

Chapter HFS 88

APPENDIX A

Regional Offices of the Division of Supportive Living

Counties may license adult family homes under this chapter. If a county chooses not to license the adult family homes in the county, the Wisconsin Department of Health and Family Services will license those homes in that county. The Department licenses adult family homes through 5 Division of Supportive Living regional offices. Below are the addresses and phone numbers of those regional offices and the counties they serve. Contact the appropriate office to find out if your county licenses adult family homes or to inquire about the licensing process.
