OFFICE OF THE COMMISSIONER OF CREDIT UNIONS

A proposed order to amend CU 63.08(2); and create CU 63.08(2)(a) to (c) of the Wisconsin Administrative Code relating to transfer of funds through a remote terminal.

FINAL DRAFT FORM, CLEARING HOUSE RULE 84-30

Analysis of the Office of the Commissioner of Credit Unions

Under Section 186.113(15) of the Statutes the Commissioner of Credit Unions may adopt rules regulating remote terminal transactions.

Under current rules every transfer of funds through a remote terminal must be documented by a receipt containing certain information provided the customer at the time the transaction occurs. This rule permits a credit union to require the customer to request the receipt by reentering an appropriate access device when:

- 1) The remote terminal simultaneously controls the distribution of a product at several locations;
- 2) In order to complete the transaction the customer is required to remove the access device; and
- 3) The amount of the transaction is not determined until the product is distributed to the customer.

This rule will not have a fiscal effect.

Pursuant to the authority vested in the Commissioner of Credit Unions by Sections 186.113(15) and 227.014(2)(a), Stats., the Office of the Commissioner of Credit Unions hereby amends and creates rules interpreting Section 186.113(15), Stats., as follows:

SECTION 1. CU 63.08(2) is renumbered 63.08(2)(intro) and amended to read:

(2) TRANSACTION DOCUMENTATION. (intro) Every transfer of funds through a remote terminal made by a customer of a credit union shall be evidenced by a written document provided to the customer at the time of the transaction. The document shall indicate with reasonable specificity the identity of any third party to whom funds are electronically transferred, the identity of the customer's account, the amount of funds transferred, the type of transaction, and the date of the transaction. A customer may be required to reenter an access device, such as a card, at a terminal in order to receive transaction documentation if all of the following conditions are met:

SECTION 2. CU 63.08(2)(a) to (c) are created to read:

CU 63.08(2)(a) The terminal simultaneously controls the distribution of products at several locations on the same site to more than one customer;

(b) Each customer must remove the access device from the terminal and move to another location in order to complete the transaction; and

(c) The terminal cannot produce transaction documentation for a particular transaction until the customer completes distribution of the product and the amount of the transaction is known.

[Note: CU 63.08(2)(a) to (c) applies, for example, to a terminal which monitors a series of gasoline pumps. Each customer must remove his or her card from the terminal in order to pump the gasoline and then reenter the card in order to obtain a receipt.]

SECTION 3. EFFECTIVE DATE. This order takes effect on the first day of the month following its publication in the Wisconsin Administrative Register, as provided in s. 227.026(1)(intro.), Stats.
