VE 5.02	Application procedure faculty license	VE 5.04	Veterinary students

VE 5.01 Definitions. As used in this chapter:

(1) "Faculty license" means a document issued to a person by the board after the person has met the requirements of s. 453.06 (2m) (a), Stats., signifying that the person may practice veterinary medicine on privately owned animals only within the scope of the person's employment at a school of veterinary medicine in this state.

(2) "Post graduate training permit" means a document issued to a person by the board which allows the permit holder to practice veterinary medicine on privately owned animals only within the scope of the permittee's internship or residency program at a school of veterinary medicine in this state.

History: Cr. Register, September, 1989, No. 405, eff. 10-1-89.

VE 5.02 Application procedure faculty license. (1) An applicant for a faculty license shall file a completed application with the board. All supporting documents shall be submitted in English. An application is not complete until the board receives:

- (a) An application form provided by the board and completed by the applicant, which includes the applicant's notarized signature;
- (b) A recent photograph, as defined in s. VE 1.02 (9);
- (c) The fee specified in s. 440.05 (6), Stats.;
- (d) Verification of employment by a school of veterinary medicine in this state which has been submitted directly to the board by the dean of the school;
- (e) A certificate of graduation from an approved veterinary college signed and sealed by the dean of the school submitted directly to the board by the school, or evidence of substantially equivalent qualifications; and
- (f) Successful completion of an examination on state laws and rules related to the practice of veterinary medicine.

(2) Disciplinary action. A faculty license may be denied, suspended, limited or revoked, or the licensee may be reprimanded, for the following reasons:

- (a) Violation of any law or regulation substantially related to the practice of veterinary medicine; or
- (b) Engaging in the practice of veterinary medicine in this state outside the scope of employment unless licensed to do so.

(3) Expiration. The faculty license expires upon termination of the faculty employee's employment with the school of veterinary medicine, as reported by the dean of the school of veterinary medicine.

History: Cr. Register, September, 1989, No. 405, eff. 10-1-89.

VE 5.03 Post graduate training permit. (1) An applicant for a post graduate training permit under s. 453.06 (2m) (b), Stats., shall file a completed application with the board. All supporting documents shall be provided in English. An application shall not be considered complete until the board receives:

(a) An application form provided by the board and completed by the applicant, including the applicant's notarized signature;

(b) A recent photograph, as defined in s. VE 1.02 (9);

(c) The fee specified in s. 440.05 (6), Stats.;

(d) Evidence that the applicant has successfully completed the national board examination and the clinical competency test or is scheduled to take the national board examination and clinical competency test for the first time, or is awaiting results of the national board examination and clinical competency test; and

(e) Verification that the applicant is undertaking intern or resident training at a school of veterinary medicine in this state. Verification shall consist of certification signed and sealed by the dean of the school and submitted directly to the board by the school.

(2) An applicant for a post graduate training permit shall successfully complete an examination on state laws and rules related to the practice of veterinary medicine before a permit may be issued.

(3) A post graduate training permit may be denied, suspended, limited or revoked, or the licensee may be reprimanded, for the following reasons:

(a) Violation of any law or regulation substantially related to the practice of veterinary medicine; or

(b) Engaging in the practice of veterinary medicine in the State of Wisconsin outside the scope of the training program unless licensed to do so.

(4) The post graduate training permit expires upon termination of the permittee's internship or residency program, as reported by the dean of the school of veterinary medicine.

History: Cr. Register, September, 1989, No. 405, eff. 10-1-89.

VE 5.04 Veterinary students. (1) A veterinary student may practice veterinary medicine while under the direct supervision of appropriate licensed veterinary school faculty.

(2) A veterinary student may practice veterinary medicine while under the direct supervision of a veterinarian provided that the veterinarian advises the client that the person assisting the veterinarian is a veterinary student.

History: Cr. Register, September, 1989, No. 405, eff. 10-1-89.
