The board shall consider each application individually on its merits, and the board may grant a postponement, partial waiver or total waiver as deemed appropriate.

(h) The board may grant an exemption from the requirements of this section to a licensee who certifies to the board that he or she has permanently retired from the active practice of psychology.

(i) A licensee who has been granted an exemption from the requirements of this section based on retirement from the active practice of psychology may not return to the active practice of psychology without submitting evidence satisfactory to the board of having completed at least 40 credits of continuing education for each of the biennia during which the licensee was granted an exemption.

(e) Decisions for board approval shall be made within 60 days of the board meeting following receipt of the request.

(f) Continuing education programs and courses sponsored or co-sponsored by a presenter approved by the committee for the approval of continuing education sponsors of the American psychological association are acceptable to the board and need not be submitted to the board for approval.

Psy 4.03 Reinstatement of a lapsed license. Failure to renew a license by September 30 of odd-numbered years shall cause the license to lapse. A licensee who allows the license to lapse may apply to the board for reinstatement of the license as follows:
