

(c) The department may grant an exemption based on but not limited to:

1. Availability of a swing-bed hospital operating within a 30 mile radius of the nursing home; or

2. Availability of an adequate number of medicare-certified beds in a facility within a 30 mile radius of the nursing home.

(d) A skilled nursing facility located within a county determined to have an inadequate number of medicare-certified beds and which has less than 100 beds may apply to the department for partial exemption from the requirements of this section. An SNF which applies for partial exemption shall recommend to the department the number of medicare-certified beds that the SNF should have to meet the requirements of this section based on the facility's analysis of the demand for medicare-certified beds in the community. The department shall review all recommendations and issue a determination to each SNF requesting a partial exemption.
