**FDE 4.01 Authority and purpose.** The rules of this chapter are adopted to implement the policy of the state of Wisconsin established by legislation and court decisions that public records are presumed open to public inspection and copying. It is the declared purpose of the funeral directors and embalmers examining board that its officials and employees shall render whatever assistance is necessary to implement this policy.

History: Cr. Register, June, 1978, No. 270, eff. 7-1-78.

**FDE 4.02 Definitions.** (1) "Board" means the funeral directors and embalmers examining board.

(3) "Legal custodian" is the board's chairperson or alternate, who shall be the vice chairperson or any other board member. The alternate custodian shall perform the duties of the legal custodian when the legal custodian cannot be contacted and shall inform the board of actions taken. The alternate custodian shall act as agent of the board in fulfilling these responsibilities.

(4) "Office" means the public facility in which the department of regulation and licensing and any boards attached to the department are housed.

(5) "Formal hearing" means any hearing resulting after service of a complaint and notice of hearing upon a licensee.

**FDE 4.03 Access to board records.** (1) All records shall be kept in the office of the board.

(2) The legal custodian shall inform the administrative secretary assigned to the board in which cases approval is needed to release specific records segregated in accordance with s. FDE 4.05 (3). If at any time the instructions are unclear, the administrative secretary assigned to the funeral directors and embalmers examining board shall request approval for release from the legal custodian.

(3) Any person may ask the administrative secretary assigned to the funeral directors and embalmers examining board to inspect or copy the records of the board during regular business hours. A request shall be deemed sufficient if it reasonably describes the requested record. If the administrative secretary assigned to the funeral directors and embalmers examining board denies the request, a written appeal may be made to the legal custodian. The appeal shall briefly describe the records requested.

(4) Within 10 working days of receipt of the appeal, the legal custodian shall give the request or written notice of the determination and reasons therefore.

(5) When a record is requested in person, inspection and copying shall normally be permitted the same day. Copies of records requested by phone or mail shall normally be provided within 5 working days of receipt. If an unusual request, whether received in person, by phone or mail, would result in an unreasonable interference with the orderly operation of the office, the request shall be answered as soon as possible.

(6) Records and hearing transcripts shall be duplicated at the rate of \$.10 per page unless the applicant for the record is impecunious or shows financial need, in which case the legal custodian, at his or her discretion, may provide a free copy.

(3) Records that may be exempt include:

(a) Trade secrets, which are unpatented, secret, commercially valuable plans, appliances, formulas, or processes used for making, preparing, compounding, treating or processing articles or materials which are trade commodities obtained from a person and which are generally recognized as confidential.
