

Chapter WFSB 5

COOPERATION WITH LAND CONSERVATION BOARD UNDER S. 91.03, STATS.

WFSB 5.01 Policy and purpose

WFSB 5.02 Applicant notification to the board

WFSB 5.03 Board and department notification

WFSB 5.04 Notification, continuing obligation

WFSB 5.01 Policy and purpose. It is the policy of the state that all departments and agencies of state government shall cooperate with the land conservation board and the department of agriculture, trade and consumer protection in the exchange of information concerning projects and activities, including takings under eminent domain, which might jeopardize the preservation of lands contemplated by ch. 91, Stats. This rule governs the cooperation which this board extends the department and board pursuant to s. 91.03, Stats.

History: Cr. Register, November, 1984, No. 347, eff. 12-1-84.

WFSB 5.02 Applicant notification to the board. When the applicant submits to the board a copy of the request for specification of all local approvals under s. WFSB 3.03, the applicant shall include a statement to the best of its knowledge if the site of the proposed facility includes land upon which there exists farmland preservation agreements, zoning for exclusively agricultural use or is located in a preservation area identified on a certified county preservation plan. The statement shall contain a legal description of that portion of the land under an agreement, zoning

regulation or certified county preservation plan.

History: Cr. Register, November, 1984, No. 347, eff. 12-1-84.

WFSB 5.03 Board and department notification. If the proposed site includes land upon which there exists farmland preservation agreements, zoning for exclusively agricultural use, or is located in a preservation area identified on a certified county preservation plan, the applicant shall also notify the land conservation board and the department of agriculture, trade and consumer protection of the proposal and the information supplied to the board.

History: Cr. Register, November, 1984, No. 347, eff. 12-1-84.

WFSB 5.04 Notification, continuing obligation. The applicant has a continuing obligation to notify the board, land conservation board and department of agriculture, trade and consumer protection if, at any time, the applicant has information that the site of the proposed facility includes land upon which there exists farmland preservation agreements, zoning for exclusively agricultural use or is located in a preservation area identified on a certified county preservation plan.

History: Cr. Register, November, 1984, No. 347, eff. 12-1-84.
