To the extent that any charge qualifies as an additional charge under this regulation it may be excluded from the finance charge.

History: Cr. Register, March, 1980, No. 291, eff. 6-1-80.

Bkg 76.03 Delinquency and deferral charges. (1) In consumer credit transactions a retail seller may contract for and receive delinquency charges only in accordance with s. 422.203, Stats., and regulations issued by the commissioner thereunder.

(2) In all other transactions a retail seller may contract for and receive a delinquency charge on any installment not paid in full on or before the 10th day after its scheduled or deferred due date in an amount not to exceed 5% of the unpaid amount of the installment. No delinquency charge may be collected on an installment which is paid in full on or before the 10th day after its scheduled or deferred due date even though an earlier maturing installment or a delinquency charge on an earlier installment may not have been paid in full. For purposes of this subsection payments are applied first to current installments and then to delinquent installments. Interest after the final scheduled maturity date shall not exceed the greater of 12% per annum or an amount determined by applying the annual rate of finance charge assessed on that transaction to the unpaid balance until paid, but if such interest is charged no delinquency charge may be taken on the final scheduled installment.

(3) A retail seller may contract for and assess deferral charges only in accordance with s. 422.204, Stats., and regulations issued by the commissioner thereunder.

the unearned portion of the finance charge shall be rebated to the retail buyer or credited to the outstanding balance of the buyer's account. If the total of all rebates, refunds and credits to be made to the retail buyer is less than \$1, no rebate need be made.

(3) The unearned portion of the precomputed finance charge on retail installment contracts repayable in substantially equal successive installments at approximately equal intervals shall be computed in accordance with s. 422.209 (2), Stats. With respect to all other retail installment contracts the unearned portion of the finance charge shall be computed in accordance with s. 138.05 (2) (b), Stats.
