

## Chapter Ind 24

### ELECTRICAL STANDARDS

#### Ind 24.01 Electrical standards

**Ind 24.01 Electrical standards.** All electrical wiring, installations, equipment and materials used in the construction of dwellings shall comply with the requirements of the Wisconsin Administrative Electrical Code, Vol. 2.

**Note:** Section 167.16, Stats., requires that the company furnishing the electric current obtain proof that the wiring complies with these standards before furnishing the current. Proof must be a certificate furnished by the inspection department or officer, or if there is no officer, an affidavit furnished by the person doing the wiring.

**History:** Cr. Register, November, 1979, No. 287, eff. 6-1-80.
