ORDER OF THE STATE OF WISCONSIN NATURAL RESOURCES BOARD  
AMENDING AND CREATING RULES

IN THE MATTER of creating s. NR 5.33(2)(f);  
and amending s. NR 5.34(3) of the Wisconsin  
Administrative Code pertaining to  
regulating water use on the Lower  
St. Croix River in Pierce and St. Croix  
Counties

LE-7-84

Analysis Prepared by Department of Natural Resources

The proposed rule would add four slow-no-wake buoys which would increase the slow-no-wake zone at the mouth of the Kinnickinnic River. Numerous boats anchor over-night in this area and people are swimming, rowing small boats or air mattresses and tubes between the boats and shore. High speed boats and water skiing make this a very dangerous situation.

The existing ban on water skiing on Saturday, Sunday and holidays would be extended to May 15 through September 15. It is presently Memorial Day through Labor Day. This extension would cover Memorial Day weekend as well as the heavy use period several weeks before Memorial Day and after Labor Day.

This rule does not regulate small businesses.
