Rule AMENDING Trans 118.09(1) and (2),
Wisconsin Administrative Code, relating to
the Employer Notification Program.

ORDER ADOPTING RULE

Analysis Prepared by the Wisconsin Department of Transportation

STATUTORY AUTHORITY: ss. 85.16(1), 343.02 and 343.245(3m), Stats.

STATUTE INTERPRETED: s. 343.245(3m), Stats.

General Summary of Rule. This rule change will eliminate the monthly billing cycle for the employer notification program, and allow the Department the discretion to bill on a less frequent schedule. The experience of the Department with the employer notification program has been that most monthly bills have been for less than \$10.00. Sending bills less frequently will make the billing process more efficient and will reduce paperwork for the Department of Transportation and for employers who subscribe to the program.

Fiscal Impact. The Department estimates that there will be no fiscal effect on the liabilities or revenues of any county, city, village, town, school district, vocational, technical and adult education district or sewerage district. The Department estimates that there will be no fiscal effect on state revenues or liabilities.

Final Regulatory Flexibility Analysis. The Department anticipates that the provisions of this rule amendment will have no adverse effect on small businesses and may have a positive effect by reducing the number of separate payments for services which a business using the employer notification program must make.

Contact Persons. The persons to contact for further information about this rule are Karen Schwartz, (608) 266-0054 or Wesley Geringer, (608) 266-0614.
