ORDER OF THE DEPARTMENT OF DEVELOPMENT
AMENDING CHAPTER DOD 8

RECEIVED

JUN 17 1986

WISCONSIN ADMINISTRATIVE CODE

Revisor of Statutes
Bureau

Relating to rules for the implementation of the Customized Labor Training Fund.

Analysis Prepared by the Department of Development

The Department of Development proposes to amend DOD 8.05 implementing the Customized Labor Training Fund, Section 560.095, Wis. Stats., created by Chapter 27, Laws of 1983. S. 560.095 (7) Wis. Stats. requires the Department of Development to adopt administrative rules providing for the administration of grants under this program. Chapter DOD 8, Wisconsin Administrative Code, provides for the administration of these grants.

Chapter DOD 8, Wisconsin Administrative Code, defines key terms for the Customized Labor Training Fund, specifies eligibility requirements for applicants to the Customized Labor Training Fund, describes eligible providers of training supported by the Customized Labor Training Fund, places limitations on the size of grant available to any one applicant to the Customized Labor Training Fund, establishes evaluative criteria (a point system) by which applications to the Customized Labor Training Fund will be judged, and authorizes certain administrative procedures in the contracting, reporting and auditing, and Board Operations insofar as they pertain to the management of grants from the Customized Labor Training Fund. The proposed amendment strikes the percentage limitation on the amount which may be awarded to any one applicant.

Pursuant to the authority vested in the Department of Development by s. 560.095 (7) Wis. Stats., as created by Chapter 27, Laws of 1983 and s. 560.02 (4), Wis. Stats., the Department of Development hereby proposes to amend DOD 8.05 as follows:

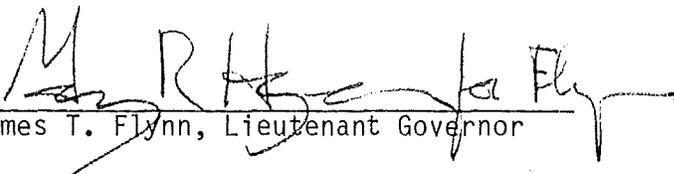

SECTION 1. Section DOD 8.05 of the Wisconsin Administrative Code is amended to read:

DOD 8.05 GRANT AMOUNTS. ~~No more than 25 percent of the funding available in the biennium may be awarded to any one business.~~ The applicant business must provide a match for the grant received. The match may be in cash or in kind and must equal 50 percent of the value of the training provided. The department is not obligated to fund any proposed training at any particular dollar level. The amount of funding may be the subject of negotiation between the applicant and the department. If an individual grant award totalling \$300,000 or more is made, the department shall notify those standing committees of both houses of the legislature primarily concerned with economic development. This notification shall be made within 30 days of the date of the grant award.

The rules contained in this order shall take effect upon publication as provided in s. 227.22 (2)(intro.), Stats.

Dated at Madison, Wisconsin 6/17/86.
