OPERATION. The department shall issue a certificate of operation upon receipt of a \$16.00 fee for each device and the inspection report indicating the device satisfies the minimum operating standards specified in ch. Ind 46, Wis. Adm. Code.

Ind 69.14 SPECIAL INSPECTIONS. (1) FEES. For department costs incurred in the performance of special inspections, an additional amount will be charged to cover expenses, including travel time, mileage, meals and lodging. Travel expenses, however, will be limited to those allowed under department employe travel regulations. Fees for special inspections for alterations, fabrication, repairs, testing and quality assurance methods that are provided on request shall be determined in accordance with Table 69.14.

Table 69.14

Individual Special Inspections	Fee Per Hour Per Inspector
(a) Inspections performed between the hours of 7:45 a.m. and 4:30 p.m. on weekdays Monday through Friday	\$32.00
(b) Inspections performed on Saturdays, Sundays, holidays and at times other than scheduled in (a)	\$49.00
(c) For supervising the American Society of Mechanical Engineers joint review and audit and for conducting shop audits, Monday through Friday	\$43.00

(2) MINIMUM CHARGE. In reference to Table 69.14 (a) and (b), a minimum charge of 4 hours will be assessed for all special inspections required during fabrication and testing of ASME code items.

Ind 69.15 PETITIONS FOR MODIFICATION. Except as provided in s. Ind 69.23 (1) (e) and (2) (c), the department shall consider and may grant modification to an administrative rule upon receipt of a fee of \$270.00, a completed petition for modification form from the owner, and a position statement from the fire department, where applicable, provided an equivalency is established in the petition for modification which meets the intent of the rule being petitioned. A refund may be returned for petitions where the department's actual cost is less than the fee specified. For complex petitions for modification which require more than 10 hours to review and process, an additional fee may be charged at the rate of \$27.00 per hour for each hour in excess of 10 hours.

Ind 69.16 MINES, PITS AND QUARRIES. (1) NOTIFICATION. The operator, meaning a person or firm operating the crushing, screening or washing equipment, shall submit with the fee, the name of the mine, pit or quarry; the name of the operator or company; the mailing address; and the type of product to be mined (ore, stone, clay, lime or aggregate).

(2) ANNUAL SAFETY INSPECTION SERVICE. The annual safety inspection service fee for each metal or nonmetal mine, pit or quarry shall be based on the size of the respective operation for the calendar year. Production records shall be made available upon request. The fee shall be determined in accordance with Table 69.16-1.

Table 69.16-1

Annual Production (Tons Per Year)	Annual Safety Inspection Fee
0-5,000	No fee
5,001 - 50,000	\$ 70.00
50,001 - 100,000	\$135.00
100,001 - 200,000	\$270.00
200,001 - 300,000	\$405.00
300,001 - 400,000	\$540.00
400,001 - 500,000	\$676.00
Over 500,000	\$1081.00

Note: This fee does not apply to mines, pits or quarries used for private domestic use.

(3) SHAFT MINE DEVELOPMENT. (a) The fee for obtaining a shaft excavation permit shall be \$270.00.

(b) The fee for inspections or monitoring visits or both required by s. 101.15 (2) (f), Wis. Stats., shall be \$22.00 per hour per inspector.

(c) The fee for special inspections provided on request shall be in accordance with Table 69.16-2.

Table 69.16-2

Individual Special Inspections	Fee Per Hour Per Inspection
1. Inspections performed between the hours of 7:45 a.m. and 4:30 p.m. on weekdays Monday through Friday	\$22.00
2. Inspections performed on Saturdays, Sundays, holidays and at times other than scheduled in 1.	\$32.00

(4) DRILL RIG INSPECTIONS. The fee for conducting a safety inspection of a drill rig and associated equipment for exploration drilling shall be \$54.00.

Ind 69.17 BLASTERS AND EXPLOSIVES. (1) BLASTERS. Persons eligible to be examined to receive a blaster's certificate shall submit, with the proper application form, fees in accordance with Table 69.17-1.

Table 69.17-1

EXAMINATION OR CERTIFICATE	FEE
Blaster's examination	\$16.00
Blaster's certificate	\$54.00
Renewal fee for a blaster's certificate	\$54.00

(2) INSPECTIONS OF EXPLOSIVES. (a) Use of Explosives. Fees for conducting a safety inspection of the use of explosives will be assessed at \$54.00 per inspection. Use of explosives shall include the storage of daily supplies.

(b) Permanent Storage. Fees for conducting a safety inspection of a permanent explosive storage facility shall be determined in accordance with Table 69.17-2. The fees are based on the combined volume of one or more magazines at any given site.

Table 69.17-2

QUANTITY OF EXPLOSIVES	FEE
Storage Per Site	
Less than 100 cubic feet	\$ 54.00
100 - 500 cubic feet	\$ 81.00
500 cubic feet and greater	\$108.00

Note: This inspection fee is intended for blasters and explosive contractors working independently of mine, pit or quarry operations.

(c) Complaint Investigations. Fees for complaint investigations conducted by the department shall be assessed to the individual requesting the complaint investigation at the rate of \$22.00 per hour plus actual travel expenses, with a minimum fee of \$108.00 payable in advance of the investigation.

(d) Community Blasting Operations. A \$27.00 fee will be charged for written permission to bring more than 50 pounds of explosives into a community as specified in s. Ind 5.04 (8), Wis. Adm. Code.

Ind 69.19 MOBILE HOMES. (1) PLAN EXAMINATION, CERTIFICATION AND INSPECTION FEES. Fees for plan examination, certification and inspection relative to the manufacture of mobile homes shall be determined in accordance with Table 69.19-1.

Table 69.19-1

TYPE OF APPROVAL	FEE
Manufacturer license	\$216.00 per year
Mobile home plan examination	\$22.00 per hour
Plant inspection and certification	\$22.00 per hour plus actual travel expenses.
HUD or Wisconsin certification label	\$23.00 per label
Required inspection not included in the fee distribution system described in s. 283.6 (h), CFR	\$22.00 per hour plus actual travel expenses.
Warranty-related inspections, reinspections or investigative actions conducted as a result of consumer complaints . . .	\$22.00 per hour plus actual travel expenses.

(2) PLUMBING FEES. Fees for the examination of plumbing plans for mobile homes shall be determined in accordance with Table 69.19-2.

Table 69.19-2

TYPE OF APPROVAL	FEE
Plan examination	\$62.00
Alteration to plan	\$62.00

Ind 69.20 CERTIFICATION OF UNIFORM DWELLING CODE INSPECTORS AND INDEPENDENT INSPECTION AGENCIES. All applicants for certification as a certified inspector or independent inspection agency shall submit, with the application form, fees in accordance with the following:

(1) CERTIFIED INSPECTORS. Persons applying for inspector certification or recertification shall submit fees for each category in which they plan to conduct inspections in accordance with Table 69.20. Such fees shall cover a two-year certification period.

Table 69.20

TYPE OF INSPECTION	FEE
Construction Inspection	\$27.00
Energy Inspection	\$27.00
Heating, Ventilating & Air Conditioning Inspection . . .	\$27.00
Electrical Inspection	\$27.00

(a) Examinations for Certification or Recertification. Upon determination of eligibility for certification by examination, fees shall be assessed and collected for the initial registration, examination, examination retakes or renewal by examination at the rate of \$22.00 per examination and \$22.00 per registration.

(b) Educational and Training Seminars. Fees will be assessed on an individual basis for educational and training programs sponsored by the department.

(2) INDEPENDENT INSPECTION AGENCIES. Fees for the initial certification or recertification of independent inspection agencies shall be assessed annually at the cost of \$216.00.

Ind 69.21 ONE- AND 2-FAMILY DWELLINGS AND MANUFACTURED DWELLINGS. (1) UNIFORM BUILDING PERMIT SEAL. A fee of \$22.00 shall be remitted to the department or its agent at the time of application for a Wisconsin Uniform Building Permit Seal. Municipalities administering the Uniform Dwelling Code shall purchase one \$22.00 permit seal for each new dwelling or addition or alteration to dwellings falling within the scope of the Uniform Dwelling Code.

(2) PERMIT TO START CONSTRUCTION. Where the department administers and enforces the Uniform Dwelling Code, a fee of \$27.00 shall be remitted at the time of application for a permit to start construction of footings and foundation.

(3) DEPARTMENTAL PLAN REVIEW. The following fees for plan review of dwellings or their alterations or additions shall apply where the department administers and enforces the Uniform Dwelling Code, and may be applied when the department is requested by a municipality to assist in the administration and enforcement of the Uniform Dwelling Code:

(a) Where employes of the department review plans the fee shall be assessed and computed on the basis of \$22.00 per hour or \$43.00 per plan whichever is greater.

(b) Where an independent inspection agency under contract to the department reviews plans, the fees established in the contract shall defray the actual cost of the service.

(4) DEPARTMENTAL INSPECTIONS. The following fees for on-site inspections shall apply where the department administers or enforces the Uniform Dwelling Code, and may be applied when the department is requested by a municipality to assist in the administration and enforcement of the Uniform Dwelling Code:

(a) Where employes of the department perform on-site inspections, the fee shall be assessed and computed on the basis of \$22.00 per hour plus actual travel expenses with a minimum fee of \$108.00 per required inspection payable in advance of issuing the building permit.

(b) Where employes of the department perform on-site enforcement-related inspections as a result of consumer complaints, contractor requests or requests by any individuals in municipalities where permits are not issued and inspections are not performed, a fee shall be assessed to the individual requesting the inspection at the rate of \$22.00 per hour plus actual travel expenses with a minimum fee of \$108.00 payable in advance of the inspection.

(c) Where an independent inspection agency under contract to the department performs inspections, the fees established in the contract shall defray the actual cost of the service.

(5) MANUFACTURED DWELLINGS. Except as provided in pars. (a) and (b), where employes of the department perform plan reviews, plant evaluations, consumer complaint investigations or any other type of enforcement related activity for manufactured dwellings, the manufacturer shall be assessed at the rate of \$22.00 per hour plus actual travel expenses.

(a) The minimum fee for plan review shall be \$43.00.

(b) The minimum fee for inspections shall be \$108.00.

(6) WISCONSIN INSIGNIA. Fees for Wisconsin insignias for manufactured dwellings shall be assessed and computed on the basis of \$22.00 for each dwelling unit.

(7) MATERIAL AND PRODUCT REVIEWS - APPROVAL NUMBERS. A fee determined in accordance with s. Ind 69.09 (2) shall be assessed where approval numbers are issued by the department for the approval of materials, equipment, devices, and methods of construction.

(8) APPLICATION FOR VARIANCE. The department may grant individual or municipal variance to a specific rule upon receipt of a completed application for variance form and a fee in accordance with Table 69.21.

Table 69.21

VARIANCE	FEE
Individual Dwelling Owner	\$108.00 per petition
All Others	see s. Ind 69.15

(9) MISCELLANEOUS FEES. When the department provides goods or services not specifically covered by the above fees, fees may be charged to persons or organizations requesting such goods and services based upon actual cost.

SECTION 2. Create s. Ind 69.22.

Ind 69.22 PLATTING-SUBDIVISION WITHOUT PUBLIC SEWERS. (1) APPLICATION. The fees for department plat review and investigations of subdivisions not served by public sewers conducted in accordance with ch. H65, Wis. Adm. Code, and ch. 236, Stats., shall be determined as follows:

(a) Plat Reviews. The fee for an initial plat submission shall be computed on the basis of \$20.00 per lot.

(b) Resubmitted Plats. The fee for a resubmitted plat shall be \$50.00 per plat.

(c) Field Investigations. The fee for any field investigation requested by the subdivider shall be \$300.00 per day or fraction thereof per subdivision.

(d) Groundwater Monitoring Review. The fee for department review of groundwater monitoring data shall be \$100 per subdivision.

(2) COLLECTION OF FEES. All fees shall be remitted to the department at the time that the plats are submitted for review or when field investigations are requested or conducted. No plat certifications shall be made until the fees are received by the department.

SECTION 3. Create s. Ind 69.23.

Ind 69.23 PLUMBING AND PRIVATE SEWAGE SYSTEMS. (1) PLUMBING PLAN EXAMINATION FEES. (a) Applicability. Plan examination fees for preliminary or complete plans shall accompany the plans and specifications when submitted. If the department determines upon review of the plans that inadequate fees were provided, the necessary additional fee shall be provided prior to departmental approval.

(b) Examination Fees. The plan examination fee shall be determined in accordance with Table 69.23-1.

TABLE 69.23-1

TYPE OF APPROVAL	FEE
1. Sanitary building sewer, drain, waste and vent	\$20.00 per inch diameter of each bldg. sewer
2. Sanitary building sewer only (no drain, waste & vent) . . .	\$10.00 per inch diameter of each bldg. sewer
3. Building water distribution system	\$20.00 per inch diameter of each water service
4. Building water service only (no water distribution system) .	\$10.00 per inch diameter of each water service
5. Building storm sewer and drainage system	\$ 4.00 per inch diameter
6. Private interceptor main sewers, sanitary or storm or both (determined on the largest diameter of each interceptor main sewer)	\$ 8.00 per inch diameter
7. Private water main	\$35.00
8. Controlled roof drainage system (does not include building storm sewer)	\$30.00
9. Acid waste piping system (1-10 fixtures)	\$30.00
Each additional fixture over 10 fixtures	\$ 1.00 per fixture
10. Reduced pressure zone principle type backflow preventer	\$35.00
11. Turf sprinkler system	\$30.00
12. Mobile home parks and private subdivisions:	
1-25 sites	\$40.00
26-50 sites	\$75.00
51-125 sites	\$115.00
Over 125 sites	\$160.00
13. Manufactured homes, each model	\$ 60.00

(c) Examination Fees for Additions and Remodelling. When new or relocated fixtures or both are connected to the existing piping inside a building the fee shall be determined in accordance with the following procedures:

1. 'Sanitary Building Sewer, Drain, Waste and Vent.' a. Total all of the drainage fixture units that are being added or relocated.

b. Refer to s. H 62.03 (3) Table 2, Wis. Adm. Code, and determine the horizontal drain size that would be required if all new or relocated fixtures discharged through one pipe.

Note: Disregard the asterisk limitation regarding 6 or 8 fixture unit pipe size. This pipe size is used for determining the fee only and does not necessarily mean this pipe size is used in actual design or installation.

c. Determine fee based on Table 69.23-1 1.

2. 'Building Water Distribution System.' a. Total all of the water supply fixture units that are being added or relocated, using s. H 62.13 Table 13, Wis. Adm. Code, and convert to gallons per minute (GPM) in accordance with s. H 62.13 Table 14, Wis. Adm. Code.

b. The fees shall be determined in accordance with the GPM demand of the new or relocated fixtures as specified in Table 69.23-2.

Table 69.23-2

GPM	FEE
6	\$10.00
12	\$15.00
21	\$20.00
31	\$25.00
46	\$30.00
77	\$40.00
119	\$50.00
170	\$60.00
298	\$80.00

3. 'Building Storm Sewer and Drainage System.' a. Total all of the roof area that the new or relocated roof drains serve. For added or relocated clear water drains inside the building receiving continuous or semi-continuous discharge into the building storm drain, each gallon per minute (GPM) of discharge shall be computed as 26 square feet of roof area.

b. Refer to s. H 62.12 Table 11, Wis. Adm. Code, the column for 1/4" pitch, and determine the horizontal drain size that would be required if all new or relocated fixtures discharged through one pipe. Use this pipe size for determining the fee.

c. Determine the fee based on Table 69.23-1 5.

(d) Priority Plan Review. An appointment may be made with the department to facilitate the examination of plans in less than the normal processing time. The plans shall comply with the provisions of s. H 62.25, Wis. Adm. Code. Delivery of the plans for priority plan review shall be made in person. The fee for this type of plan examination shall be determined at twice the normal rate.

(e) Petitions for Modification. The department shall consider and may grant modification to an administrative rule upon receipt of a fee of \$50, a completed petition for modification form from the owner, and provided an equivalency is established in the petition for modification which meets the intent of the rule being petitioned.

(f) Reproduction Fee. If the correct number of plans or specifications have not been submitted, a minimum reproduction fee of \$7.00 per set shall be charged except that reproductions exceeding \$7.00 per set shall be charged actual costs. Reproduction fees shall be charged to the party submitting the plans.

(g) Plan Approval - Additional Copies. Approval for sets of plans in addition to the required 3 sets shall be provided upon receipt of a fee of \$10.00 plus \$3.50 per plan sheet.

(2) PRIVATE SEWAGE PLAN EXAMINATION FEES. (a) General. Plan examination fees for preliminary or complete plans shall accompany the plans and specifications when submitted. If the department determines upon review of the plans that inadequate fees were provided, the necessary additional fee shall be provided prior to departmental approval. Written approval shall not be granted until all applicable fees have been paid.

(b) Examination Fees. The plan examination fee shall be determined in accordance with Table 69.23-3.

Table 69.23-3

500 - 5000 gallon holding tank	\$30.00
5001 - 10,000 gallon holding tank	\$40.00
Over 10,000 gallon holding tank	\$50.00
Groundwater Monitoring	\$32.00

(c) Petition for Modification. The department shall consider and may grant modification to an administrative rule upon receipt of a fee as specified in subds. 1. and 2., a completed petition for modification form from the owner, and provided an equivalency is established in the petition for modification which meets the intent of the rule being petitioned.

- 1. The fee for a setback petition shall be \$20.00
- 2. The fee for a site evaluation petition shall be \$50.00

(d) Priority Plan Review. An appointment may be made with the department to facilitate the examination of plans in less than the normal processing time. The plans shall comply with the provisions of s. H63.08, Wis. Adm. Code. Delivery of the plans for priority plan review shall be made in person. The fee for this type of plan examination shall be determined at twice the normal rate.

(e) Reproduction Fee. If the correct number of plans or specifications have not been submitted, a minimum reproduction fee of \$7.00 per set shall be charged except that reproductions exceeding \$7.00 per set shall be charged actual costs. Reproduction fees shall be charged to the party submitting the plans.

(3) SPECIAL PLUMBING INSPECTIONS. Plumbing inspections for sanitary districts or other special purpose districts shall be determined in accordance with s. Ind 69.14.
