ORDER OF THE STATE OF WISCONSIN NATURAL RESOURCES BOARD

CREATING RULES

.....  
IN THE MATTER of creating s. NR 20.02(2)  
of the Wisconsin Administrative Code  
pertaining to defining waters of  
Green Bay  
.....

F-18-83

Analysis Prepared by the Department of Natural Resources

Green Bay, Sturgeon Bay, Sawyer's Harbor and the Fox river from its mouth up to the dam at DePere have always been interpreted as one area for fishing regulation purposes. These waters are classified as outlying waters in s. 29.01(4)(a), Stats., and have identical sport fishing regulations. This definition is created to alleviate any confusion for anglers and to eliminate the need to refer to these areas separately.

Pursuant to the authority vested in the State of Wisconsin Natural Resources Board by ss. 29.085, 29.174, 227.014 and 227.02(1)(e), Stats., the State of Wisconsin Natural Resources Board hereby creates rules interpreting ss. 29.085 and 29.174, Stats., as follows:

SECTION 1. NR 20.02(2) is created to read:

(2) As used in sub. (1), Green Bay shall mean Green bay, Sturgeon bay, Sawyer's harbor and the Fox river from its mouth up to the dam at DePere.

The foregoing rules were approved and adopted by the State of Wisconsin Natural Resources Board on August 24, 1983.

The rules contained herein shall take effect as provided in s. 227.026(1), (intro.), Stats.

Dated at Madison, Wisconsin November 17, 1983
