GENERAL PROVISIONS

HSS 303.01 Applicability and purposes. (1) Pursuant to authority vested in the department of health and social services by s. 277.014 (2), Stats., the department adopts this chapter which applies to the department, division of corrections and to all adult inmates in its legal custody. It implements ss. 53.07, 53.08, 53.11 (2) and 53.04, Stats. The rules governing inmate conduct under this chapter describe all the conduct for which an inmate may be disciplined and the procedures for the imposition of discipline.

(2) "Discipline" includes only the sanctions described in HSS 303.08. It does not include reclassification, change of program assignment, loss or modification of a MAP contract, change of housing assignment, or transfer to another institution.

(3) The objectives of the disciplinary rules under this chapter are the following:

- (a) The maintenance of order in correctional institutions;
- (b) The maintenance of a safe setting in which inmates can participate in constructive programs;
- (c) The rehabilitation of inmates through the development of their ability to live with others, within rules;
- (d) Fairness in the treatment of inmates;
- (e) The development and maintenance of respect for the correctional system and for our system of government through fair treatment of inmates;
- (f) Punishment of inmates for misbehavior; and
- (g) Deterrence of misbehavior.

HSS 303.03 Lesser included offenses. (1) If one offense is a lesser included offense of another, then if an inmate is charged with the greater offense, the inmate is deemed to be charged with the lesser included offense as well.

(2) An inmate may be found guilty of a lesser included offense of the offense charged, even if he or she was not expressly charged with the lesser included offense.

(3) An inmate may not be found guilty of 2 offenses or punished for 2 offenses based on a single incident if one offense is a lesser included offense of the other.

(4) No offense shall be considered a lesser included offense of another unless it is so listed in the following table:

<u>Greater offense</u>	<u>Lesser included offense</u>
303.07 Aiding and abetting	303.06 Attempt
303.12 Battery	303.21 Conspiracy

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.04 Definitions relating to state of mind. In this chapter, these words have the following meanings:

(1) "Intentionally" means that the inmate had a purpose to do the thing or cause the result specified, or believed that his or her act, if successful, would cause the result specified.

(2) "Knowingly" means only that the inmate believes that the specified fact exists.

(3) "Recklessly" means that the inmate did an act or failed to do an act and thereby created a situation of unreasonable risk that another might be injured. The act or failure to act must demonstrate both a conscious disregard for the safety of another and a willingness to take known chances of perpetrating an injury.

(4) "Negligently" means that the inmate did an act or failed to do an act and thereby failed to exercise that degree of care appropriate for the circumstances.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.05 Defenses. The following, if established by clear and convincing evidence, to the satisfaction of the committee, by the inmate, are

complete defenses to alleged violations of the sections under this chapter.

(1) **MENTAL INCAPACITY.** At the time of the conduct, the inmate, as a result of mental disease or defect, lacked substantial capacity either to appreciate the wrongfulness of the conduct or to conform his or her conduct to the sections.

(2) **INVOLUNTARY INTOXICATION.** At the time of the conduct, the inmate, as a result of involuntary intoxication, lacked substantial capacity either to appreciate the wrongfulness of the conduct or to conform his or her conduct to the rules. This section does not afford a defense if the intoxicant was taken voluntarily.

(3) **MISTAKE.** The inmate honestly erred (except an error regarding the contents of this chapter), and such error negates the existence of a state of mind essential to the offense.

(4) **SELF-DEFENSE.** An inmate may use the minimum amount of force necessary to prevent death or bodily injury to himself or herself. An inmate may never use force which may cause death to another in exercising the privilege of self-defense. An inmate may never use a weapon in exercising the privilege of self-defense. An inmate may not continue to exercise the privilege of self-defense after an order to stop. In determining whether the minimum force was used in exercising the privilege of self-defense, staff should consider:

- (a) Whether a weapon was used by the aggressor;
 - (b) The size of the inmates;
 - (c) The opportunity of the inmate who claims self-defense to flee or get assistance from a staff member; and
 - (d) Whether staff members were nearby.
- (5) **ORDERS.** An inmate may disobey a rule if he or she is expressly authorized to disobey it by a staff member.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.06 Attempt. (1) An inmate is guilty of attempt to violate a rule if the following are all true:

- (a) The inmate intended to do something which would have been a rule violation; and
- (b) The inmate did acts which showed that he or she intended to violate the rule at that time.

(2) The number used for attempts in recordkeeping and conduct reports shall be the offense's number plus the suffix A.

Note: Example: Battery is HSS 303.12. Attempted battery is HSS 303.12-A.

(3) The penalty for an attempt may be the same as for the completed offense. See Table, HSS 303.84.

(4) An inmate may be charged with both a substantive offense and attempt to commit that offense, based on the same incident, but may be found guilty of only one.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.07 Aiding and abetting. (1) If an inmate intentionally does any of the following things, he or she is guilty of aiding and abetting a rule violation:

(a) Tells or hires another inmate to commit a rule violation;

(b) Assists another inmate, prior to a rule violation, in planning or preparing for it, with intent that the offense be committed;

(c) Assists another inmate during commission of an offense, whether or not this was planned in advance; or

(d) Destroys evidence of an offense committed by another person or otherwise helps to prevent discovery of a violation or of who committed it.

(2) The number used for aiding and abetting in record keeping and conduct reports shall be the offense's number plus the suffix B.

Note: *Example:* Battery is HSS 303.12. Aiding and abetting a battery is HSS 303.12-B.

(3) An inmate may be charged with both a substantive offense and aiding and abetting that offense, based on the same incident, but he or she may be found guilty of only one.

(4) An inmate may be charged and found guilty of aiding an abetting even if no one is charged or found guilty of committing the offense. The principal should, if possible, be identified when the inmate is charged.

(5) The penalty for aiding and abetting may be the same as for the substantive offense. See Table, HSS 303.84.

(6) The penalty given to an inmate who aids and abets need not be based in any way on the penalty, if any, given to the inmate who actually committed the offense.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.08 Institutional policies and procedures. (1) As provided under this chapter, institutions may make specific policies and procedures and provide that if inmates violate them, they may be disciplined. Wherever a specific policy or procedure provides for discipline if an inmate violates it, discipline may only be imposed if the policy or procedure was in fact posted on an official bulletin board at the time of the violation, or if the inmate had actual knowledge of the contents of the bulletin and that it was still in force, or if the inmate had received a copy of the bulletin.

(2) Each institution shall maintain at least one bulletin board for bulletins of general applicability. Bulletin boards shall be so located that every inmate has an opportunity to read all bulletins which apply to him or her. Additional bulletin boards should be maintained in workshops, classrooms, recreation areas, housing units, or other places for the posting of notices which apply only to inmates who use the particular facility involved. Each inmate at a maximum security institution shall be given a copy of all bulletins which are applicable to him or her.

HSS 303

(3) Bulletins which are no longer in force shall be removed.

(4) A notebook of all current bulletins shall be maintained and be available for inmates in the library.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.09 Manual of disciplinary rules. (1) All of the sections under this chapter, along with their notes, shall be printed in pamphlet or other appropriate form.

(2) A copy of this pamphlet shall be given to every inmate. Any time major changes are made, written notice to inmates shall be provided. The pamphlet shall be entitled *Disciplinary Rules*.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.10 Seizure and disposition of contraband. (1) "Contraband" means any of the following:

(a) Any item which inmates may not knowingly possess under HSS 303.42-303.47 (for example, money, intoxicants, drug paraphernalia and weapons);

(b) Any item which is not state property and is on the institution grounds but not in the possession of any person;

(c) Any item which is in the possession of an inmate, if knowing possession of it would violate HSS 303.47;

(d) Any item which an inmate may possess but which comes into his or her possession through unauthorized channels or which is not on the inmate's property list and is required to be; or

(e) Stolen property.

(2) **SEIZURE.** Any staff member who reasonably believes that an item is contraband may seize the item, whether or not the staff member believes a violation of HSS 303.42-303.47 has occurred. Items seized shall be sent to the security director, accompanied by the conduct report if there is one. If there is not, the item shall be accompanied by a written report. Property which is not contraband shall be returned to the owner or disposed of in accordance with this section.

(3) **DISPOSITION.** If a conduct report is written, the disposal of the item shall be decided by the hearing officer or committee at the disciplinary hearing. If there is no conduct report, the security director may dispose of seized items. Disposal should be as follows:

(a) *Currency (money).* All confiscated currency shall be placed in the state's general fund.

(b) *Checks.* Checks and other negotiable instruments shall be returned to the maker. If it is not possible to determine an address for the maker of the check, the check shall be destroyed.

(c) *U.S. bonds and other securities.* Upon proof of ownership and the source of a U.S. bond or other security, the item shall be held in the institution business office until it can be returned to the owner. If the owner is an inmate, it shall be held until his or her release from the institution, at which time it shall be transferred with the inmate's general

account funds to the division cashier. It shall be returned to the inmate upon discharge or at any earlier time when the supervising agent determines that continued control over it is no longer necessary.

(d) *Property.* If the owner is known, property may be returned to the true owner, placed in storage, or sent at the inmate's expense to another, in accordance with the nature of the property, unless the owner transferred the property in an unauthorized manner. Otherwise, items of inherent value shall be sold through the department's purchasing officer and money received shall be placed in the state's general fund. Items of inconsequential value (having a value of \$5 or less) shall be destroyed. Property items authorized but in excess of the amount allowed inmates may be sent at the inmate's expense to anyone designated by the inmate or stored.

(e) *Intoxicating substances.* Intoxicating substances shall be disposed of by the institution or given to the sheriff's department for use as evidence or for disposal.

(f) *Weapons.* Weapons not required for use as evidence may be retained for training purposes or disposed of by institution authorities or law enforcement agencies.

(g) *Institution property.* Any article originally assigned as property of the institution shall be returned to service at the institution.

(4) If an inmate believes that property should be returned, placed in storage or sent out at his or her direction, and a decision to dispose of it in a different manner has been made, the inmate may file a grievance. The property shall not be disposed of until the grievance is resolved.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.11 Temporary lockup: use. (1) An inmate may be placed in temporary lockup (TLU) by a security supervisor, security director, or superintendent.

(2) If the inmate is placed in temporary lockup by a security supervisor, the security director shall review this action on the next working day. Before this review and the review provided for in sub. (3), the inmate shall be provided with the reason for confinement in TLU and with an opportunity to respond, either orally or in writing. Review of the decision must include consideration of the inmate's response to the confinement. If, upon review, it is determined that TLU is not appropriate, the inmate shall be released from TLU immediately.

(3) No inmate may remain in TLU for longer than 20 days, except that the superintendent, with notice to the bureau director, may extend this period for no longer than 20 additional days for cause. The security director shall review each inmate in TLU every seven days to determine whether TLU continues to be appropriate. If upon review it is determined the TLU is not appropriate, the inmate shall be released from TLU immediately.

(4) An inmate may be placed in TLU and kept there only if the decision maker is satisfied that it is more likely than not that one or more of the following is true:

(a) If the inmate remains in the general population, the inmate will seek to intimidate a witness in a pending investigation or disciplinary action;

(b) If the inmate remains in the general population, he or she will encourage other inmates by example, expressly, or by their presence, to defy staff authority and thereby erode staff's ability to control a particular situation;

(c) If the inmate remains in the general population, it will create a substantial danger to the physical safety of the inmate or another;

(d) If the inmate remains in the general population, it will create a substantial danger that the inmate will try to escape from the institution; or

(e) If the inmate remains in the general population, a disciplinary investigation will thereby be inhibited.

(5) When an inmate is placed in TLU, the person who does so shall state the reasons on the appropriate form and shall include the facts upon which the decision is based. The inmate shall be given a copy of the form. Upon review, the security director shall approve or disapprove the TLU on the form.

(6) Conditions in TLU should, insofar as feasible, be the same as those in the status the inmate was formerly in. If the inmate was earning compensation and extra good time credit, this shall continue.

Code of inmate offenses introductory note

The purposes of the disciplinary system, including the substantive rules, are addressed in HSS 303.01 and note. However, it is helpful to stress and develop further several points which have particular relevance to the substantive offenses.

In identifying what conduct should be the subject of the disciplinary code, principal reliance was placed on experience. Experience teaches that the offenses which follow are those committed in institutions and that the disciplinary system is appropriate for dealing with them.

There is considerable overlap between the disciplinary rules and the criminal code, principally in the area of crimes of violence. "White-collar" crimes are generally not duplicated in the rules because they have not been a disciplinary problem. However, crimes against persons and property are an important disciplinary problem, and the correctional authorities need to have the power to deal with them without always resorting to the cumbersome machinery of the judicial system.

The experience in Wisconsin has been that disciplinary proceedings are a more effective way of dealing with most crimes committed in prison than prosecution is. In extreme cases, of course, cases are referred for prosecution. However, in these cases as well as in less serious cases, prison officials need to have the authority to isolate or punish individuals in order to prevent a recurrence of violence. The U.S. Supreme Court has approved the practice of bringing both disciplinary and criminal proceedings against an individual based on a single incident, implying that no double jeopardy problems are raised by this practice. *Baxter v. Palmigiano*, 425 U.S. 308 (1976).

In addition to reevaluating the purpose and effectiveness of each rule, an attempt has been made to make sections as specific as possible even where the substance of the rule remained unchanged. For example, former policy and procedure 2.02 stated, "Residents shall not sexually assault another person." New HSS 303.13 and 303.14 define two types of sexual assault in very specific terms. This example also points up another change in some rules: rules covering both serious and less serious offenses have been split, so that now someone looking at an inmate's record will have a clearer idea of exactly how serious his or her disciplinary

offenses have been. This is especially important at parole hearings and program review committee meetings.

OFFENSES AGAINST BODILY SECURITY

HSS 303.12 Battery. Any inmate who intentionally causes bodily injury to another is guilty of an offense.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.13 Sexual assault—intercourse. Any inmate who has sexual intercourse with another person without that person's consent and knowing that it is without that person's consent is guilty of an offense. "Sexual intercourse" means any penetration, however slight, by the penis into the mouth, vagina, or anus of another persons, or any penetration by any part of the body or an object into the anus or vagina of another person.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.14 Sexual assault—contact. Any inmate who intentionally has sexual contact with another person without that person's consent and knowing that it is without that person's consent is guilty of an offense. "Sexual contact" means:

- (1) Kissing;
- (2) Handholding;
- (3) Touching by the intimate parts of one person to any part of another person. The "intimate parts" are breast, penis, buttocks, and vaginal area, whether clothed or unclothed; or

- (4) Any touching of the intimate parts of another person.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.15 Sexual conduct. Any inmate who intentionally does any of the following is guilty of an offense:

- (1) Has sexual intercourse, as defined under HSS 303.13, with another person;

- (2) Has sexual contact, as defined under HSS 303.14, with another person;

- (3) Requests, hires or tells another person to have sexual intercourse or sexual contact;

- (4) Exposes his or her intimate parts, as defined under HSS 303.14, to another person for the purpose of sexual arousal or gratification, or for exhibitionistic purposes; or

- (5) Has sexual intercourse or sexual contact with an animal.

However, visiting and mail may be suspended for periods of time in accordance with departmental rules relating to resources for inmates.

(5) **RESTITUTION.** Restitution is payment to the owner for the replacement or repair of stolen, destroyed and damaged property or for medical bills. Property for which restitution is ordered shall be valued at the cost of replacing or repairing such property, whichever is less. An inmate may be ordered to make full or partial restitution. Money may be withheld from earnings or taken from an inmate's account to satisfy the requirements to make restitution.

(6) **EXTRA DUTY.** An inmate may be assigned extra work or school duty for a specific number of hours without pay or be required to report as ordered to a school or a work assignment for as long as 10 days.

HSS 303.73 Referral for prosecution. (1) The superintendent of each institution shall, in conjunction with the local district attorney, develop a policy stating which offenses should be referred for prosecution. The policy should cover the following points:

- (a) Which statutory crimes should be considered for prosecution;
- (b) The amount of evidence needed before prosecution should be considered;
- (c) The circumstances in which, even though a violation of the criminal statute can be proved, there should not be prosecution (for instance, less serious battery); and
- (d) Which disciplinary offenses may include a crime which is referred for prosecution.

(2) When one of the offenses mentioned in sub. (1) (d) above is alleged in a conduct report, the security director shall review the conduct report in light of the policy to determine if the case should be referred to the district attorney.

(a) If necessary, the security director shall order an investigation to determine if sufficient evidence exists for referral to the district attorney.

(b) If the security director refers the offense to the district attorney, the district attorney shall decide whether to bring charges against an inmate.

HSS 303

HSS 303.75 Hearing procedure for minor violations. (1) When an inmate is alleged to have committed a minor violation and the security director or his or her designee has reviewed the conduct report pursuant to HSS 303.67 and it has not been disposed of summarily in accordance with HSS 303.74, a copy of the approved conduct report shall be given to the accused inmate not later than 2 working days preceeding the hearing date. The conduct report shall include the offense or offenses charged, the facts upon which the charges are based, the sources of information, the date of the hearing, and shall order the inmate to appear at the hearing. The hearing shall be held not less than 2 days nor more than 21 from the date the approved conduct report is given to the inmate. The inmate can request more time to prepare, and it should be granted by the hearing officer unless there is no good reason to do so.

(2) At the hearing, a hearing officer, appointed under sub. (6), shall review the conduct report and discuss it with the inmate. The inmate shall be provided with an opportunity to respond to the report and make a statement about the alleged violation. The hearing officer may question the inmate. The inmate has no right to a staff advocate, to confront witnesses, or to have witnesses testify on his or her behalf.

(3) The hearing officer shall decide the guilt or innocence of the inmate on each charge, decide the punishment, and announce these decisions to the inmate. Penalties for minor violations shall be imposed in accordance with HSS 303.72. HSS 303.83 and 303.84 apply for major violations when a due process hearing is waived under HSS 303.76 (6).

(4) A finding of guilty shall be based on the preponderance of the evidence, and the institution must establish this.

(5) The hearing officer shall write the finding of guilt for each charge, the punishment and the reasons for it on the conduct report and return it to the security office for record entry and compliance with the disposition.

(6) The superintendent shall appoint one or more staff members to serve as hearing officers. Only persons who are eligible to serve on the adjustment committee may be appointed. A hearing officer with direct personal involvement in the conduct report, shall not hold a hearing on that conduct report.

(7) An inmate may waive the time limits provided in this section in writing.

(8) An inmate may appeal the disposition of a minor hearing within 10 days to the superintendent.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.76 Hearing procedure for major offenses—notice. When an inmate is alleged to have committed a major violation and the security director has reviewed the conduct report pursuant to HSS 303.64, the following procedure shall be followed:

(1) A copy of the approved conduct report shall be given to the inmate within 24 hours of its approval.

(2) The inmate shall be informed in writing of the rules which he or she is alleged to have violated.

(3) The inmate shall be informed in writing of the potential penalties which may be imposed and other potential results, such as, removal from work release and forfeiture of a MAP contract.

(4) The inmate shall be informed that he or she has a right to a due process hearing or that he or she may waive this right in writing. The inmate shall be informed that if a due process hearing is chosen, the inmate may present oral, written, documentary, physical evidence, and evidence from voluntary eye witnesses in accordance with these sections; that he or she has a right to the assistance of a staff advocate in accordance with these sections; that the adjustment committee may permit direct questions or require the inmate or his or her advocate to submit questions to the adjustment committee to be asked of the witness; that repetitive, disrespectful, and irrelevant questions may be forbidden; and that the inmate may appeal the finding and disposition of the adjustment committee in accordance with HSS 303.78.

(5) The inmate shall be informed that he or she may waive the right to a due process hearing and the rights specified in sub. (4). The inmate shall be informed that if the right to a due process hearing is waived, the conduct report shall be disposed of as follows:

(a) The inmate shall appear before a hearing officer under HSS 303.75 or the adjustment committee as soon as possible but no later than 21 days;

(b) The inmate may present his or her version of the facts;

(c) The staff member who made the conduct report need not be present;

(d) The hearing officer or adjustment committee may question the inmate and otherwise investigate the case and shall decide the guilt or innocence of the inmate and the punishment to be imposed; and

(e) The inmate may appeal the finding and punishment to the superintendent.

(6) If the inmate elects to waive his or her rights to a due process hearing, he or she shall do so in writing. This writing shall be returned to the security office. An inmate may waive this right at any time.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.77 Hearing procedure for major violations when due process hearing waived. If an inmate waives his or her right to a due process hearing of the type described in HSS 303.76, a disciplinary hearing shall be held in accordance with HSS 303.75. Such a waiver does not constitute an admission of the alleged violation.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.78 Major hearing procedure—due process. (1) The due process hearing shall be held in accordance with HSS 303.76. At a due process hearing, the conduct report shall be read aloud and all witnesses for or against the accused, including the accused himself or herself and the staff member who wrote the conduct report, shall have a chance to speak. The adjustment committee may require physical evidence to be offered. The adjustment committee may permit direct questions or require the inmate or his or her advocate to submit questions to the adjustment committee to be asked of the witness. Repetitive, disrespectful or irrelevant questions may be forbidden.

(2) After the hearing the adjustment committee shall deliberate in private, considering only the evidence which was presented to it and the inmate's records. The institution must establish guilt. The adjustment committee may find the inmate guilty or not guilty. A committee of 3 may find a person guilty if at least 2 of the 3 members find by a preponderance of the evidence that he or she is guilty, and if 2 agree upon a sentence, may sentence. A committee of 2 or of one may find a person guilty if they unanimously find by a preponderance of the evidence that he or she is guilty and may sentence if they are unanimous as to the sentence. If a sentence is not agreed upon, the matter shall be referred to the superintendent. The committee shall then recall the accused and his or her advocate (if any) and announce its decision. The accused and his or her advocate (if any) shall each receive a written copy of the decision.

(3) The due process hearing shall be held not sooner than 2 days and not more than 21 days after service of notice that the inmate is charged with a violation. This period can be enlarged or diminished if the security director approves and the inmate agrees.

(4) Any time within 10 days after a due process hearing, an inmate who is found guilty may appeal the decision and/or punishment to the superintendent.

(5) The superintendent shall review all records and forms pertaining to the appeal within 10 days following the request.

(6) After review, the superintendent shall:

(a) Affirm the adjustment committee's decision and the punishment,

(b) Affirm the adjustment committee's decision but reduce the punishment (in type or quantity); or

(c) Reverse the adjustment committee's decision. In this case, all records of the decision must be removed from all offender-based files. Records may be kept for statistical purposes only.

(7) If the punishment is reduced or eliminated by appeal, the superintendent shall order the change immediately.

(8) An inmate may waive the time limits set in subs. (3) and (5) at any time in writing.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.79 Due process: hearing advocates. (1) (a) At each institution, the superintendent may designate or hire staff members to serve as advocates for inmates in disciplinary hearings at the institution, or staff members may volunteer to serve as advocates.

(b) At institutions that do not employ permanent full-time advocates, the superintendent shall place the names of 3 staff members who are available to serve as advocates in a particular week on a list and shall give the list to the hearing officers. The inmate shall be permitted to choose an advocate from the list of 3, except that the caseloads of advocates may be regulated by the superintendent.

(c) At institutions that employ permanent full-time advocates, the superintendent shall assign advocates to inmates. If an inmate objects to the assignment of a particular advocate because the advocate has a known and demonstrated conflict of interest in the case, the superintendent shall assign a different staff member to serve as the inmate's advocate.

(2) The advocate's purpose is to help the accused to understand the charges against him or her and to help in the preparation and presentation of any defense he or she has, including gathering evidence and testimony, and preparing the accused's own statement. The advocate may speak on behalf of the accused at a disciplinary hearing or may help the accused prepare to speak for himself or herself.

(3) A training program for advocates should be conducted as often as possible. The training program should cover the following subjects:

(a) Proper role of the advocate;

(b) Techniques of interviewing the accused;

(c) Conduct covered and not covered in each disciplinary rule including the significance of lesser included offenses;

(d) Techniques of factual investigation;

(e) The elements of violations in the rules; and

(f) Defenses.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80; r. and recr. (1), Register, October, 1984, No. 346, eff. 11-1-84.

HSS 303.80 Due process hearing: place. The due process hearing may take place at the institution where the alleged conduct occurred, at a county jail or at the institution to which an inmate has been transferred.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.81 Due process: witnesses. (1) Requests for witnesses may be made by the accused to the advocate who shall deliver them to the security office. Except for good cause, an inmate may present no more than 3 witnesses. If an inmate does not have an advocate, the request shall be sent directly to the security office. Such requests must be made within 2 days of the service of notice as provided in HSS 303.76.

(2) After all witness requests have been received, the hearing officer shall review them and do any investigation necessary to determine whether the witnesses should be called.

(3) Witnesses requested by the accused should be required to attend the disciplinary hearing unless:

(a) There is a significant risk of bodily harm to the witness if he or she testifies; or

(b) The inmate's witness does not want to testify; or

(c) The testimony is irrelevant to the question of guilt or innocence; or

(d) The testimony is merely cumulative of other evidence and would unduly prolong the hearing; or

(e) If an inmate witness must be transported to a county jail to testify, the advocate may be required to interview the witness and report on the testimony to the committee in lieu of a personal appearance by the witness.

(4) If an inmate witness will be unavailable due to hospitalization, transfer or release, or if a staff member witness will be unavailable due to illness, no longer being employed at the location, vacation or being on a different shift, but there is no other reason to exclude the witness's testimony under sub. (3), then the hearing officer shall attempt to get a signed statement from the witness to be used at the disciplinary hearing.

(5) If a witness's testimony would be relevant and useful to the adjustment committee but the witness does not wish to testify, or if testifying would pose a significant risk of bodily harm to the witness, the hearing officer may attempt to get a signed statement to be used at the disciplinary hearing. See HSS 303.86, Evidence, for the circumstances under which the adjustment committee can consider such a statement without revealing the name of the witness.

(6) If it is not possible to get a signed statement in accordance with subs. (4) and (5), the hearing officer may consider other evidence of what the witness would say if present.

(7) After determining which witnesses will be called for the accused, the hearing officer shall notify the inmate of the decision in writing and schedule a time for a hearing when all of the following people can be present:

(a) Adjustment committee members;

(b) Advocate, if any;

(c) Officer who wrote the conduct report;

(d) Other witnesses against the accused (if any);

(e) Accused; and

(f) Witnesses for accused (if any).

(7m) In the case of inmate witnesses and the accused, an attempt should be made to avoid conflict with off ground activities, but these persons may be required to attend the hearing even if it conflicts with other activities.

Next page is numbered 63

(8) Witnesses who are not inmates or staff may not be required to attend hearings nor may they be contacted by advocates. Rather, the adjustment committee shall designate a staff member, usually the work release coordinator, to interview any such witness and report to the committee.

(9) The hearing officer shall prepare notice of the hearing and give it to the accused, the advocate (if any), the committee and all witnesses, including the staff member who wrote the conduct report.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.82 Adjustment committee. (1) Due process disciplinary hearings shall be conducted by a committee of one, 2, or 3 staff members appointed by the superintendent. Persons eligible to serve on an adjustment committee are: superintendents, assistant superintendents, supervisors, correctional officers, social workers, and any other equally responsible staff members. At least one member of each committee made up of 2 or 3 members shall be from the treatment staff. At least one member of all adjustment committees shall be a supervisor.

(2) No person who has direct personal involvement in an incident which is the subject of a hearing may serve on the committee for that hearing. Committee members should find out the subject matter of hearings in advance in order to allow replacement of committee members if necessary and avoid the necessity of postponing a hearing.

(3) An adjustment committee may hold a hearing even if the inmate has waived due process, if it is more convenient for the committee to hold the hearing than to schedule a hearing before a hearing officer. In that case the committee should follow the procedure for a hearing before a hearing officer.

(4) When a single hearing officer is sitting on the adjustment committee pursuant to sub. (1), or after the waiver of due process, he or she has the same authority as given the adjustment committee under this chapter.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.83 Sentencing considerations. In deciding the sentence for a violation or group of violations, the supervisor making summary disposition or the adjustment committee or hearing officer who is holding the hearing shall consider the following:

(1) The inmate's overall disciplinary record, especially during the last year;

(2) Whether the inmate has previously been found guilty of the same or a similar offense, how often, and how recently;

(3) Whether the alleged violation created a risk of serious disruption at the institution or in the community;

(4) Whether the alleged violation created a risk of serious injury to another person;

(5) The value of the property involved, if the alleged violation was actual or attempted damage to property, misuse of property, possession of money, gambling, unauthorized transfer of property, soliciting staff or theft;

HSS 303

(6) Whether the inmate was actually aware that he or she was committing a crime or offense at the time of the offense;

(7) The motivation for the offense;

(8) The inmate's attitude toward the offense and toward the victim, if any;

(9) Mitigating factors, such as coercion, family difficulties which may have created anxiety and the like;

(10) Whether the offense created a risk to the security of the institution, inmates, staff or the community; and

(11) The time he or she spent in TLU.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80.

HSS 303.84 Sentencing procedure and schedule of penalties. (1) In every case where an inmate is found guilty of one or more violations of the disciplinary rules, only one of the following penalties shall be imposed, except as provided in sub. (2) and HSS 303.68-303.72:

(a) Reprimand;

(b) Loss of recreational privilege for 1-30 days;

(c) Room confinement for 1-10 days;

(am) At one hearing, the maximum penalty possible for a single violation when a minor penalty is imposed is 30 days loss of specific privileges for the first offense, 60 days for the second offense, and permanently for the third, 30 days building confinement, 10 days room confinement, or 10 days extra duty without pay. For more than one violation, the total sentence may not exceed the sum of the maximum penalties for the separate violations. The adjustment committee or hearing officer need not assign separate penalties where there is more than one violation.

(b) Loss of earned good time may be imposed as a punishment only where the violation is regarded as especially serious because of its nature or the inmate's prior record—generally, only in cases where program segregation is also imposed. The number of days lost on one occasion may be based on the number of prior occasions on which the inmate lost good time and shall not exceed the following:

<u>Number of prior occasions</u>	<u>Maximum number of days lost</u>
None	5
One	10
2	15
3 or more	20

(c) Restitution may be imposed in addition to any other penalty.

HSS 303.85 Recordkeeping. (1) Records of disciplinary infractions may be included in an inmate's case record only in the following situations:

(a) If the inmate was found guilty by summary disposition procedure (See HSS 303.74); or

(b) If the inmate was found guilty by a hearing officer or an adjustment committee. Records must be removed if an appeal is successful (See HSS 303.78).

(2) Records of alleged disciplinary infractions which have been dismissed or in which the inmate was found not guilty may be kept for statistical purposes, but they may not be considered in making program assignment, transfer, or parole release decisions, nor may they be included in any inmate's case record.

History: Cr. Register, August, 1980, No. 296, eff. 9-1-80; emerg. am. (1) (a), eff. 10-21-80; am. (1) (a), Register, March, 1981, No. 303, eff. 4-1-81.

HSS 303.86 Evidence. (1) (a) "Evidence" is any statement or object which could be presented at a disciplinary hearing or in a court of law, whether or not it is admissible.

(b) Evidence is relevant if that evidence makes it appear more likely or less likely that the inmate committed the offense of which he or she is accused, for example: 1. An inmate is accused of threatening another inmate. Testimony that the accused and the other inmate had a loud argument the day before is relevant. It indicates a possible motive for a threat and makes it appear more likely that a threat occurred. 2. An officer testifies that the accused has lied to him or her on previous occasions. This is relevant if the testimony of the accused varies from the conduct report.

HSS 303

(2) (a) An adjustment committee or a hearing officer may consider any relevant evidence, whether or not it would be admissible in a court of law and whether or not any violation of this chapter occurred in the process of gathering the evidence.

(b) An adjustment committee or a hearing officer may refuse to hear or admit relevant evidence for any of the following reasons:

1. The evidence is not reliable, for example: opinions which are not supported by factual observation; hearsay (statements made outside of the hearing); reputation of the witness;

2. The evidence, even if true, would be of marginal relevance, for example: evidence of prior acts by the accused or a witness, to show that he or she is repeating a pattern; or

3. The evidence is merely cumulative of evidence already received at the hearing and is no more reliable than the already admitted evidence, for example: testimony of other inmates corroborating the accused's story, when corroboration has already occurred.

(3) If a witness is unavailable to testify, a written statement, a transcript of an oral statement, or a tape-recorded statement may be considered. Unavailability means death, transfer, release, hospitalization, or escape in the case of an inmate; death, illness, vacation, no longer being employed at that location, or being on a different shift in the case of a staff member.

(4) If a witness refuses to testify in person and if the committee finds that testifying would pose a significant risk of bodily harm to the witness, the committee may consider a corroborated, signed statement under oath from that witness without revealing the witness's identity. The contents of the statement shall be revealed to the accused, though the statement may be edited to avoid revealing the identity of the witness. The committee may question the witnesses, if they are otherwise available. Two anonymous statements by different persons may be used to corroborate each other. A statement can be corroborated in either of the following ways:

(a) By other evidence which substantially corroborates the facts alleged in the statement such as, eyewitness account by a staff member or circumstantial evidence; or

(b) By evidence of a very similar violation by the same person.

(5) After disposition has been reached by the adjustment committee, and if a finding of guilt results, restricted informant material shall then be forwarded to the security office for retention in the restricted security department file with all other copies of the entire hearing results.

(6) The original conduct report and all due process documents shall be placed in the inmate's case record. However, restricted informant reports shall be placed only in the security department restricted file. Restricted records shall be retained or disposed of according to the provisions of ch. HSS 307, adult-offender-based records.
