ORDER OF THE
PHARMACY INTERNSHIP BOARD
· ADOPTING RULES

Relating to: Practice Environment and Denial or Suspension of
Certification or Registration for Internship Program
Participants

Analysis Prepared by State of Wisconsin Pharmacy Internship Board:

Prior to taking the examination for registry as a pharmacist, a person must complete an internship in Wisconsin or the equivalent of the internship in another state. In Wisconsin, the internship must be under the supervision of a pharmacist preceptor approved by the pharmacy internship board. The pharmacy internship board is responsible for certifying these preceptors and registering interns. This provision makes clear that such certification or registration may be suspended or denied or that the intern may be removed from the pharmacy if there is interference with the intern/preceptor relationship. Specific actions cited include sexual harassment, abuse of alcohol or drugs, failure to submit required documents or failure to comply with board policies and procedures.

Pursuant to the authority vested in the state of Wisconsin pharmacy internship board by s. 36.25(20), Stats., the state of Wisconsin pharmacy internship board hereby adopts rules interpreting ss. 36.25(20) and 450.02(2m), Stats., as follows:

SECTION 1. PH-INT 1.07(7) created to read:

PH-INT 1.07(7) PRACTICE ENVIRONMENT.

If a person in the practice environment acts in a manner which is hostile or intimidating to the intern or interferes with the performance of internship responsibilities and progress towards the objectives of the internship program, the director of pharmacy internship may reassign the intern to another pharmacy. The pharmacy may be excluded from the pharmacy internship program until adequate action is taken to correct the practice environment.

SECTION 2. PH-INT 1.09 is renumbered 1.10 and amended to read:

PH-INT 1.10 APPEAL

Any person who has been denied certification, registration or internship credit or been suspended by the pharmacy internship board may request a hearing in accord with chapter 227 of the Wisconsin Statutes.

SECTION 3. PH-INT 1.09 is created to read:

PH-INT 1.09. DENIAL OR SUSPENSION OF CERTIFICATION OF REGISTRATION.

1) Certification of a preceptor may be suspended or denied if the preceptor or a third party working in the practice environment under the supervision of the preceptor acts in a manner which is hostile or intimidating to the intern or interferes with the performance of internship responsibilities and progress toward achievement of the objectives of the internship program. Actions which may lead to suspension or denial of certification include but are not limited to:

- a) Sexual harassment.
- b) Abuse or misuse of alcohol or other mood-altering substances.
- c) Failure to complete and submit required documentation to the pharmacy internship board office.
- d) Failure to comply with the policies and procedures of the pharmacy intership board in an acceptable manner.

2) Registration of an intern may be suspended or denied if the intern acts in a manner which is hostile or intimidating to the preceptor or to a third party working in the practice environment or interferes with the performance of internship responsibilities and progress toward achievement of the objectives of the internship program. Actions which may lead to suspension or denial of registration include but are not limited to:

- a) Sexual harassment.
- b) Abuse or misuse of alcohol or other mood-altering substances.
- c) Failure to complete and submit required documentation to the pharmacy internship board office.
- d) Failure to comply with the policies and procedures of the pharmacy internship board in an acceptable manner.

The rules, amendments, and repeals contained in this order shall take effect as provided in s. 227.026(1)(intro.)
