STATE OF WISCONSIN SS. DEPARTMENT OF AGRICULTURE,)

TRADE & CONSUMER PROTECTION

RECEIVED

JAN 1 7 1986 2. 0 5 Autos Bureau

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETINGS:

)

I, Donald J. Soberg, Administrator, Trade and Consumer Protection Division, State of Wisconsin Department of Agriculture, Trade and Consumer Protection, and custodian of the official files of said Division, do hereby certify that the annexed order adopting rules relating to the sale of hazardous substances within this state and in particular the sale of butyl nitrite and its isomers within this state, section Ag 72.04(10), Wis. Adm. Code, was duly approved and adopted by the Department on January 17, 1986.

CR 85-5

I further certify that said copy has been compared by me with the original on file in the Department and that the same is a true copy thereof, and of the whole of such original.

> IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the official seal of the Department at the Department offices in the city of Madison, this 17th day of January, 1986.

Donald J. Soberg, Administrator Trade & Consumer Protection Division

DOCKET NO. 1759

ORDER OF THE STATE OF WISCONSIN DEPARTMENT OF AGRICULTURE, TRADE AND CONSUMER PROTECTION ADOPTING, AMENDING OR REPEALING RULES

Relating to the sale of hazardous substances within this state and in particular the sale of butyl nitrite and its isomers within this state.

Analysis Prepared by the Wisconsin Department of Agriculture, Trade and Consumer Protection

Under section 100.37(2)(d) of the state's hazardous substance act, the department may by rule prohibit the sale of a hazardous substance if it finds that notwithstanding cautionary labeling that is or may be required the degree or nature of the substance is such that the public health and safety can only be protected by keeping the substance out of the channels of commerce in this state. This rule will add butyl nitrite, all of its isomers, and mixtures containing butyl nitrite or its isomers to the list of products banned in Wisconsin under Ag 72.04, Wis. Adm. Code. Butvl nitrite and its isomers are sold in this state under various trade names as "room odorizers" and used and advertised for use as recreational inhalants even though cautionary labeling says they should not be inhaled. Use of these products as inhalants has been linked to various adverse physical effects, including at least two fatalities.

On the basis of the public hearing record, the department has concluded that butyl nitrite, its isomers, and products containing them are hazardous substances; that cautionary labeling presently on the products or that might be required cannot adequately protect the public health and safety, and that therefore sale of the product should be banned in Wisconsin.

4	Pursuant to the authority vested in the state of Wisconsin
5	department of agriculture, trade and consumer protection by
6	ss. 93.07(1) and 100.37(2)(d), Stats., the department adopts rules
7	interpreting s. 100.37, Stats., as follows:
8	SECTION 1: Ag 72.04(10) is created to read:
9	(10) Butyl nitrite, isobutyl nitrite, secondary butyl nitrite,
10	tertiary butyl nitrite, and mixtures containing butyl nitrite,
11	isobutyl nitrite, secondary butyl nitrite, or tertiary butyl

 1 nitrite. ness." These products are also sold in Wisconsin by mail order
20 firms, but none of these firms are actually located in Wisconsin. Notice of the proposed rule and the hearings on it was sent
21 to all businesses in Wisconsin known by DATCP to be actually engaged in the sale of butyl nitrite. In addition, notice of the
22 hearings was sent to the Wisconsin Tavern League. Notice of the hearings was also sent to out-of-state companies known to be
23 engaged in the manufacturing or distribution of butyl nitrite that
finds its way into Wisconsin. The proposed rule and hearings on 24 it received considerable publicity in the media.
The rule will require that small businesses currently selling 25 these products stop selling them. To the best of DATCP's know-
ledge, butyl nitrite products do not represent the major portion 26 of the volume of sales of any of these businesses. Adoption of
the rule will result in some loss of income to these businesses. 27 There is no way to effectuate a ban on these products without havin

1 2 3	this adverse effect on small businesses. Therefore, a small business exemption to this rule is not possible. The rule will not require small businesses to keep any records or to make reports. The rule will not require small businesses to have any professional skills or to put personnel through additional training.
4	Summary of Comments of Legislative Standing Committees
	The Assembly Committee on Health requested that the department modify the proposed adoption of Ag 72.04(10) by:
6	1. Prohibiting the sale or transfer of butyl nitrite to minors only;
7	2. Prohibiting minors from possessing or using butyl nitrite, and
8 3. Requiring that a warning label be placed on each contai of butyl nitrite specifying the dangers of the product.	
10	Joint Committee for the Review of Administrative Rules. The Joint Committee did not concur in the objection by a vote of 7-0 on
11	December 12, 1985.
