(2) Each investment adviser shall file with the division a copy of any complaint related to its business, transactions, or operations in this state, naming the investment adviser or any of its partners, officers or investment adviser representatives as defendants in any civil or criminal proceeding, or in any administrative or disciplinary proceeding by any public or private regulatory agency, within 20 days of the date the complaint is served on the investment adviser; a copy of any answer or reply to the complaint filed by the investment adviser within 10 days of the date the answer or reply is filed; and a copy of any decision, order or sanction made with respect to any such proceeding within 20 days of the date the decision, order or sanction is rendered.

(3) Except as provided in subs. (2) and (4), each investment adviser shall file with the division any notice of change of control or change of name, as well as any material change in the information included in the investment adviser's most recent

application for license, in an amendment to Form ADV filed with the division within 30 days of the date of the change.

(4) Each investment adviser shall notify the division in writing within 10 days from the first date the person who is the designated supervisor under s. **History:** Cr. Register, December, 1977, No. 264, eff. 1-1-78; am. (2) to (4), Register, December, 1980, No. 300, eff. 1-1-81; am. (1) and cr. (5) to be (4), Register, December, 1990, No. 420, eff. 1-1-91; am. (1) (a), cr. (5) and (6), Register, December, 1991, No. 432, eff. 1-1-91; am. (1) (a), cr. **DFI-Sec 5.05 Rules of conduct.** (1) Each investment adviser shall establish written supervisory procedures and a system for applying the procedures, which may reasonably be expected to prevent and detect any violations of ch. 551, Stats., and rules and orders thereunder. The procedures shall include the designation and qualification of a number of supervisory employees reasonable in relation to the number of its qualified investment adviser representatives, offices and activities in this state.

(2) An investment adviser shall not enter, extend, or renew any investment advisory contract if the contract:

(a) Provides for compensation to the investment adviser on the basis of a share of capital gains upon, or capital appreciation of, the funds or any portion of the funds of a client other than a person specified in s. 551.23 (8) (a) and (f), Stats.

(b) Fails to provide, in substance, that no assignment of the contract may be made without the consent of the customer; or

(c) Fails to provide, in substance, that the investment adviser, if a partnership, shall notify the other party to the contract of any change in the membership of the partnership within a reasonable time after such change.

(d) Fails to disclose, in substance, the term of the advisory agreement, the fee to be charged by the adviser, the formula for computing the advisory fee, the formula for computing the amount of prepaid fee to be returned in the event of contract termination or non-performance, and whether the contract grants discretionary power to the adviser.

(3) Subsection (2) (a) shall not prohibit an investment advisory contract which provides for compensation based upon the total value of a fund averaged over a definite period, or as of definite dates or taken as of a definite date. "Assignment," as used in sub. (2) (b) includes any direct or indirect transfer or hypothecation of an investment advisory contract by the assignor or of a controlling block of the assignor's outstanding voting securities by a security holder of the assignor; but, if the investment adviser is a partnership, no assignment of an investment advisory

contract is considered to result from the death or withdrawal of a minority of the members of the investment adviser having only a minority interest in the business of the investment adviser, or from the admission to the investment advisor of one or more members who, after admission, will be only a minority of the members and will have only a minority interest in the business. As used in sub. (2), "investment advisory contract" means any contract or agreement whereby a person agrees to act as investment adviser or to manage any investment or trading account for a person other than persons specified under s. 551.23 (8) (a) to (f), Stats.

(4) An investment adviser shall not enter any contract with a customer if the contract contains any condition, stipulation or provision binding the customer to waive any rights under ch. 551, Stats., or any rule or order thereunder. Any such condition, stipulation or provision is void.

(5) No licensed investment adviser may enter into, extend or renew any investment advisory contract with a customer in this state unless the contract is in writing and a copy of the contract is given to the customer within 20 days after the execution of the contract.

(6) Each investment adviser who renders account supervisory or management services shall provide at least annually to each Wisconsin customer a written summary of the customer's account which includes information setting forth the name, quantity and market value of each security under management, and the total value of cash and securities under management.

(7) Every licensed investment adviser shall employ at its principal office or designated office of supervision in accordance with s. DFI-Sec 5.03 (1), at least one person designated in writing on the form prescribed in s. DFI-Sec 9.01 (1) (b) and filed with the division to act in a supervisory capacity who is qualified as an investment adviser representative in this state and has satisfied the supervisory examination requirement in s. DFI-Sec 5.01 (5). If a licensed investment adviser is not in compliance with the requirements of this paragraph, it has 45 days from the first date of noncompliance to meet the requirements of this paragraph.

(8) Each investment adviser shall provide to each of its customers a written brochure or other document meeting the requirements of rule 204-3 under the Investment Advisers Act of 1940 relating to its business and activities.

(9) Each investment adviser that participates in a wrap fee arrangement with a broker-dealer shall disclose to each customer under the arrangement the portion of the wrap fee that is attributable to advisory services. This requirement may be satisfied if the information is contained in the brochure provided to the customer either by the investment adviser or the sponsor of the wrap fee arrangement.

(10) No investment adviser may associate with a bank, savings institution, trust company, savings and loan association or credit union by contract, agreement or other means for the purpose of that entity publishing or circulating advertising promoting the services offered by the investment adviser or assisting or providing information to persons to establish an advisory relationship with the investment adviser unless the promotional functions are performed by persons qualified as representatives of the investment adviser.

(11) Each investment adviser which by contract, agreement or other means provides investment advisory services on the premises of a financial institution that is not licensed as an investment adviser shall:

(a) Perform the investment advisory services within a specific area on the premises of the financial institution designated by agreement between the investment adviser and the financial institution. Nothing in this paragraph prohibits the financial institution from carrying out other activities within the designated area, provided that no promotional signs or materials shall

be displayed within the designated area other than those relating to the investment advisory services;

(b) Prominently display the identity of the licensed investment adviser in the area on the premises of the financial institution designated under par. (a);

(c) Disclose the identity of the licensed investment adviser in, without limitation because of enumeration, all advertising, correspondence, business cards, promotional materials and records relating to the investment adviser's services provided on the premises of the financial institution. Materials described in this paragraph may not display the financial institution's name or logotype in a manner that would mislead customers as to the financial institution's role in connection with the investment advisory services being offered by the investment adviser. For purposes of this paragraph, if the investment adviser's name is no less prominent in the materials than the name of the financial institution in the size, style or color of type or in the placement or by use of logotypes, the materials are presumed to be not misleading.

(d) Establish written supervisory procedures and a system for applying the procedures. The procedures shall comply with s. DFI-Sec 5.05 (1) and shall be designed to accomplish certain supervisory functions, including but not limited to the following:

1. Prevention and detection of violations of ch. 551, Stats., and any applicable rules and orders under ch. 551, Stats.

2. Establishment of a system under which the investment adviser approves, prior to use, copies of all advertising used by the financial institution relating to the investment advisory services conducted on the premises of the financial institution for the purpose of ensuring compliance with ss. 551.41 and 551.53, Stats.; and

3. Establishment of a system that ensures that all books and records required by rule or order under ch. 551, Stats., are properly maintained, and that precludes the investment adviser from taking or having custody of customer funds or securities as prohibited under s. 551.44, Stats.

(e) Disclose in writing prior to or at the time of entering into each investment advisory agreement that the investment advisory services are provided by the investment adviser and not by the financial institution, that non-deposit investment products are not guaranteed by the financial institution, are not deposits or other obligations of the financial institution, are not subject to any federal deposit insurance protection and involve risk, including possible loss of principal.

(12) No investment adviser, in connection with a telephone or electronic solicitation, shall:

(a) Fail to provide both the caller's identity and the identity of the investment adviser with whom the caller is affiliated, at the beginning of any telephone or electronic solicitation.

(b) Telephone any person in this state between the hours of 9:00 PM and 8:00 AM local time at the called person's location without the individual's prior consent.

(c) Telephone or electronically solicit any person in this state after that individual has requested that they not be telephoned.

(d) Make repeated telephone or electronic solicitations in an annoying, abusive or harassing manner, either individually or in concert with others.

(e) Use threats, intimidation or obscene language in connection with securities recommendations, transactions or other investment advisory activities.

**DFI-Sec 5.06 Prohibited business practices.** The following are deemed "dishonest or unethical business practices" or "taking unfair advantage of a customer" by an investment adviser under s. 551.34 (1) (g), Stats., without limiting those terms to the practices specified in this section:

(1) Exercising any discretionary power in placing an order for the purchase or sale of securities for the account of a customer without first obtaining written discretionary authority from the customer unless the discretionary power relates solely to the price at which, or the time when, an order involving a definite amount of a specified security shall be executed, or both.

(2) Placing an order to purchase or sell a security for the account of a customer upon instructions of a third party without first having obtained written third party trading authorization from the customer;

(3) Inducing trading in a customer's account that is excessive in size or frequency in view of the financial resources and character of the account;

(4) Recommending to a customer the purchase, sale or exchange of any security without reasonable grounds to believe that the recommendation is suitable for the customer on the basis of information furnished by the customer after reasonable inquiry concerning the customer's investment objectives, financial situation and needs, and any other information known by the investment adviser;

(5) Placing an order to purchase or sell a security for the account of a customer without authority to do so;

(6) Borrowing money or securities from, or lending money or securities to, a customer;

(7) Representing itself as a financial or investment planner, consultant, or adviser, when the representation does not accurately describe the nature of the services offered, the qualifications of the person offering the services, and the method of compensation for the services;

(8) Placing an order for the purchase or sale of a security if the security is not registered or the security or transaction is not exempt from registration under ch. 551, Stats.

(9) Placing an order for a customer, or recommending that the customer place an order, to purchase or sell a security through a broker-dealer or agent not licensed under ch. 551, Stats., unless the customer is a person described in s. 551.23 (8) (a) to (f), Stats.

(10) Recommending to a customer that the customer engage the services of a broker-dealer, agent or investment adviser not licensed under ch. 551, Stats., unless the customer is a person described in s. 551.23 (8) (a) to (f), Stats.

(11) Failing accurately to describe or disclose in advertising or other materials used in connection with the promotion or transaction of investment advisory services in this state, the identity of the investment adviser or the nature of the investment advisory services offered or the employment relationship between the investment adviser and its representatives. For purposes of this subsection, "other materials" include, but are not limited to, business cards, business stationery and display signs.

**DFI-Sec 5.07 License period.** (1) The license of an investment adviser expires April 30 of each year. Each licensed investment adviser seeking renewal of its license shall file with the division an application for renewal not later than March 31 prior to the expiration of its license. The qualification of an investment adviser representative expires on the same day as that of the investment adviser which the person represents. The division may by order limit the period of, or specify an earlier expiration date for, any license.

(2) The qualification of an investment adviser representative is not effective during any period when the investment adviser which that person represents is not licensed or during any period when the representative is not employed by a specified investment adviser licensed under ch. 551, Stats.
